LOCAL DEPARTMENT.  
THE COTTON PLANT.—This active little steamer has been taken from the river for a few days, and sent to New Bern for repairs. We will miss her from our waters like a friend on a long journey. We hope she will soon make her appearance again, for she has long been the connecting link between us and the outer world.

LADY'S FRIEND.—The August number of this beautiful Magazine of Fashion, presents a most elegant variety of light reading, a collection of most interesting plates and illustrations, and is altogether one of the most complete works of the kind issued in this country. Send for the Lady's Friend, to Deacon & Peterson, 319 Walnut Street, Philadelphia. Price, \$2.50.

APPLETON'S JOURNAL.—This scholarly paper is devoted to Literature, Science and Art, and fulfills its promises ably and well. Its history of Peabody's gift to the poor of London is alone worth a year's subscription. Its contributors evidently are not of the sensation sort, but are selected for their genius, talents and taste. We commend it to its general excellence, which is surpassed by no similar publication in the land.—Send four dollars to D. Appleton & Co., 96, 92 and 94 Grand street, New York.
