Truman Talk Awaited By The Nation

CONGRESS MARKS TIME TO SEE HOW FAR PRESIDENT WANTS TO GO

WASHINGTON, Dec. 14.—(UP)—Congress marked time today while President Truman made up his mind how he wants to control the American economy.

The President called in ranking senators and representatives of both parties for his second meeting with congressional leaders in as many days. Mr. Truman was feeling his way cautiously, trying to find out how far congress would be willing to go.

Mr. Truman is scheduled to tell the nation his decision tomorrow night in a nation-wide radio broadcast. He is expected to declare a national emergency and ask for more powers to guide the nation for the world crisis.

Dunn Defense Survey Is Being Made

DIRECTOR MIXON SAYS PROGRAM MUST HAVE COMPLETE COOPERATION

Asking complete cooperation from local people, William D. Mixon, recently appointed civilian defense director, is making plans to set up a complete program for the town within the next few weeks.

Mixon is currently evaluating the town's defense resources and making plans. His plan of operations will include a tabulation of medical facilities, fire fighting equipment, shelters to be used in the event the town is bombed, possible evacuation areas, and a public warning system.

All funds for the work must come from local sources, and local people must take all responsibility, it was learned recently, when Director Mixon, along with Senator Robert Young and City Manager Hobbs talked with E. Z. Jones, state director.

Chinese Hit Beachhead Twice Today

COMMUNISTS DOUBLE STRENGTH IN NEW ASSAULT ON TROOPS

By EARNEST HOBerecht United Press Staff Correspondent

TOKYO, Dec. 14.—(UP)—U. S. defenders of the shrunken allied beachhead in northeast Korea beat off 300 more attacking Chinese Reds today and braced tensely for an expected all-out offensive by 10 Communist divisions—more than 100,000 men.

The Chinese hit the Hamhung-Hungnam beachhead defense line a few miles north of Hamhung early today for the second time in 24 hours. They were repulsed by U. S. 3rd Division troops in a two-hour battle.

Gen. Douglas MacArthur's headquarters has claimed a security blackout on all reports of the evacuation by sea of allied troops in the beachhead.

A front dispatch tonight reported "All Quiet" around the half-moon front being held by 3rd and 7th Division troops before the port of Hungnam after the early-morning Chinese attack.

NO DEBATES TODAY

Both houses were scheduled to meet but no important business was up for debate.

ELSEWHERE IN CONGRESS
Yugoslavia aid — House-Senate conferees went to work to iron out differences on bills sending \$38,000,000 (M) worth of American food to starving Yugoslavia. Final Congressional approval was assured. The food is intended to keep open the festering sore between Marshal Tito and Communist Russia.

ACHESON — Senate Republicans trying to get rid of Secretary of State Dean Acheson were still searching for a way to do it that would please all GOP members. They have been arguing over taking a party stand for a week. Some want an "Oust Acheson" resolution approved by the party; others want a "softer" approach.

FEUDING AGAIN
McCarty-Pearson — Sen. Joseph R. McCarty, R. Wis., planned to carry his fight with newspaper columnist Drew Pearson to the Senate. The two men tangled briefly in an exclusive club here a few nights ago. Pearson said McCarty knocked him down by his "usual" weapon—a "hit below the belt." McCarty said he only slapped Pearson "a bit hard... with my open hand."

GOVERNMENT ASSERTS STRIKES CRIPPING SHIPMENTS FOR WAR

By MARK A. FISHER

CHICAGO, Dec. 14.—(UP)—Wildcat strikes by railroad trainmen crippled or slowed rail service in four major cities today despite a U. S. court order here demanding that their union get the men back to work.

The wave of strikes, in which the men reported "sick," began Monday at Birmingham, Ala. Yesterday it spread to Chicago, the nation's east-west rail hub and today spread to Washington, Baltimore and St. Louis. The walkouts spread despite Army warnings that the slowing of rail service hampered the nation's war effort.

The Birmingham strike was settled hurriedly and operations were normal there today.
In Chicago, the strikers, members of the Brotherhood of Railroad Trainmen, walked off their yard jobs at 17 railroads. In Washington, (Continued On Page Seven)
