Miscellancous. SERGEANT BATEN.

e-Cordial a enthusiantic veloces - Cordial recep tion by the President.-Radical "Loyal ty" to the Old Flag.-The Sergeant no address or speech to make, but wish Refund Administran to the Capitol-His His Flag Unfuried at the Washington Monument-Speeches, Incidents, de.

..... . On Monday evening he reached Alexandria, was escorted to the Man-sion Bonse and received the hearty congratulations not only of the sens of that city, but numbers Washington to who went from anticipate the termination of his

He left Alexandria yesterday morn ing at nine o'clock, and arrived at the Long Bridge a few minutes after ten o'clock.

A large crowd had collected to cloome him, and as he advanced. the first person to extend the welcome hand was Senator Doolittle, of Wis-consin. A committee of the Conser-vative Army and Navy Usion and a committee from the Western States Anti-Radical Club also welcomed him, and he remained for a few mov ments in conversation with these gen-

He continued his route across the bridge, upon reaching the end of which he was taken in charge of by a committee from the Conservative Army and Navy Union, who pre-cented him with one of the silk bad-ges of the association, and escorted him to the residence of Colonel Fannee, a short distance from the bridge, that gentleman having ten dered the hospitalities of his estab-lishment for the occasion. Here the Sergeant held a reception for an hour and a half, during which he was ted by a number of ladies and tlemen, and received their congentlem gratulations. 2003

Sergeant Bates, on his arrival, was dress -jacket and pants-of close fit, and wore a pink silk sash, presented to him by the ladies of Montgomery -From his left side was enspended a horn cap, which was presented to him by the ladies of Vicksburg, and which he has taken all the water he has drank on the journey. At the reception he wore these mementoes, and held with his left hand the flag which he has carried with him, with

the staff planted on the floor. The personal appearance of the Sergeant is preposessing. He is about thirty years of age, with well defined features, a frank expression in his countenance, and unassuming in his manners, and resembles Colonei Mosby. At the conclusion of the reception he remained in company with

magnificent bouquet. This over, Mr. Bates had to undergo a short ordeal of hand-shaking, but finally succeeded in get-ting out of the Mannion, and the proce-sion being reformed, passed out, and, via Pennsylvania avenue and Fifteenth street proceeded to the Metropolital Hotel, where they halted, and the Sergeant having been escorted to the front balcony of the house, made his appearance before the as-sembled crowd, and having been introdu-ced, was heartily cheered.

Country, Mart of that great patrice look down upon this melancholy picture to-day, he might deliver another farewell address to all the hopes and prospects of ced, was heartily cheered. Hon. Charles A Eldridge of Wiscon

was then introduced, as having been cho-sen to welcome the Sergeant from his travels. Mr. Eldridge spake as follows :

Speech of Hon C. A. Eldridge Fellow-citizens : It is owing to the fac

address to all the bopes and prospects of a distracted country. Look but a moment on the picture, — That silken banner, wrought by fair hands upon the banks of the Minpissippi, and placed in your keeping by the citizens of Vicksburg on the 28th of last January, has been borne by yon, mid sunshins and rain, by night and by day, for nearly three weary months, through the States of Minsissippi, Alabama, Georgia, North Carolins, South Carolina and Virginia, and everywhere throughout these once rebel-lious States it has been hailed with joy and gladness-every city, village and town joining in the glad shout—old men and young men, soldiers and citizens, ma-trons and maidens, all, all welcoming it as the harbinger of better days. Even at Montgomery and Richmond, the boasted capitals of the late confederacy, you were escorted to the dome of each Capitol, and the stripes and stars kissed, again the balmy breeze of the once rebellious South, amid the land plaudits of a conquered peothat I am a citizen of Wisconsin that I am dlowed on this occasion a brief me pent te present again to you the guest of the citi-neus of Washington a worthy son, of the State of Wisconsin, Sergeant Bates. [Ap-plause.] He finding a popular error ex-tating in the State of Wisconsin, like that parhaps, in every Northern State, that the people of the Southern States, whom our conquering arms subdued, were hostile to the flag and Government of the Republic, undertook to carry that flag from Vicksburg to Washington, on foot and unation-did, for the purpose of planting it on the dome of the capitol, and showing the ac-tual feeling towards it. He has demonamid the lond plaudits of a conquered peo I have it from your own lips thatevery

strated to the people of the country, and where upon your triumphal journey you have received the same warm, joyour, patriotic greeting, and all without the s he world that no such hostility evists, and that the people of the South submit to the flag of the Union in good faith, and are determined to maintain their allegiance penditure of one dollar, from Vicksburg o Washington. Yes here, in the capitol of the natio to it, as they expect the people of the North to maintain theirs. [Applause.] by men full of professions and boasting of But I will not detain you in this pelting loyalty, you have met your first, your only robuke. At the moment you expect-ed to grown your triumphal march by tom. I understand Sergeant Bates will ow proceed to the dome of the Capito planting that ilag upon the dome of the Capitol, the massive doors of that temple of liberty are slammed in your face, and with the flag which he has borne in hostor and triumph from Vicksburg to Washing-ton. He has received nothing but kindyou are driven to Washington's Monnees and respect during all his long jourment ; and there, with liowed head, you ney. The people everywhere have honhave unfurled your banner. and encouraged him, because of the

TOULS OF MIS avela. He said he had perer rest alone, and on foot, has carried it for more ed once from fatigue, but was often halted by men anxious to express to halted by men anxious to express to him their regard. He expressed the whole in these words, "Kindness to, wards me, and respect for the flag." At the residence of Mr. Faunce he was handsomely entertained, and re-mained with him until noon. By one o'clock a vast concourse of persons had assembled at the inter-section of Fourteenth street and Mary and assemble in front. of the unblue

ection of Fourteenth street and mary land avenue, in front of the public house in which the Sergeant was rest ing. Shortly after one o'clock a com-mittee of members of the Conserva-tive army and Navy Hnion and a committee of citizens of Washington made their appearance, in company with Healds's Washington City Brass

Band in fall uniform. The committees waited upon Ser The committees waited upon Ser greant Bates and extended to him a hearty welcome to the capitol of the nation, and informed the Sergeant that they were in waiting to conduct him first to the Excentive Mansion, and thence to the Capitol, where it was expected to unfurl the flag which he has carried on his tuarch from the hickert balance of the dama of the hest baloony of the dome of the

edifice. After the performance of a lively air by the band, Sergeant Bates made his ap-perrance at the door, and was greeted with a hearty round of cheers from the large erows, prominent among when were to be noticed a great many, of the soldiers of the several regiments in and around Washington, who accord highly the two to the several regiments in and around Washington, who accord highly the two to the several regiments in and around Washington, who accord highly the soldiers of the several regiments in and around to vote a ticket in the future, I the two to the several regiments in and around the several the several regiments in and around the several regiment in th round Washington, who seemed highly if he is to vote a ticket in the future, I leased to welcome their late comrade in what him to yote seconding to law. Yours is the same banner denounced by Radical organ thust than fourteen hundred miles, will now plant it in glosy and triumph upon the ome of the National Capitol. [Applause. At the conclusion of the address of Mr. Eldridge, General Wm. Mungen, of Ohio, was introduced, who said :

Speech of Hon. Mr. Mungen.

Fellow-Citizens: I have been called Your mistake, Mr. Sorgeant, is an in-nocent and a national one. You believed apon to say a few words, having served at Vicksburg, from Chickasaw Bayon to the in the profession of these men. You thought their laud boasting of love for the Union was sincere. The people once thought like you, but like yourself they surrender of the city. Starting from Vickeburg, the Gibraltar of America, Sergeant Bates has traveled through what tas called a hostile country, without a have found that they keep the word of single cent of expense, meeting everywhere with kindness and hospitality, and receiv-ing pledges of fealty to the Union and the promise to the car but break it to the Ham, and borne him Ather-like upor fing which they sustain to-day. We went your back through the sunny South, and into the struggle to maintain the flag. He landed him safely here, a Itadical Conwas in the conflict, acting nobly and gal-lantly as a soldier. It was not my pleasgress would have opened wide those bolt ed doors, and when you thrust your sable brother-the American citizen, of Afri-can descent-into the outstretched arms of are to be acquainted with him personally but I think I know his face. The treat ment which he received ought to satisfy our Badical gentlemen that the people of the South are more loyal than the man who, in an address at the Smitheonian Inthe Goddess of Liberty which crowns the dome of yonder Capitol, one loud, long about of joy would have gone up from those gilded halls below, and you would have been bailed as a here and crowned atiuntion, delivered a few years ago, and during the war, boasted that he had labor-ed for nineteen years to dissolve the with laurel. Seated in that same Capitol from which

you are driven, they strike down the Su-preme Court, trample upon the Constitu-tion of our fathers, ride over the sacredness of law, and, in the madness of their wrath, drunken with power, they are this moment enacting the solenn farce of im-peaching a President for the high crime and misdemeador of refusing to bow down to their party fish, and during to stand between them and future power, "This "traitor President" gave you and

plause.] These addresaes concluded, three hearty the flag a warm welcome to-day, and the loyal Senate, flat bars you out of the Capitol, may, for that crime, frame anoth er charge in their bill of indictment.

moved up Fourieenth street to Pennsyl-vania averue.
The Sergeant was the central figure of the line, and with his flag loadly elsered as he passed along Fourteenth street. He was flanked on other side by Officers Haghes and Whitmore, who were detail-ed by order of Major Richards to guard the patriotic pedestrian from "outside pressure."
Passing the corner of Fourteenth street and Paomaylvania avenue, the crowd had
