On a high cliff in the Bavarian Alps Ludwig II built his castle. More than a home, it was a fortress, a safe place for a king to live in dangerous times. Ironically enough, Ludwig died only a few years after he had completed his castle. He didn't really get much use out of it after all. Down the valley there stands a little church. It is not nearly as imposing as Ludwig's castle. But it has been home and fortress to thousands through the trials and spiritual battles of life. Honestly now, which is truly a man's castle? The one he builds and in which he lives — or the one that BUILDS HIM, and in which he WORSHIPS?

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
