GRAND MASS MEETING AND BARBECUE IN SALISBURY.—The various Seymour and Blair Clubs of Rowan County have determined to have a Grand Mass Meeting and Barbecue in Salisbury, on the 8th day of October, to which they most cordially invite the citizens of the surrounding counties. There will also be a Grand Torch-Light Procession at night. Speeches will be delivered on the occasion by many of the most distinguished orators of this and other States, whose names will be announced before the day of meeting.

Come one and all, and let us have such an outpouring of the people as has never before been witnessed in Salisbury.

LOCAL.

THE RADICAL SCHEME.

We invite attention to the article in another column headed, "*The Radical Scheme of War and Treason.*" It was written by a member of the Executive committee, and appeared originally in the editorial columns of the Raleigh *Sentinel*. It is a very clear and able comment upon the legislative action of the Radical party in relation to a detailed militia and a standing army, and deserves to be carefully studied by every friend of peace in North Carolina. Most of our readers have, doubtless, read the militia bill, but many of them have probably not analysed it so as to understand all the mischievous purposes which lurk beneath it. We call upon all such to read the article and study it carefully.

☞ The Old North State *Democrat*, the leading organ of the Democracy in North Carolina, says the State will give Grant and Colfax from 30,000 to 40,000 majority.

We find the above in the Newbern *Republican* of the 24th, and we are at a loss to know what paper is referred to as "the leading organ of the Democracy in North Carolina." We lay claim to no such distinction as being "the leading organ" of our party in the State, and if we did the claim would not be allowed, yet we know not what other paper can be referred to but ours, as we suppose it was intended that there should be a comma after the word *State*.

If the *Old North State* is the paper referred to, then the *Republican* is either grossly mistaken, or has published a deliberate falsehood. We do not remember ever to have expressed an opinion as to how North Carolina will vote at the approaching Presidential election, but we will now do so for the benefit of our radical contemporary. Our opinion is that the Seymour and Blair ticket will carry North Carolina in November by from 10,000 to 20,000 majority.

Will the *Republican* give its readers the benefit of our opinion, whatever it may be worth. We shall see.

EXPLODED.—One of Gov. Holden's Justices of the Peace, from Halifax county, by the name of Everett recently went to Raleigh and complained to the Governor that he had been assaulted by the rebels of his neighborhood on account of his loyalty—had narrowly escaped with his life, &c. Finally, the Attorney General was sent to investigate the matter, when the defendants were discharged by three of the Governor's Justices of the Peace before whom they were arraigned. Everett then demanded that they should be bound to keep the peace, but before the application could be heard he took the train for Portsmouth and fled from the investigation which he had evoked. Nine tenths of the charges made by the radicals of outrages upon members of their party for their political principles have no better foundation than that made by Everett.

DEAD.—The last Warrenton *Courier* comes to us in mourning for the death of Benjamin Edwards Cook, a prominent citizen of that county.

The last Greensboro *Patriot and Times* announces the death of Mr. S. Sherwood, Esq., for many years one of the editors and proprietors of the *Patriot*. He was a most estimable gentleman and worthy citizen.

SEYMOUR AND BLAIR CLUB.

In accordance with a previous call, a number of persons met in Salem on Tuesday evening, Sept. 15th for, the purpose of forming a Seymour and Blair Club.

The meeting was called to order by Dr. S. F. Keehln, stating the object of the meeting, and calling John A. Vogler to the Chair.

E. W. Shields and C. B. Pfohl were appointed Secretaries.

On motion the Chair appointed a Committee to draft a Constitution and to nominate permanent officers for the Club.

During the absence of the Committee appropriate addresses were made by several gentlemen.

The following officers were nominated and unanimously elected, viz: John A. Vogler, President; Geo. Belo, L. E. Butner, C. E. Belo, Vice-Presidents; C. B. Pfohl, Recording Secretary; Chas. Fisher, Corresponding Secretary; W. G. Bahnson, Treasurer; A. B. Willis, Ed. Warren, C. A. Ebert, A. A. Clewell, Directors.

On motion a Committee of five was appointed by the Chair to assist in making arrangements for the accommodation of the audience on the grounds in view of the public speaking on the 29th inst, by Hon. Wm. A. Graham and others.

On motion it was requsted that the proceedings of this meeting be published in the Winston *Sentinel*, Raleigh *Sentinel*, and *Old North State* and *Watchman*.

WATER WHEEL.

THE undersigned having accepted the agency for the above named wheel, would call the attention, of the proprietors of Mills, Factories, &c. &c., to the many advantages they would derive from using it. It is well adapted to all purposes for which a water wheel is used. The small space it occupies, and the velocity of its motion, are attractive features. It requires but a small amount of gearing. Ice does not affect it. Works as well on horizontal as vertical shaft. Suitable to any locality. Not affected by back water. It is simple, cheap and durable. One of the wheels can be seen in operation at Foard, Tatum & Co's, Mill on South Yadkin River.

I have been in the Mill wright business for 25 years, and consider this by far the best whell I have ever yet met with. This wheel costs from $15 to $275, according to size.
