From the Pendleton Messenger.

If you would permit me to suggest a plan, I would recommend that every out distinction of party (for it equally concerns us all) shall give a standing place in the columns of his paper to Judge Upshur's prospectus, and shall dispensable to our safety and reputaopen a subscription in his office for the work and shall from time to time call the attention of the public to the importance of extending an efficient patronage to it.

I would in the next place suggest, that a subscription be opened in the Clerk's office in every county through out the slave-holding States and one be placed in the hands of every Sheriff willing to take charge of it. If there be no printed subscription one in manuscript can easily be prepared. The subscription is \$5 annually. To carry this suggestion into effect will require the subscription of the country this suggestion into effect will require the subscription is \$5 annually. flerce upon it.
