First Annual Compliment

TO THE KIND PATRONS OF
W. J. RAMSAY & CO.

For the liberal encouragement received by them for the first year in their business, and hope a continuance of the same, promising to give general satisfaction.

W. J. R. & Co. have the pleasure to state to the public generally, that they have lately returned from the North with a splendid assortment of Goods in their line, part of which was expressly imported by them from England, in order to warrant the article, and as for cheapness, they pledge themselves to sell, for cash or to punctual customers, even 10 per cent. lower than the New York prices, in consequence of house rent being cheaper in Raleigh than in New York by six hundred per cent. Their stock consists principally of the following articles:
