Tickets Are Available For Coliseum's All-Girl Review

The "Pride of Harnett" Benhaven high girls' basketball team will make that glory-road trip, to tonight and so will a large delegation of Countywide Benhaven supporters.

The Sanford high school band is going to accompany the Benhaven team to the big Raleigh gym. This is a swell gesture on the part of the tion of Countywide Benhaven supporters.

here is an honorable word taken to you. The small Benhaven band will also go along with their team to add color, spirit, and backing for their team.

Tickets for the big games may be purchased at the following places: Kelly's Drug Store in Lillington, Bill Harrington at the Bank of Harnett in Erwin, Erwin Drug Co., Upchurch's (George & Cad) in Dunn. The price of the tickets is \$1.00 and this ticket entitles you to see four ball games. Cheap enough.

Herman Blackmon, sponsor of the Basketball Review, says that the last game will begin at 9:30 instead of 10:00 if possible. This will be welcome news for many people who thought that the time had been set for a very late start.

BENHAVEN REPORT

The Benhaven girls' basketball team and the Wilton girls' team were observed Monday at the Coliseum in warmups and in a short scrimmage with each other.

The Benhaven team was definitely the smoother of the two teams and probably has a slight edge on the four teams that have been viewed from this angle in their Coliseum workouts. The Red Oak team, however, has the finest guard trio of the four, but they do not have as good an all-around team as Ben-

These Things

(Continued From Page One) about it. Sonny is going to radiate sunshine all along the long line of the Seaboard.

Sam Fleischman, back from New York, says it's a "madhouse" up there, that business men just don't know what to do. "There never was a harder time to know how to buy," declared Sam. Floyd Furr went fishing over the weekend, but says they just weren't biting. Mrs. Beulah Graham, always one of our loyal supporters, declares that, "The Daily Record would still be worth a nickel a copy if it didn't have anything but George Sokolsky's column."

We've heard the same comment several times. In fact, Earl Lever and Don Melchor were saying the same thing at the Post Office the other night. Incidentally, the reason The Record was 20 minutes late day before yesterday was because the staff was busy unloading a big new Linotype machine. In fact, it was so heavy we had to call Wilbur T. Lee and have him send John E. Norris and the big wrecker down to unload the machine—which weighed nearly 5,000 pounds.

The Record now has four Linotypes, and sometimes we still have to use Bill Twyford's Linotype down at his place. Cad Upchurch says he, Mrs. Upchurch and Vicky will take off for Florida just as soon as George gets back. Reuben Pope said today that it'll be a little later before he and Mrs. Pope get down to Miami. Floyd Furr, owner of Carolina Cleaners, has a clever contest on this week. The persons who take the biggest bundle of clothes to be cleaned and the biggest bundle of shirts to be washed will get the work done free Saturday night.

Mr. and Mrs. Fulton Sessoms and children Nissey and Susan of Burlington were the guests of Mr. and Mrs. Purdie Sessoms for the weekend.

Railroad Worker And His Family Praise Hadacol

Hadacol Supplies Vitamins B1, B2, Niacin and Iron Which His System Lacked.

Railroad men all over the country are known for their extreme diligence and their wonderful sense of observation. Mr. G. E. Moncus, who has had sixteen full years of fine service as a railroad flagman, is no exception. He is proud of the excellent job he is doing, and his observation powers are not limited to his job by any means. For instance, when Mr. Moncus noticed how much better his wife was beginning to feel, he decided he had better try the same thing and he too, might feel better. Yes, Mr. Moncus started taking HADACOL and now he says, "I have lots of pep and energy and just feel good in every way." Mr. and Mrs. Moncus were suffering deficiencies of Vitamins B1, B2, Niacin and Iron, which HADACOL contains.

Mr. Moncus says: "Quite some time ago I began to have indigestion and sour stomach. My food just didn't digest right. I'd get a full 'gassy' feeling after I ate. This affected my appetite and my weight. I was run-down, too. My wife started taking HADACOL and so did my daughter. I saw how much it had helped them, so I started taking it. And HADACOL has certainly helped me, too. My stomach never bothers me any more. I have a terrific appetite. I have lots of pep and energy and just feel good in every way. I think HADACOL is wonderful. I wish I could tell everyone just how wonderful it really is."

(Continued From Page One) vices Committee suggested that Congress, instead of writing a "definite" limitation on the number of U. S. troops to be sent to Europe, make sure that the Nation could and would withdraw from the Atlantic Pact Army if its allies fail to contribute their share.

Crime—The Senate Crime Committee planned to add more names to its list of witnesses cited for contempt for refusing to answer the group's questions. Chairman Estes Kefauver, D., Tenn., said he will ask the Senate to vote similar action against other witnesses who have refused—and may refuse—to reply to the committee's questions. The Senate voted citations for eight yesterday, including big-time gambler Joe Adonis and Anthony J. "Tony" Accardo, reputed heir to Al Capone's Chicago crime empire.

KEEP THE CHANGE
JACKSON, MISS.—(UP)—A Negro delivery boy, R. T. Adams, got a \$3 reward from the State treasurer's office for turning in a U. S. Government check he found on the street.

she was quite impressed. The doctors have told Bill Twyford, Sr. to quite working so hard. But with business so good, he finds it hard to quit. Mr. Twyford not only gets business from all over this section, but from several other States. It's a busy place. Magistrate George (Jo Jo) Williams was reappointed for a second term the other day by Governor Scott. "I was almost surprised," declared Jo Jo, who helped lick the Governor in the recent campaign. Several Dunn business firms have plans for expanding. Gilbert Porter is back at work after several weeks rest. "I enjoyed the rest, but it's good to get back to work," declares Gilbert.
