

HOW TO RUIN A SON.

- 1. Let him have his own way.
2. Allow him free use of money.
3. Suffer him to rove where he pleases on the Sabbath.
4. Give him full access to his wicked companions.
5. Call him to no account for his evenings.
6. Furnish him with no steady employment.
7. Pursue either of these ways and you will experience a most marvellous deliverance or will have to mourn over a debased and ruined child! Thousands have realized the sad result, and have gone mourning to the grave.
