The ADVENTURER

Human life is an endless chain of adventures, from the first timid steps of early infancy to the feeble shuffle of tottering old age. Human progress has followed the trail of the adventurer as man has explored new frontiers and pushed on in his conquest of the world.

Adventures in the realm of mind and spirit are as fascinating and fully as important as those on land and sea. They open up new fields of thought and new realms of spiritual experience. Thus man's inner life expands and is developed along with his body.

In all his adventures, man should have God as his guide and counsellor. Innumerable dangers lurk along the paths of life and pitfalls are on every hand. God is a light and shield to those who trust Him. He gives strength to the weary and faith to the discouraged.

Like the little boy in the picture, we walk in dangerous places. Let us go forth in the strength and courage of God.

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
