

of which he was... which was, in substance, as follows: that in selecting the deposit banks provided for by the act, the constitutions should be preferred which are owned in whole or in part by the State Government; that if any of the points specified, there should be no bank to own, then the deposit bank should be selected by the Legislature of the State; and if the Legislature should not be in session, then by the State Executive. On this amendment, the discussion arose, which continued until the adjournment of the session. SENATE. Thursday, March 8. The Senate resumed the consideration of the Treasury bill. After some remarks by Mr. Davis and Mr. Niles in opposition to a suggestion that the bill be referred to a committee, Mr. Preston said that he had received a letter from the Secretary of the Treasury, dated the 27th inst., in which he had advised that the bill should be referred to a committee. Mr. Preston then moved that the bill be referred to a committee. The motion was carried. HOUSE OF REPRESENTATIVES. Various resolutions were presented, after which the North Eastern Boundary question was taken up, and occupied the remainder of the day's sitting. IN SENATE. Friday, March 9. The Senate resumed the consideration of the Sub-Treasury bill. Mr. Bayard concluded his remarks in opposition to the bill. Mr. Morris spoke on the subject generally, being opposed to the bill in its present form, but in favor of it with certain modifications. On motion of Mr. Calhoun, who expressed his desire to speak to-morrow, the Senate adjourned. HOUSE OF REPRESENTATIVES. Mr. Howard moved that the House proceed to consider the report of the Committee of Conference on the disagreeing vote of the two Houses respecting the amendment to the neutrality bill, which was agreed to. Mr. H. then stated and explained the compromise which had taken place in the Committee of Conference, and the result to which they had arrived. After debate, the previous question was then put, and carried; and the main question, viz: on agreeing to the report of the Committee of Conference, was decided in the affirmative by yeas and nays, as follows: Yeas 105, Nays 51. So the House concurred with the committee in their report. The Chair thereupon announced that the House having received official intimation that the Senate had previously concurred in the same report, the bill was passed. PUBLIC MEETING, IN CHOWAN COUNTY. At an adjourned meeting held at William Pearce's for the purpose of taking into consideration the proceedings of the Abolitionists, on Saturday the 24th inst., Jacob N. Parker was appointed Chairman, and Peter Parker appointed Secretary. The following Preamble and Resolutions were then adopted. Whereas, a spirit of blind fanaticism has been and is now extensively prevailing among our brethren of the North, urging them to an unauthorized and obtrusive interference with the internal government and domestic policy of the Southern States of this Confederacy, and threatening in its consequences not only to shake the basis of our beloved Republic, but to eventuate in its entire demolition. And Whereas, this meeting is deeply impressed with the importance and necessity of devising means to check the advances and repel the assaults of the advocates of Abolition, and of assuring them that we are resolved to renounce and surrender none of our just rights at their dictation. And Whereas, in the opinion of this meeting, the period has arrived when it is highly incumbent upon the citizens of the slave holding States to declare to the world, and that in language too plain to be misunderstood, what must and will be the ultimate end of the mischievous and ungenerous, not to say iniquitous course, pursuing towards them by the people of the North; therefore be it Resolved, That we do highly appreciate the blessings and privileges won by the lot of our forefathers, that we are determined, by the assistance of Providence, to preserve them inviolate, and to transmit them unimpaired to our posterity. Resolved, That it is our fixed and unshakable determination never to submit to any interference with our domestic institutions, and that we regard all attempts at such interference as an insult to our honor, and as an affront to the honor of our country, and as an insult to the principles of our Government. Resolved, That if slavery be an evil, as asserted by the Abolitionists, it is one which affects the slave-holding States solely and exclusively, and such being the case, does not demand the exercise either of Northern patience in enduring it, or Northern exertion in its abolition. Resolved, That it is strongly recommended to the citizens of the Northern and Western States to employ the exuberance of their benevolence and philanthropy in the exercise of charitable offices, having for their object the relief of the suffering poor who constitute so large a proportion of their own population, reminding them of the ancient proverb, that "Charity should begin at home." Resolved, That our Senators and Representatives be requested to put their feet on all abolition petitions or memorials, either with regard to the District of Columbia or any where else, believing them to be derogatory to the safety of the Union. Resolved, That the aid and co-operation of every County of the State be earnestly and respectfully solicited in accomplishing the object of this meeting. Resolved, That we coincide with our fellow citizens of Bertie in the opinion expressed by them at a recent meeting held in the town of

Windsor, that a Convention of the people of North Carolina should take place—and for the furtherance of this object it is also hereby resolved, that 23 persons be appointed by the Chair, and directed to open a correspondence with such other persons as they may deem necessary to carry into effect the purpose of their appointment. Resolved, That while we feel the most unqualified aversion to the abolitionists, we entertain nobly towards those citizens of the North who have nobly exposed their mal and nefarious designs, and who have exhibited a proper regard for the constitutional rights of the South, the kindest feelings of friendship and esteem, and as an earnest of our sincerity, wish them a speedy disengagement from such low and disreputable company. The following gentlemen were appointed by the Chair as a Committee of Correspondence: Allen Small, Henderson Simpson, Everard Garrett, R. D. Simpson, Benj. White, Wm. R. Skinner, George M.
