### LOCAL DEPARTMENT.

Williamston Township: —I hereby announce myself the People's Candidate as Clerk for the Williamston Township. If e ected, I will endeavor to serve you with freedom, fervency and zeal. Your obedient servant.

BEN GOODMAN, THE RECONSTRUCTED FARMER.-This clean, sensible, energising Agricultural comes to our table, filled to the brim with first-rate se ections, pillared and domed with strong, practical editorials, and exhib-;ting throughout a furniture of thought and language, which renders it truly a valuab e possession to the farmer. Man of the plow, hoe and harrow, how can you do without it.

WARRENTON FEMALE COLLEGE .- It will be seen by his advertisement, that Rev Turner M. Jones has opened this school again, and that he proposes to make it a Seminary of high grade. Our readers all world is one that has money and noknow, that Warren county is filled with one of the most elegant, highly cultivated and hospitable populations in the State, that Warrenton has always been distinguished lie singer that "draws" best is the for its refinement, good health, and educa- mosquito. tional influence, and that a better situation for a female college could not be selected. Mr. Jones has been one of our most success. ful teachers. His graduates are scattered glass. all over the land, and are among our most accomplished and useful women. We predict, that he will do a great deal better away from Kittrel's, than. Kittrel's will away from him. If our citizens want their daughpolished and varnished, let them patronize Warrenton Female College.

GOLDSBORO FEMALE COLLEGE .- Read the advertisement of President Adams. The argument in favor of this institution is, not simply that its faculty is well constructed. and its educational advantages first rate, but that it is the most accessible Female College from Eastern North Carolina If a pupil should require a short vacation in mid-session, or should become sick, or a parent should desire to make his child a visit the communication is short, quick and plea sant Besides; Goldsboro is a most excellent community, the College is not sectari an as almost all the others are, and President Adams his accomplished wife and ex cellent teachers al combine to make the Institution a delightful home, as well as good school for the pupils.

BINGHAM'S SCHOOL -We publish, in th issue, the card of the efficient Proprietor this first-class Acapemy. Under the eld Bingham, now released from his arduor labors; this Institution attained a reputation co-extensive with the entire South. Son of our most eminent mon, in every depart ment of intellectual effort, received the coilege preparation at his hands. We d not know, that the school is now equal what it formerly was. But we do know that it stands very high in educational ci cles, and is rapidly growing in the con dence and patronage of the public. Let ou people encourage good preparatory schools

FACTS FOR THE LADIES .- Mr Wm. H. NEW ARRIVALS CONSTANTLY! Oliver Esq , -Having tried two different kinds of Sewing Machines. I can safely say I far prefer Wheeler & Wi son's I have had one in use eight or nine years.
