

Food Price Controls Hit Grocers' Profits

OPS Regulation To Take Effect After April 5

WASHINGTON, March 29.—The government today put limits on grocers' profits in a move which will mean some food price rollbacks and some increases.

The new OPA-type regulations put price controls on about 60 per cent of the nation's \$32,000,000,000 food budget.

Price stabilizer Michael V. Di-Sal predicted that price rollbacks would outweigh the increases.

The order permits retail and wholesale food stores to add certain fixed percentages of their net costs to the price of an item.

PRICE FREEZE REPLACED The controls affect food items for which housewives spend about \$20,000,000 a year.

At the same time, economic Stabilizer Eric A. Johnston said a "tough policy on business profits" is essential for stabilization.

Johnston also confirmed reports he has talked to farm organizations about freezing parity, but said he has made no specific proposals.

GOODS AFFECTED The food order issued by the Office of Price Stabilization affects grocers selling canned and frozen fruits and vegetables, butter, packaged cheese, baby foods.

CAFETERIA —Favorable report given the committee substitute for House Bill No. 323 means there probably will be no cafeteria in the basement of the new Highway Building until after another session of the General Assembly.

Three Found Guilty Of Stealing A Bomb

NEW YORK, March 29.—(UP)—Two men and a woman today were found guilty of stealing America's A-bomb secret in behalf of Communist Russia and faced the death penalty.

The verdict was returned at 11 a.m. after approximately seven hours and 15 minutes of deliberation by a federal court jury of 11 men and one woman.

FOREMAN PRONOUNCES VERDICTS Foreman Vincent J. Lebonitte pronounced the verdicts one by one.

"We the jury find Julius Rosenberg guilty as charged," he said. "We the jury find Ethel Rosenberg guilty as charged."

"We the jury find Morton Sobell guilty as charged. The defendants showed no discernible emotion.

They were pronounced guilty of conspiracy to commit espionage in war time, which is punishable by death or lesser penalty.

"I must say that as an individual I can't be happy because it's a sad day for America when citizens lend themselves to the destruction of our country by the most destructive weapon the world has known," Judge Kaufman said.

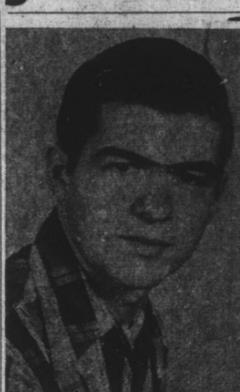

"I cannot find words to describe this loathsome offense." He praised the jury for its "conscientious" work on a case that was "very important."

Rosenbergs rocked slightly in his chair. But his tiny wife, wearing a navy blue skirt, pink blouse and red waistcoat, was expressionless.

Union Is Set To Strike On Saturday Night

Erwin Mills' 2,300 workers at Erwin will begin a union-called vacation Monday unless a last-minute settlement is effected by the mill management and leaders of the Textile Workers Union of America.

Frankie Morrison, president of Erwin's TWUVA Local 250, said that a walk-out is presently set for Saturday midnight.

Originally called for March 16, the strike was postponed 12 days ago when the Defense Department ask union men to hold negotiations open for two weeks.

200,000 TO STRIKE TWUVA announced Feb. 20 that it would call 200,000 workers out of 470 cotton-rayon textile mills when negotiations over contracts and certain fringe benefits bogged down.

The Erwin union has been dickering with plant management over wage, pension and other benefits, including an "escalator" cost-of-living clause in the wage contract.

Union manager J. Thomas West is presently in Washington meeting with the Federal Mediation Board, which is seeking to quell the pending strike.

GREENSBORO, March 29.—(UP)—Some Mills Corp. spokesman today announced completion of a merger with the Dwight Manufacturing Co. of Alabama City, Ala., involving a stock transfer of about \$24,000,000.

One takes over all assets of the Dwight firm through the merger, issuing its own common stock to Dwight stockholders for Dwight issues still outstanding.

The merger would integrate operations of Cone Mills in the Carolinas and Alabama, officials said. Harold W. Smith of Greensboro, Henry W. Nichols and Jansen Noyes, both of New York, were elected to the board of directors at a stockholder's meeting yesterday, spokesmen said.

Chinese Reds Fight Back As UN Forces Drive Northward

SPRING HAS SPRUNG—It's a sure sign of spring when lads like the ones shown above haul out their treasured mibs and start firing in circles on the ground.

On the east coast, however, South Korean troops pushed in force seven miles beyond the 38th Parallel into the communist homeland.

The South Koreans counted 129 enemy dead on the battlefield above Yangyang after one engagement.

U. S., South Korean, British Commonwealth, Belgian, Filipino and Greek troops ran into the heaviest communist resistance along a 40-mile front in western Korea north of Seoul and east of the Yalu River.

Peiping Scorns Cease-Fire Bid TOKYO, March 29.—(UP)—The Chinese Reds dashed any hopes for an early cease-fire in Korea today with a scornful rejection of Gen. Douglas MacArthur's bid for battlefield negotiations.

Radio Peiping called MacArthur's offer of last Saturday to meet the communist commander in the field "a shameless bluff" and "an insult to the Chinese people."

It accused him of plotting an invasion of China itself and again called for a "holy struggle" to drive the UN forces out of Korea.

Peiping's flat rejection of MacArthur's "military" offer left the next step for peaceful settlement of the Korean War up to United Nations diplomats.

PLAN POLICY CHANGE The United States in association with 13 other UN members with troops in Korea is preparing a new statement of policy on Korea. It is expected to include a basis for a new approach to Communist China.

17-Year-Old Boy Appeals Budget Passed As Final Day Nears

RALEIGH, March 29.—(UP)—The General Assembly appeared today to be a long step nearer adjournment following approval by the Joint Appropriations Committee of a \$501,563,000 spending program for the next two years.

The committee gave a favorable report to the proposed budget yesterday after beating down several attempts to add still more money to the already expanded spending program.

As passed to the House for consideration it included \$42,778,000 added to the general fund purse by the appropriations sub-committee.

The members also defeated by a vote of 43-28 a move to restore to the governor and Council of State control of the \$2,000,000 Contingency and Emergency Fund.

ATTEMPTS TO PREVENT MOVE The sub-committee recommended control of the fund be shifted to the governor and Advisory Budget Commission. But Sen. M. T. Leatherman of Lincolnton tried to have the bill amended to prevent that shift.

He drew support from members who said the transfer of control would be a dangerous departure from constitutional procedure and "ugly" in its implications.

The backers of the move said the change would be logical because members of the Advisory Budget Commission were better informed about budgetary problems than members of the Council of State.

Rep. Clyde Shreve of Guilford asked the committee to add about \$19,200,000 to the public schools (Continued on Page 7)

The speaker's subject will be "Must We Fight Russia?" RALEIGH, March 29.—Only four justices of the peace were named by Harnett Senator J. Robert Young and Harnett Representative Carson Gregory in the biennial omnibus justices of the peace bill that became law today when the House agreed to Senate amendments adding several names to the list.

Harnett j. p.'s, created by the legislature are: L. B. McLean and James E. Glover for Duke Township, Miss Edna Kelly for Lillington Township, and C. D. McDowell and George F. Owen of Aversboro Township.

Several hundred justices of the peace were named by the lawmakers in the State's 100 counties. Justice of the peace may also be named by the governor and elected by the people.

TERMS BEGIN APRIL 1 Those named in the omnibus bill may begin their two-year terms April 1 and have 90 days from April 1 to visit their respective county clerks of court to qualify by paying the sum of 25 cents. When the governor names a j.p., it costs the appointee \$2.50 to qualify.

The Wake County designation amended the bill to include the names of several newsmen covering this Legislature who make Raleigh their home, as justices of the peace. Included were Wade Lucas, formerly of Erwin, and Tom Best, only active survivors covering philosophy.

Godwin Issues Padlock Orders

KINSTON, March 29.—(UP)—Lenoir Deputy Sheriffs D. F. Wilcox Jr., and W. S. Clements, Jr., reported today they have served 18 padlock orders on residents of houses with "unsavory" reputations in Jenkinsville and Happersville on the outskirts of Kinston.

The orders were issued by Judge Howard G. Godwin of Dunn under the State's "public nuisance" statutes.

The deputies said residents could remain in their dwellings until a hearing is held before Judge Henry L. Stevens at Keansville April 7.

The orders padlocked the home of John Jenkins, 70, self-styled "Mayor of Jenkinsville," and a number of houses he rents to Negro tenants. They also affected several other residents of the vicinity.
