They're afraid of this picture... IN RUSSIA

If we lived behind the iron curtain, the editor of this newspaper would be a doomed man. For printing *this picture* he would already be awaiting "trial" before a "people's court." For this picture says there is a God! And it says that men and women and boys and girls, whole families—worship God! And it says that even in such a day as this, when cruelty, hatred and oppression are rampant in the world, people can come to Christian churches with courage and hope shining in their faces. Yes, people can depend on God and find Peace and Happiness. Small wonder they fear this picture in Moscow. Its gleaming truth, set free in a land of fear and shadow, might crumble the Kremlin! But you and I... in America... we're not afraid of this picture. We'll be *in it*, with our families, next Sunday!

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
