The Society in Windsor, and, indeed, the...
country generally, is excellent. There is much...
intelligence, sociability and hospitality...
and, last of all, a ready disposition to patronize...
and remunerate the labors of the press. A large...
portion of the lands are fertile; and even that...
which is poor is valuable on account of the...
timber—producing staves, tar and turpentine...
in abundance. They have great facilities also...

mountain wave to any part of the world, winds...
the crooked course of its dark way up into the...
heart of the county, like a serpent sleeping...
in its coil. On this river, as well as on the...
Sound, the Roanoke and Chowan, there are...
several valuable Fisheries. I visited Messrs...
Capehart and Sutton, on the Sound, and Mr...
Jos. Hiley, on the Chowan. Having never seen...
any thing of the sort before, I was...
highly gratified at the sight of a seine, about a...
mile in length, thrown out, with two ends...
brought to the beach, forming a semi-circle...
some hundred yards in extent, and gradually...
drawn up by horse power, until the fish, many...
thousands at a time, are thrown up, and...
"dressed" upon the shore. They sometimes catch...
100,000 herrings at a haul! The proprietors of...
these Fisheries are gentlemen of great wealth...
who represented the business in propria per-...

SOUTHERN CONVENTION.

The Convention, called for the purpose of...
adopting measures to establish a direct import...
and export trade between the Southern States...
and Europe, met at Augusta, Geo., on the 2nd...
inst. Col. Thomas Butler King, of Glynn...
county, Geo., was chosen President. Fayetteville...

resolutions adopted by the Convention. We...
have not had time to carefully read them; but...
we presume they are such as are calculated to...
ensure a unanimity of vigorous action on the...
part of the Southern States.

OUTRAGE ON THE AMERICAN FLAG.

The Steam Packet Columbia, Capt. Wright...
while on her passage from Galveston and Velasco...
to New Orleans, was fired upon by two...
Mexican vessels of war. The following is an...
account of the transaction signed by the pas-...
sengers of the Columbia. The brig mentioned...
below is the new sloop of war Iguales, said to be...
commanded by Commodore Lopez, carrying...
from 32 to 36 guns, and believed to have 200...
men on board. The other vessel was the Iru-...
bide, commanded by an American named Dav-...
is, carrying 18 guns, also with a large number...
of men. Capt. Wright's forbearance on this...
occasion, is highly commended, as he could...
easily have run down the Iguales.

Gen. Haven, from the Committee of 31, made a...
lengthy report of great clearness and ability...
on the subject of the objects of the Convention...
accompanied by a set of resolutions. The report...
being read, Mr. Memminger rose and addressed the...
Convention in a speech of considerable length...
and of eminent ability, on the causes which...
have conspired to break down the direct foreign...
trade of the South and the remedies to be...
resorted to for its revival.

CONNECTICUT.

We are highly gratified to state that Con-...

Resolved, That when this Convention...
adjourns, it shall adjourn to meet at Augu-...

that a committee of correspondence be ap-...
pointed, whose duty it shall be to take the...
proper measures to enlist the feelings of the...
people, and secure a cordial co-operation on...
the part of the States interested in the ob-...
jects of this Convention, and to secure a...
full representation from every part of those...
States.

Resolved, That it is recommended to...
the members of this convention, to assemble...
the citizens of their counties, or districts...
and urge upon them the expediency of pro-...
moting the measures recommended by this...
Convention, and particularly of forming Limited...
Partnerships, under the laws passed by the...
Southern States as aforesaid.

Resolved, That a direct trade is the...
natural channel of communication between...
nations which offer to each other, the best...
market for their natural productions; and that...
the intervention of a third party must operate...
as a tax upon the exchanges between them.

Resolved, That the Southern and South-...
western States of this Union afford those...
staples with which are purchased nearly the...
whole foreign imports of the country; that...
they are the consumers of a large portion of...
the manufactures of the Southern and South-...
western States; and that naturally they are...
to furnish the channel through which the ex-...
change is made; that on no occasion have...
their citizens been found incapable of main-...
taining themselves in fair competition with...
other sections; and that the diversion of their...
trade from its natural channels, must have...
been brought about by the unequal action of...
the federal Government, or by the abstraction...
of our people towards other pursuits.

Resolved, That in the opinion of this...
Convention such a state of things should no...
longer continue; that the present condition of...
the commercial relations of the country, and...
the distribution of the existing channels of...
trade, afford an opportunity of breaking down...
the transients which have so long fettered...
commerce, and restoring to the South its...
natural advantage; and that it is incumbent...
upon every man, who has heart the good of...
his country, to lend his best exertions to the...
promotion of those objects and to establish...
his trade upon a solid and permanent basis.

Resolved, That this Convention is fully...
aware of the difficulties to be overcome in the...
prosecution of their enterprise, but nothing...
daunted thereby, and fully relying upon the...
public spirit and zealous co-operation of their...
fellow citizens, they are determined to ad-...
vance with untiring perseverance; and with...
that view, do earnestly recommend the adop-...
tion of the following measures.

Resolved, That an effort should be made...
to the importers and purchasers at Southern...
seaports, the same facilities which are offered...
elsewhere, and with this view it is recom-...
mended that the Banks in the seaports should...
immediately apply a portion of their respec-...
tive capitals, to the purchase of foreign ex-...

funds in Europe; and that they should afford...
the use of the same to the importing merchant...
upon a discount or collateral pledge of such...

modation be afforded as well upon paper hav-...
ing more than six months to run, as upon...
that having less; and that the Banks of the...
interior co-operate by collecting and remitting...
the proceeds of such paper to the banks on the...
sea coast, that they maintain the credit of...
their Bills and keep down the exchanges by...
redeeming their own paper at the sea ports...
and that on the other hand, the Banks in the...
Southern Atlantic cities make arrangements...
by which the notes of all of them, shall be at...
par in each.

Resolved, That with a view to the im-...
portant subject of equalizing the exchanges...
between Southern, Southwestern States and...
Territories, this Convention earnestly recom-...
mends to the various banks of the principal...
cities of the two States, or such as may be...
conveniently located, to receive the bills of...
each other in their general business, and to...
adopt such arrangements for settlements, at...
short periods, as they may deem suitable and...
proper; the banks against whom the balance...
should fall to furnish funds for settling the...
same, at an interest of six per cent. from the...
date of settlement, and that a committee of...
five be appointed to take such measures as in...
their judgment will carry fully into effect...
the preceding recommendations.

Resolved, That the merchants of the...
South and South-West, be earnestly recom-...
mended to give preference to the importers...
in their own markets, and that they afford...
them an opportunity of fair competition with...
other sections by making their first calls for...
purchases at Southern and South Western...
seaports; and on the other hand, that the...
Merchants at the sea-ports shall for with-...
out importing such stocks of goods, as will...
ensure, at fair rates, a supply to the demand...
from the merchants of the interior.

Resolved, That an earnest and united...
effort should be made to draw home the...
capital invested by the South in Banks and...
Companies abroad, and to employ the same...
together with such surplus capital as exists...
at home, in mercantile or rational and...
character; with this view men of influence...
and character be earnestly invited to afford...
the benefit of their example, by entering into...
Limited Partnerships, under the laws lately...
passed by the States of Virginia, South Car-...
olina, Alabama, Tennessee and Florida.

Resolved, That this Convention cannot but...
view with deep regret, the neglect of all...
commercial pursuits which has hitherto prevail-...
ed among the youth of our country, and which...
has necessarily thrown the most important...
interests into the hands of those who by...
feeling and habit are led into common...

therefore, cannot too earnestly recom-...

citizens of measures to introduce commercial...
education among our youth; to train them...
up to habits of business, and thereby to...
establish a body of merchants whose every...
interest and feeling shall be centered in the...
country which has reared and sustained them.

Resolved, That this Convention is of...
opinion that the establishment by manufac-...
turers in foreign countries of agencies in the...
chief southern ports for the sale of various...
articles exported by them to the United...
States, would be conducive to the restoration...
of the direct foreign trade of the south, and...
