PUBLIC MEETINGS.

THE PEOPLE against THE CAUCUS.

"The *real people*, occasionally assembled, in order to express their *sentiments* on political subjects, ought never to be confounded with *permanent, self-appointed* societies, USURPING *the right to* CONTROL THE CONSTITUTED AUTHORITIES, and to DICTATE TO PUBLIC OPINION. While the former is entitled to RESPECT, the latter is *incompatible with all* GOVERNMENT, and must either sink into general *discontent*, or finally OVERTURN THE ESTABLISHED ORDER OF THINGS."

MEETING IN WAKE.

Pursuant to public notice, a meeting of the Citizens of Wake county, about 150 in number, was held at Col. Allen Rogers' Store, on Saturday, the 13th instant.

On motion, Zadock Daniel, Esq was appointed President, Dr. B. Rogers, Vice President, and John K. Moore, Secretary.

The objects of the meeting having been explained by Dr. Thomas Hicks, in an appropriate and eloquent Address,

On motion, a committee was appointed consisting of Thomas Hicks, John Shaw, sen Jesse Gill, Alfred Bevers, William S Ligon and James Hicks, for the purpose of drawing up Resolutions expressive of the views of the meeting. The Committee having retired for a short time, returned and reported the following Resolutions:

1 *Resolved*, That we cordially concur with the White meeting held in Raleigh on the 30th ult. in their nomination of Hugh L. White, of Tennessee, for President, and John Tyler, of Virginia, for Vice President of the U. States.

2. *Resolved*, That we concur also with the above mentioned meeting, in their nomination of Edward B. Dudley, of Wilmington, as a suitable candidate for Governor, to be run by the friends of *Hugh L. White* at the ensuing August Election.

3. *Resolved*, That if there be any person or persons present who voted to send a Delegate or Delegates to the Convention held in Baltimore on the 20th May last, that they will make it known.

4. *Resolved*, That we deprecate as grossly unjust, the false and arrogant claims of a few Van Buren partizans to send delegates to Baltimore to represent the county of Wake in a nomination of President and Vice-President, without consulting the voters of said county.

5. *Resolved*, That this meeting reposing confidence in the patriotism, integrity and Republican principles of WESTON R GALES, do hereby recommend him to their fellow-citizens of Wake generally, as a suitable candidate to represent this county in the Senate of our next Legislature, to be voted for at the ensuing August election by the opponents of Martin Van Buren, of New York.

6 *Resolved further*, That this meeting reposing confidence in the patriotism, integrity and Republican principles of ALFRED JONES, ALLEN ROGERS and GEORGE W. HAYWOOD, do recommend them to their fellow-citizens of Wake as suitable persons to represent this county in the House of Commons of our next General Assembly, to be voted for by the friends of Judge White, at the ensuing August election.

7. *Resolved further*, That having perfect confidence in the integrity of Col. Dempsey B. Massey, we recommend him to our fellow citizens to be voted for as Sheriff for the county of Wake at the ensuing August Election.

The Resolutions having been read, were separately adopted without a dissenting voice.

When the 5th Resolution was read, there was no response from any quarter.

On motion, the meeting then adjourned.

ZADOCK DANIEL, Prest.
B. ROGERS, Vice-Prest.

JOHN K. MOORE, Sec'y.

MEETING IN BUNCOMBE.

Agreeably to public notice, given on Tuesday, a large and respectable meeting of the Citizens of Buncombe county, North Carolina, was held in the Court House, in Asheville, on Wednesday the 10th day of February, 1836, after the adjournment of Court for the purpose of nominating suitable Candidates for the Presidency and Vice-Presidency, and for Governor, and, also, to adopt some measures to appoint an Elector in this District.

On motion of N. W. Woodfin, Col Samuel Chunn was appointed Chairman, and M. Patton, Secretary. The object of the meeting was explained by Col. Chunn, in plain and forcible remarks.

On motion, the following Resolutions were adopted, after discussion, by the meeting, almost unanimously, not however without an attempt on the part of the friends of Martin Van Buren, to defeat the object of the meeting, by offering Resolutions of a different character:

Resolved, That this meeting view it as their fashionable right to give their suffrages, in the approaching Presidential election, to the man of their choice, the recommendation of the Baltimore Convention to the contrary notwithstanding.

Resolved further, That we view HUGH L. WHITE, of Tennessee, a man altogether qualified to fill the Office of Chief Magistrate of this nation, and better calculated than any other candidate in nomination before the American People, to conciliate good feelings and unite conflicting parties, which so unhappily exist in our country, and therefore, by all the honorable means in our power, that we will support his election.

Resolved further, That for the purpose of forming a White Ticket in this State, we deem it necessary and expedient, that those who are friendly to the election of Judge White, should hold meetings in the different counties in each Electoral District, and recommend some suitable person to be supported as an Elector.

Resolved further, That the Chairman be requested to nominate three Delegates, on the part of the county of Buncombe, to meet such Delegates as have, or may be appointed by the other counties composing this Electoral District, to attend a Convention to be holden in Asheville, on the first Thursday in April next, to agree upon an Elector to be run on the White Ticket.

Resolved further, That we recommend to our fellow-citizens of the United States, the name of the Honorable JOHN TYLER, of Virginia, as a suitable person to fill the office of Vice President.

Resolved further, that we approve of the nomination of Gen. EDWARD B. DUDLEY, of Wilmington, as the Whig candidate for Governor of North Carolina.

The Chairman, in pursuance of the authority given him by the 4th Resolution, appointed Col. James Lowrie, Col. John Clayton and Col. Samuel Davidson, Delegates on the part of Buncombe county, to attend the Convention to be holden in Asheville, on the first Thursday in April next.

On motion of N. W. Woodfin,

Resolved, That the proceedings of this meeting be signed by the Chairman and Secretary, and that copies be sent to the Editors of the Raleigh Register and North Carolina Gazette for publication.

On motion of B. S. Gaither, the meeting adjourned.

SAM'L CHUNN, Ch'n.

MEETING IN ROWAN.

On Tuesday the 16th instant, in pursuance of previous notice, a large and respectable meeting of the citizens of Rowan county assembled in the Court-house in Salisbury, to nominate a candidate for President and Vice President, a candidate for Governor, and an Elector for this District. On motion of H. C Jones, Gen. Thomas G. Polk was called to the Chair, and the following gentlemen requested to act as Secretaries, viz: R. N. Fleming, Esq., Noah Partee, Esq., Gen. Wm. R. Kerr, I. Haines, Esq., N. Chaffin, Esq; Col. E. D. Austin, A. Roseman, Esq., and Jacob Holdshouser; and Doct. John Scott and Rufus H. Kilpatrick requested to act as Secretaries. After a brief address from the Chair, in which the objects of the meeting were forcibly and eloquently explained, Ashbel Smith rose and introduced the following Preamble and Resolutions, which were advocated at some length by the mover, and by Mr. Craige, Mr. Jones, Mr. John Giles, and Mr. Fisher, and *unanimously* adopted:

Whereas, We the freemen of Rowan believe that a people which desires long to preserve its freedom should at all times be watchful of the Agents to whom they delegate power:—that the present time when the pensioned presses of a corrupt Administration are striving to lull the people into a false and fatal security, is one especially demanding vigilance:—that a crisis is silently and rapidly taking place in our Government, dangerous, and unless arrested, fatal to our liberty:—that the free institutions of our beloved country, earned by the blood and treasure of our fathers, are threatened to be overwhelmed by the flood of Corruption emanating from the Federal Government through the channels of its *patronage*:—that this patronage instead of being employed for the good of the people at large as was intended by the framers of our Constitution, has been wickedly perverted by a set of designing men, in order to impose on the country as its next President Martin Van Buren, an individual who has shown himself inimical to Constitutional Liberty—by his endeavors to substitute man-worship for patriotism, and the love of office and its emoluments in place of the love of country:—that, the Executive Branch of our government is rapidly usurping those powers which belong to the other Departments: that a regular, systematic warfare is waging against our domestic Institutions by a portion of our fellow citizens:

For these and other reasons contained in our Resolutions of May last: reasons, to which the further developements of the progress of corruption and usurpation have given an additional and most alarming wieght—we again solemnly

Resolve, That we are opposed to the election of Martin Van Buren to the Presidency, because he has been dictated by the present incumbent as his successor in derogation of the freedom of elections,—because he is the candidate of that irresponsible Cabal of Office-holders and Office-seekers, not authorized by nor representing the people:—because his public acts have shown him to be hostile to the peculiar institutions of the South, to our principles and great interests:—because his election would tend more firmly to establish that system of Official Bribing and official proscription for opinion's sake, that wasteful extravagance in public expenditures, the usurpation by the Federal Executive of powers not granted by the Constitution, and the odious and onerous measures which are now sapping the foundations of our Freedom.

Resolved, That we are, for the same reasons, opposed to the election of R. M. Johnson to the Vice Presidency—an individual not eminent for talents or public services—a latitudinarain in construing the Constitution—a regular pensionary on the Federal Treasury—and because we are unwilling to stain the escutcheon of our country's honor by elevating to the second station in our Republic, an individual whose own life is a disgusting exemplification of the most abominable doctrine of those deadly enemies of the South, the Northern Fanatics.

Resolved, That we find no cause to regret the nomination we made in May last of Hugh L. White to the Presidency—a native son of North Carolina, now of Tenn.—but on the other hand additional reason to give him our most efficient support for the fearless and independent stand he has maintained against the corruptionists and man-worshippers who now control the Fenderal Government.

Resolved, That we will support for the Vice Presidency John Tyler of Virginia, a powerful and fearless defender of Southern rights and principles—an unvarying and well tried Republican of the Old School, a patriot who has never bowed the knee to the political Baal of our day.

Resolved, That we heartily concur with our Republican Brethren of Davidson county, in recommending John Giles, Esq., as a suitable person to be placed on the White Electoral Ticket, provided this selection meet the approbation of the other county of this District.

Resolved, That we will support for Governor Gen. Edward B. Dudley, an old and zealous defender of Republican principles, a gentleman pledged only to the interests of our State, in opposition to the candidate of those *trading* politicians among us whose interests are identified with the political preferment of the New York Intriguer.

Resolved, That the attempt of the present Executive to dictate to the people of these United States his successor in office and to interfere with the representatives of the people on other political questions, by writing electioneering letters, transmitting partizan and electioneering speeches and papers as in the cases of the Tennessee and Alabama Legislatures an attack on and in derogation of the freedom and purity of elections, is a violation of his dignity and duty as President, unparalled in the histories of the former Chief Magistrates of our Republic, unequalled except by his shameless avowal and defence of this conduct; and forms in our opinion an example fraught with most pernicious and alarming consequences.

Resolved, That we spurn with contempt and detestation the system which has been practiced by the Van Buren party of deluding the people with splendid promises, showy legislation, and imposing, but empty Treaties. And we regard the attempt to assume to themselves the claim to peculiar Republicanism as a part of that system of fine-sing.

Resolved, That the Committee of Vigilance be increased by the addition of the following members, whose duty it shall be to use every proper effort to arouse the people from the false security and lethargy on the subject of their dearest rights into which the corrupt agents of the present Dynasty are endeavoring to lull them:

[Here follows a list of about 100 names]

On motion of Mr. Craige,

Resolved, That the proceedings of this meeting be signed by the President, Vice Presidents, and Secretaries, and printed in the papers of this town; and that the papers throughout the State, friendly to the cause, be requested to publish the same.

The meeting then adjourned *sine die*.

MEETING IN GUILFORD.

In pursuance of a notice given in the public papers, and by advertisement in different parts of the county, an unusually large and respectable meeting of the citizens of Guilford was held in the court-house at Greensborough on Tuesday the 16th instant—on the subject of the ensuing election of President and Vice President of the United States, and Governor of the state.

The meeting was organized by appointing Nathan Hunt, jr. president of the meeting.—Col. James Neeley, Henry Tatum, David Thomas, Esq. and Col. Daniel Clapp vice presidents,—and A. E. Hanner and Jesse Wheeler secretaries.

The object of the meeting was explained in a full and appropriate manner by George C. Mendenhall, Esq. after which

The following resolutions were introduced by Joseph Gibson, Esq. and adopted with one dissenting voice.

Resolved, That we disapprove of the nomination of Martin Van Buren to the presidency of the United States, because we believe him to be destitute of political honesty and candour—because his opinions on many subjects deeply involving the welfare of the country are entirely unknown to the American people—and because his opinions, where they have been revealed, many of them, are dangerous to liberty and destructive of free governments: and further, because we look upon him as the father of that system of political strategy which looks upon and uses the officers of the government as an army of soldiery to operate upon elections and to carry party measures, a course hitherto unknown in the history of our government, and which has a direct tendency to take the election of president and vice president out of the hands of the sovereign people of these United States and place the same in the hands of a few trading politicians and interested office-holders.

Resolved, That we denounce the Baltimore convention, by which Martin Van Buren and Richard M. Johnson were nominated to the presidency and vice presidency of the United States, as a self-constituted and irresponsible Caucus; and that all such assemblies, similarly constituted, are dangerous usurpations of the rights of the people and ought not to be tolerated in a free government.

Resolved, That this meeting will support for the office of president of the United States, HUGH L. WHITE, a native son of North Carolina, and that we respectfully recommend him to the confidence and support of our fellow citizens as one from whose hands they may confidently rely for an able and honest administration of our national affairs.

On motion of Col. James Denny,

Resolved, That we look upon the office of vice president of the United States as one highly important and responsible, and that it ought to be filled by a man alike distinguished for his ability and for a moral and political purity of life, and that we look upon the Hon. JOHN TYLER, of Virginia, as possessing these qualifications in an eminent degree, and that we recommend him to the confidence and support of our fellow citizens.

On motion of Henry Tatum, Esq.

Resolved, That we have the utmost confidence in the ability, integrity and republican principles of EDWARD B. DUDLEY, of the county of New Hanover, and that we recommend him to the people of North Carolina, as a suitable person for governor of the state, believing, from his past services, and devotion to his country, that he would discharge the duties of that high office, in a manner which would receive their entire approbation.

On motion it was

Resolved, That Ralph Gorrell, Mordecai Mendenhall, Eli Smith, Charles W. Peeples, and David Worth be appointed as delegates for the county of Guilford, to meet and confer with such delegates as may be appointed by the counties of Randolph and Chatham, for the purpose of selecting some suitable person as an Elector for this electoral district, to vote for president and vice president of the United States.

It was

Resolved, That a vote of thanks be given to the Chairman for the able manner in which he has discharged the duties of his appointment in presiding over this meeting.

Resolved, That the proceedings of this meeting, signed by the president and secretaries, be published in the Greensborough Patriot, the Carolina Watchman, and the Star and Register at Raleigh, and in all other papers of the state, whose editors are friendly to our proceedings.

MEETING IN MECKLENBURG.

Previous notice having been given, a very large number of the Citizens of Mecklenburg county, friendly to the election of Hugh L. White to the Presidency, assembled at the Court-house in this Town, on Tuesday last, the 16th instant, for the purpose of consulting upon the political state of the country, and of selecting suitable candidates to be run upon their Ticket for the Vice Presidency and for the office of Governor of the State of North Carolina.

The meeting was organized by the appointment of Dr. D. R. Dunlap as Chairman, and of Capt. Isaac S. Alexander, and Jas. H. Blake, Esq. as Secretaries.

The meeting was addressed by Franklin L. Smith, and James W. Osborne, Esqs., upon the subjects under consideration, in language made more eloquent by the patriotism and truth which prompted and characterized it.

After which, the following Preambles and Resolutions were introduced by Mr. Smith, and adopted without a dissenting voice from the immense audience:

Whereas, in a Government emanting and deriving its power from the people, the preservation of its Republican simplicity and purity depends in a great degree upon its freedom from the influence of favoritism and patronage:

And, whereas, we believe an attempt is now making through such influence, to place in the Presidential Chair, MARTIN VAN BUREN, a man who holds out to his partizans the enticing promise that "the spoils shall be given to the victors," and whose success we believe would be attended with the most disastrous consequences to the best interests of the community:

We deem it a duty we owe to ourselves, our children, and our country, to use every honorable effort to preserve our Government from the dangerous influence of such principles, and to prevent an evil so much to be deprecated. Therefore,

1. Resolved, That we will support, by all proper and honorable means, the election of HUGH L. WHITE, of Tennessee, to the Presidency, and JOHN TYLER, of Virginia, to the Vice Presidency, of the United States—knowing them to be men of sound and stern Republican principles, opposed to Executive interference with the freedom of elections, opposed to the system of rewards and punishments for opinion's sake, opposed to surrendering the Government into the hands of the office-holders, opposed to Caucus Dictation, and, in short, opposed to every principle in politics not plainly derivable from the letter of the Constitution.

2. Resolved, That Jas. H. Blake, Esq. Andrew Grier, Esq. John Hart, Esq. Col M. T. C. Kennedy, and Dr. Joseph M'Knitt Alexander, be appointed delegates from this County to meet those appointed from the Counties of Lincoln and Cabarrus, at this place, on Thursday, to select some proper individual to be placed upon the Republican, Whig Electoral Ticket for this Congressional District.

And whereas, by the Amended Constitution of this State, the choice of the Chief Magistrate of the State has been given to the qualified voters of the same, (to whom of right it only belongs:) And whereas, Gen. Edward B. Dudley, of New Hanover county, has already been nominated to the said office by meetings of the People of the State: And whereas, we belive him to be of sound and uncompromising Republican principles—that he was such when Republicanism meant something more than the spoils of office—a gentleman of unimpeachable patriotism, of undoubted ability, and of undaunted public spirit and love for the State: Therefore,

Resolved, That we will extend to Gen. EDWARD B. DUDLEY, of New Hanover, our cordial and zealous support for the office of Governor of the State of North Carolina, at the election in August; and that we recommend him to the suffrages of every friend to the State, of whatever political party.

On motion of James W. Osborne, Resolved, that the proceedings of this meeting be published in the Charlotte Journal, the two Salisbury papers, the Raleigh papers, and all others in the State friendly to the cause.

DAVID R. DUNLAP, Chairman.

ISAAC S. ALEXANDER,
JAMES H. BLAKE, } Secretaries.

MEETING IN HALIFAX.

In conformity with a previous notice, a meeting was organized on the 16th February, by calling the Hon. Willis Alston to the Chair, and appointing Daniel Allen, Esq. Secretary. There were upwards of an hundred persons present. The object of the assemblage was explained in a clear and forcible manner by the Chairman—Mr. B. Moore then presented resolutions, nominating Judge White of Tennessee, for the Presidency, Governor Tyler of Virginia, for the Vice Presidency, and Gen. Edward Dudley of Wilmington, for Governor. He made a few cogent and appropriate remarks. He spoke of the tedency of this Government towards power: He deeply regretted the situation of our affairs: He called the people to the rescue—apathy on their part, he thought dangerous to the permanency of free institutions. His manner was fine and striking: His remarks met with a hearty amen. The resolutions passed unanimously, and will be published in our next.—*Adv.*

FRAGMENT.

We are all mariners on this sea of life—
And they who climb above us up the shrouds,
Have only, in their overtopping place,
Gained a more dangerous station, and foothold
More insecure. The wind that passes over,
And harmeth not the humble crowd below,
Whistles amid the shrouds, and shaketh down
Those overweening climbers of the ocean
Into the great gigantic vast of death.

EPIGRAM.

AN INVITATION.

Look in to-morrow evening, do dear B.
We'll have a little reason after tea.

THE RESPONSE.

What do I hear? you've lost your wits this season;
What! *reason after tea*?—Why, that is t-re son!

A plea of "Nolo contendere,"—A native of the Emerald Isle, being brought before a court in Massachusetts, for assault and battery, was asked if he was guilty, or not guilty? "Guilty! by the powers," exclaimed he, making demonstrations of more fight, "hsint a man a right in a *free* country to knock down any body he pleases widout bein guilty of salt and batters, I'd ax ye'" The court answered this in the negative. Pat was a little at a loss what to say. He did not like the word *guilty*; and yet he gloried too much in his character as a boxer, to wish to deny the charge.

While he was hesitating what to say, a gentleman of the bar whispered to him to put in a plea of "*nolo contendere*." "Nullen gententer ye!" said the Irishman, who was better acquainted with the shelalah than with law Latin, "what's the maining iv that?" The meaning is that you'll not contend with the country, said the lawyer. 'Noligen tenter ye,' said the accused turning to the bench—'that is to say, I'll not contend wid the *whole country*' but by St. Patrick,' spitting on his hand, "*I can whip any three iv ye at the same time*"

The great Chancery lawyer, Trevor, among his other qualities, was a great lover of economy. He had dined by himself one day, at the Rolls, and was drinking his wine, when his cousin Roderic was unexpectedly introduced by a side door. "You rascal!" exclaimed Trevor to his servant, "have you brought my cousin Roderic Lloyd, Prothonotory of North Wales, Marshal to Baron Price, and a hundred grand things, up my back stairs?—Take him instantly down my back stairs, and bring him up my front stairs." In vain Roderic remonstrated; and while he was being conveyed down the back and up the front, his honor removed the bottle and glasses.—*Wandering through North Wales.*

CIRCULAR.

The Subscribers, Importers of, and Dealers in China, Glass and Earthenware, whose stores were destroyed by the great fire of 16th and 17th December, would respectfully inform their customers throughout the Union, of their present locations; also of the fact, that owing to the long passages of the European packets previous to the fire, and their remarkable short passages since, they are now, generally, in possession of a better assortment of goods than they usually have at this season of the year. From the very large orders previously given to the manufacturers, it is expected that the assortment of the present season will, in quantity, be fully equal, and in its quality, superior to that of any former year, it being composed of the most recent and beautiful designs, without any mixture of old unsaleable patterns.

TO PHYSICIANS.

DR. SAM'L C. BELLAMY having removed to Florida, would respectfully call the attention of the faculty to the location he formerly occupied in the town of Kinston, in Lenoir county, N. C.

There is not a situation in the State at which a *regular-bred* physician will be more needed, or one at which he who would devote himself assiduously to his profession would do a finer business.

His medicines, if desired, can be had, at the place, for less than the Philadelphia cost. They are in the care of W. Wilcox, Esq. to whom, or to Col. I. Croom or to Gen. T. Lovick, reference may be made concerning the location.
