BEEF AND PORK FOR THE

BEEF AND PORK FOR THE YEAR 1837. NAVY COMMISSIONER' OFFICE, July 7, 1836. SEALED offers, endorsed "Offers for Beef," or "Offers for Pork," as the ease may be, will be received at this office until 5 of lock P. M. of the With day of August next, for furnishing and delivering, free of all cost and charge to the United States, 8,400 barrels of Navy Heef, and 8,400 harrels of Navy Pork, each barrel to con-tain 200 paunds next weight of beef or of pork; 2 800 harrels of the beef, and 2,300 harrels of the park must be delivered at each of the may sards. Charlestown, Massnehusetts, Brooklyn, New York, and Grosport, Yirginia, respectively.

sarda, Charlestown, Massachusetts, Brooktyn, New York, and Gosport, Virginia, respectively, One-fourth of the quantity of beef and of pork deliverenhle at each of the said navy yarda, must be delivered on or before the 15th day of December next, and the remainder must be deliver-ed between the 15th day of December next and

ed between the 15th day of December next and the 15th day of May, 1837. The best must be packed from well fattened eattle, weighing not less than six hundred pounds nett weight. All the legs and leg rounds of the hind quarters, and the elods, neck, or sticking pieres, shins, and checks of the fore quarters, must be abolic evaluated from the horsel, and must be wholly excluded from the burrel, and the remainder of the carsas must be out in

pirces of not less than eight pounds each. The park must be corn fed and well fattened. All the skulls, feet, and hind legs entire, must be excluded from the barrel, and the remainder of the hog must be cut in pieces weighing not less than six pounds each: not more than three shoulder pieces and one jowl and a hall, or the lowis of a hog and a hall, shall be showed to a sarrel.

The whole quantity of the said beef and pork must be shughtered between the dates of the se-ceptance of the respective offers and the periods of definery, must be thoroughly saited or struck with the best quality clean, course, Turk's le-land, lale of May, or St. Ubes sait, and no other, and after remaining a sufficient time for the salt to peaktrate the meat in the most thorough manit is to be packed with a sufficient quantity of the same quality of salt and five ounces pure salipetre, pulverized; the salt used in strik-ing must be carefully separated from the pieces,

and the pieces must be drained or placed on in-clined boards, and suffered to remain in that state for some time before the pieces are put in the barrel. The barrels must be made of the best season

ed heart of white oak, free from sap wood, and the staves must be at least three-fourths of an inch thick, and not more than four inches wide; they must be fully and substantially hooped and nailed, and an iron hoop at least one inch in width must be put upon each chine, for addition-af security against leakage, by, and at the expense of, the respective contrastors. Each bar-rel must be brainled on its head "Navy Beef," or "Navy Pork," as the case may be, with the "Contractor's name," and the "year when meked."

The beef and the pork will be inspected

by the inspecting officers at the respective navy yards, and by some "sworn inspector of salt provisions," who will be selected by the respective commanding officers; but their charges for such inspections must be paid by the respective contractors, who must likewise have the barrels put in good ship-ping order, to the satisfaction of the commandants of the respective yards, after the inspections, and at their own expense.

Bidders must specify their prices separately and distinctly in separate offers for the beef and for the pork, and for each of the places of delivery, covering all their expenses and charges; the names and residence of the sureties offered must be specified, and sufficient and competent evidence of the willingness of the individuals named to become sureties, and of their responsibility as such, must be furnished, and must accompany the respective offers. Bonds in one third the amount of the res-

ctive contracts will be required, and ten per centum in addition will be withheld from the amount of each payment to be made, as collateral security for the due and faithful performance of the respective contracts; which will, on no account, be paid, until the contracts are complied with in all until the contracts are complied with in all respects. After deducting ten per centum, payment will be made by the United States within thirty days after the provisions shall have been inspected and received, and bills for the same, approved by the commandants of the

STEVENSON & POINTS' OFFICE, Raleigh, N. C.

OFFICE OF THE PETESBURG RAIL ROAD COM PANT. Great Northern and Southern

Daily Mail Route. The Petersburg Rail Road Company inform the public that their Road, extending from Peteraburg, Va., to Blakeley, North Carolina, on the Boanoke, a distance of 60 indies, and consti-tuting a part of the GREAT DAILY MAIL ROUTE North and South, is now amply pro-vided with superior Locomotives and Cars, to accommodate all the travel that may offer. The Cars leave each end of the road daily, on the arrival of the respective Mails. Travellers with their own equipages, can have their horses and carriages transported on this road, with perfect and convenience; and thus, perform in 5

or 6 hours-while resting their borses, a journey which would otherwise require two days to ue complish. The Blakeley Hotel at the southern termina

tion of the Rail Road, has been re-built of brick on an enlarged scale, and no pains will be spared to render its accommodations such as will give satisfaction to passengers and travellers gen-

erally. Besides the daily line of Mail Cosehes from Biskely for the South, via Raleigh, Fayetteville, &c. there is a *line via Tarboraugh* three times a week, connected with the Muil Line at Payette-ville, and also a line from the Rail Road at BEL-FIELD to CLARKSVILLE, MILTON and DANVILLE.

Another tri-weekly Line from Blakeley, pass-es through WARRENTON, OXFORD, &c. and connects with a line to SALISBURY, N. C. In the conrect of the present seasons, a branch will be opened from the Petersburg-Rail Road at Belfield, to Wilkins' Ferry at GASTON, on the ROANOKE, from whence a Bail Road to cross the river by a bridge, is now about to be constructed to Raleigh. The Rail toad from Baltimore to Washing-ton is now in operation, thence to Potomas hud-

ton is now in operation, thence to Potomas land-ing, the line is continued by Steamboats; thence on FREDERICESBURG to RICHMOND, a -and the remainder is in a rapid course to com-pletion. The line continues from Rishmond to Petersburg, by a turnpike road—and thence by the Petersburg Rall Road to Blakeley, as before mentioned in the second of the New York States mentioned, is the main and any DAILY MAIL ROUTE BETWEEN BOSTON AND NEW ORLEANS.
