Folks Must Feel Good To Do Job

To do a good day's work you must feel your best. James Keelan, Jr., 5565 Labadie Ave., St. Louis, Mo., is a machine operator. This is hard and exacting work and a man has to be on his toes to get the job done.

There was a time when Mr. Keelan did not feel up to his work — was troubled with digestive disturbances.

But Mr. Keelan heard about how HADACOL was helping folks suffering from deficiencies of Vitamins B1, B2, Niacin and Iron.

Mr. Keelan says: "In recent years, I had been troubled with heartburn and indigestion. But since taking HADACOL, I no longer suffer heartburn. Now, I can eat anything without ever suffering after-meal distress. I have recommended HADACOL to a number of my fellow workers."

HADACOL can help you if you suffer such deficiencies. Ask your druggist for HADACOL today.
