

Mostly fair and warmer tonight. Friday partly cloudy with little temperature change and widely scattered afternoon thunderstorms.

McMAHON ASKS PROBE OF 'CROOKS'

Sampson Baptist To Receive Honors

J. Richard Parker, eminent Sampson County farmer and religious leader, will be rewarded for a lifetime of service and dedication to the church at services to be held Sunday afternoon at Lebanon Free Will Baptist Church near Clinton.

At that time an oil portrait of Mr. Parker, who will mark his 81st birthday Monday, will be unveiled at the church.

As a further honor to Mr. Parker, the church will be renamed the Parker Memorial Church.

Although not a minister himself, Mr. Parker has attained a record of achievements which would have floored a half-dozen lesser men. He has been treasurer of the Wilmington Conference of the Free Will Baptist denomination for 48 years and is treasurer of the General Conference of Free Will Baptists and the North Carolina Association.

He is also treasurer and a deacon of the Lebanon church. Prior to becoming treasurer of the Wilmington conference, Mr. Parker held the same post with the Cape Fear conference.

Invocation will be by the Rev. J. Homer Butler of Rocky Mount. The Rev. E. L. Parker, a pastor for 58 years and brother of the honored churchman, will deliver the benediction.

Delegates from some 38 churches are expected to attend the convention. The artist who painted the portrait was Zeno Spence of Goldsboro.

Around Capitol Square

By LYNN NISBET, RALEIGH CORRESPONDENT

LIQUOR - Result of the ABC election in Greensboro proves two things: People in the Guilford County metropolis are interested in liquor and the majority of them are displeased with the way it has been handled by bootleggers. The city voted 11,176 for establishment of ABC stores for legal sale of whiskey and 6,724 against the stores.

COMING UP - Winston-Salem will vote on the question of city ABC stores within a few weeks. If that election results, as expected, in authorizing legal sale of liquor, High Point will be the only North Carolina city of more than 40,000 population, Burlington and Gastonia the only others in the 25,000 or above class, without legal liquor.

Father, Son Face Blocking Charge - Misses Webb, 45, and his son, Charles Earl Webb, Jr., both of Dunn, N. C., were brought before U. S. Commissioner Mallie A. Jackson by Raleigh ATF and ABC officers yesterday and charged with possessing a 250-gallon submarine still and 400 gallons of moon.

Completion Of Draft-UMT Bill Expected Today

WASHINGTON, June 7—(AP)—Congress was expected to complete work today on one of its first major legislative measures of this session—a compromise draft and universal military training program.

The House was expected to vote quick approval of the measure already passed by the Senate and send it to the White House for President Truman's signature.

The compromise measure falls short of the Pentagon's request, instead of immediate UMT, the administration will have to be content with the framework of a training program with additional legislation required to put it into effect.

The bill, which extends the draft for four years, drops the draft age to 18-19 and the period of service to 24 months. The administration had requested a draft for 18-year-olds and 27 months service.

Administration leaders, however, believe the compromise is the best that can be put through Congress at present.

Other Congressional Developments - Postal Rates—Chairman Tom Murray, D., Tenn., of the House Postoffice Committee fought to beat back attempts to tack a pay increase for postal workers onto a postal rates increase bill.

Control—With Republicans backing away from outright opposition, the administration seemed assured of passage.

CHOSEN FOR LIFE - The octogenarian has the distinction of being the only treasurer for the Wilmington conference, to which post he was elected for life.

Mr. Parker has also given a son, a daughter, a grandson and two sons-in-law to the Free Will Baptist ministry.

Dr. William Howard Carter of Goldsboro, president of the General Conference of the Evangelical Baptist Church, will deliver the principal address at 3 p. m. Sunday at the Lebanon church.

J. M. Sharpe of Wilmington, former moderator of the conference, will make the presentation address.

Acceptance will be by the Rev. J. T. Blanton, moderator, in behalf of the Wilmington conference; and the Rev. Arlie H. Carter, pastor, in behalf of the church.

Invocation will be by the Rev. J. Homer Butler of Rocky Mount. The Rev. E. L. Parker, a pastor for 58 years and brother of the honored churchman, will deliver the benediction.

Reds Rush Reserves Into Battle Line To Meet Allied Threat

TOKYO, June 7—(AP)—Four tank-led United Nations columns smashed within sight of the Communist "iron triangle" in central Korea today and the Reds rushed in reserves from Manchuria to meet the threat.

Desperate Chinese counterattacks and the heaviest Communist artillery barrages of the war failed to stop the 8th Army's relentless advance through the central mountains toward the triangular buildup area.

APPROACH CHORWON, KUMHWA - Armored UN spearheads were within about eight miles of both Chorwon, southwest base of the triangle, and Kumhwa, its eastern anchor.

Reconnaissance planes reported a swelling tide of Communist convoys rushing supplies and reinforcements down both coasts from Manchuria for a "stand or die" effort to save the triangle.

The vehicles were funneling into Pyongyang, apex of the triangular front which the Reds have launched three mighty but abortive drives into South Korea.

"You will recall that the enemy was allowing our task forces to get within sight of Chorwon and Kumhwa before he began his counter-offensive in April," an 8th Army headquarters spokesman said.

MOUNTAIN IS TAKEN - Sweating infantrymen yesterday captured 33,500-foot Kwangdok mountain, highest peak south of the "iron triangle," and cleaned out more of the enemy's "Magnet Line" protecting the build-up area.

The Reds abandoned some of their rock and timbered fortifications without a fight, but resisted desperately from others. The bunkers were built by the North Koreans under Soviet supervision before the war.

Rampaging tank columns struck out as much as three miles ahead of the foot soldiers and brought both Chorwon and Kumhwa within range of their guns. Chorwon is 17 miles north of the 38th Parallel and Kumhwa lies 14 miles to the east northeast.

Officials Fleeing To USSR Sought By British, French

LONDON, June 7. — (AP) — The British Foreign Office today suspended the head of its American Department and another high official pending a check of reports that they have fled to Russia.

French and British police were searching for the two men, who disappeared from their homes May 26 and left for France several days ago. The Foreign Office said they were "absent without leave."

The officials were identified as Donald MacLeod, head of the American Department, and Guy Burgess, assigned to the Far Eastern Department and specializing in Far Eastern affairs.

French secret police joined Scotland Yard and British military intelligence agents in a search for the two officials in Paris today.

Took No Documents - A Foreign Office spokesman said there was no reason to believe that the two officials had taken documents from Foreign Office files with them.

An official source said the government did not know whether there was any truth to reports the two officials had gone to the Soviet Union to "serve their idealistic purposes."

Both men were assigned to the British Embassy in Washington. Reliable sources said the tip that the two officials may have gone to Moscow came from another government official who was to have gone with them but changed his mind.

British and French detectives were keeping a close watch on airports and embassies of the Soviet Union and its satellites in Paris.

The disappearance of the two men was certain to cause a furor over Communist sympathizers in the government.

Will Demand Check-Up - Conservatives were expected to demand a check of civil servants. They put the government in an awkward position.

Olivia Man Takes Red Cross Post

Norman MacLeod of Olivia, has accepted employment as an assistant field director in the American Red Cross service to the Armed Forces program. He is one of several hundred additional staff members being employed by the Red Cross in expansion of its services supporting the nation's military expansion and home defense effort.

MacLeod has been assigned to Fort McPherson, Ga., for training before permanent assignment. His job will be to work with hometown chapters in handling welfare emergencies and other problems of servicemen and their families. A 1947 graduate of the School of Journalism at the University of North Carolina, MacLeod also received a master's degree in English there last year. An undergraduate he was a pole vaulter on the University track team and was Southern Conference champion for three years. In 1947 he was co-captain of the track team.

Chinese Clique Profited From Gold Shipment

WASHINGTON, June 7—(AP)—Sen. Brien McMahon, D., Conn., demanded investigation today of a "corrupt band of crooks" which he said used U. S. aid to Nationalist China to enrich themselves and influence American foreign policy.

McMahon voiced his demand before the Senate committee investigating Gen. Douglas MacArthur's dismissal. His charges climaxed a stormy session in which Secretary of State Dean Acheson and administration senators fought to establish that China fell to the Reds not because of any China policy failures by the United States but because of mistakes by Chiang Kai-Shek's Nationalist government.

Acheson testified that concessions made to Russia at the 1945 Yalta conference had nothing to do with Chiang's downfall. That was the administration's answer to Republican charges that the port, railroad and territorial concessions made at Yalta to get Russia into the war against Japan—"opened the gates" to the Communists.

MADE HUGE PROFITS - Acheson testified that \$200,000,000 in American gold was "transferred physically" to China under a \$500,000,000 aid program in 1942. McMahon declared that "an inside clique" around Chiang made huge profits from this transaction.

McMahon demanded a "thorough investigation of this corrupt transaction" to determine whether "this money has come back into this country for the purpose of influencing public opinion."

The Connecticut senator charged that American taxpayers had been "robbed" by "this corrupt band of crooks" in China.

Acheson reviewed the Yalta concessions. They provided that Russia should get the southern part of Manchuria.

NO DRAFT CALL - The Harnett County Draft Board has been advised by State headquarters that no calls for either pre-induction or induction will be issued to Harnett during June.

This is the first month that Harnett has not received a call.

NEGROES ACCEPTED - CHAPEL HILL, June 7—(AP)—Dean Henry F. Brandis of the University of North Carolina Law School announced today that three Negroes have been accepted for the summer term.

They will be the first Negro students to enter the 156-year-old institution.

Trading Post To Mark Anniversary

Refreshments for the adults and gum and candy for the youngsters will be on the house Saturday when Warren's Trading Post, at 210 S. Clinton Ave. observes its anniversary day.

Wallace Warren, owner and manager of the establishment, said today that the occasion will mark his second year at the present location. Previously he was located for three years on Broad St.

Warren, a native of Dunn and a graduate of Dunn High School, has been in the grocery trade for some 11 years and has been an independent dealer for more than eight of those years.

Although the Trading Post is a combined grocery store and filling station, the emphasis is on service to the customers at the grocery and meat counters, Warren said.

Proprietor Warren's affiliations with the community include membership in the Dunn Masonic Lodge and his position as superintendent of Black's Chapel Methodist Church.

He is married to the former Kathleen Thomson of near Dunn and is the father of two children.

Tart Disavows Connection With Citizens Committee

City Commissioner R. G. Tart of Ward No. 3 today disavowed any and all connections with Dunn's Citizens' Committee for Law Enforcement.

Mr. Tart, who led the ticket in the primary, said that he was not sponsored by the Citizens' Committee, that he has made no promises to the Citizens' Committee and is not obligated or indebted to the organization in any way.

The official said he had been falsely reported that he had promised the Citizens' Committee to reshuffle the police department and to fire Police Chief George Arthur Jackson. He said the report was not true, and that it had caused quite a bit of trouble.

KEEPING COOL—One way of taking the curse off this hot June weather is shown above by Gaye Lee, 16-year-old daughter of Mr. and Mrs. Jesse B. Lee of Dunn. Gaye, a rising senior at Dunn High School, was one of the first customers to report for a quick dip in the water when the local swimming pool opened this week. (Daily Record by T. M. Stewart.)

Fowler Radio Gets Warren As Manager

Bill Warren of Dunn, widely-known Harnett County business man, has become manager and partner in the operation of Fowler Radio Company of Dunn, it was announced today by Malcolm Fowler.

The popular business leader has been with the company for the past two years. He managed Fowler Radio Company at Lillington and also operated Fowler Radio Company at East Erwin.

In making the announcement today, Mr. Fowler said:

"Mr. Warren's years of experience in the electrical appliance field qualifies him to give our customers the service they expect."

He said he was delighted to secure the new partner as manager of the company's large Dunn store.

Mr. Warren is a native of Sampson County, son of the late Mr. and Mrs. Eddie Warren.

He attended Duke's Creek School and Campbell College, and is a member of the local church.

He is married to the former Kathleen Thomson of near Dunn and is the father of two children.

Godwin Says Had No Part In Police "Shake-Up" Attempt

Chairman Oliver W. Godwin of Dunn's Committee for Law Enforcement, today issued a statement to clear up what he termed as "confusion" over any part supposed to have been played by him on the committee in the shake-up of Dunn's police department and the ousting of Chief George Arthur Jackson.

Mr. Godwin said today that he had never discussed the firing of Chief Jackson with any member of the city board, before the primary.

There have been reports circulated that three members of the board, Commissioners Leek Owsen, Vernon Bass and R. G. Tart, had promised Chairman Godwin and his committee to reshuffle the police force here in an effort to get better law enforcement.

Chairman Godwin said today that he had asked neither of the members for such a promise and that neither of them had made such a pledge to them.

Bagby Re-elected By Bule's Creek Club

Against some degree of opposition from the candidate himself, Dr. A. Paul Bagby was unanimously re-elected president of the Bule's Creek Club at its regular club meeting Tuesday.

Dr. Bagby attempted to withdraw his name from the slate of candidates as proposed by the nominating committee on the grounds that a one-year term for president had been established as a precedent. Several members of the club pointed out that under the leadership of Dr. Bagby the organization had enjoyed its greatest period of service and its largest membership. The president graciously withdrew his objection, and the inauguration was held.

Dr. Bagby is a member of the club since its inception in 1947. He is a graduate of the University of North Carolina and has a degree in medicine.

State News Briefs

WINSTON-SALEM, June 7—(AP)—The co-owners of a drug store here and their pharmacist were fined today under \$5,000 bond each pending trial of a violation of federal narcotics laws.

Narcotics agents arrested Fred Carwell, 31, and John B. Waters, 27, owners of the drug store, and James F. Rhodes, Jr., 38, after Robert Neal Martin purchased diacodil from the store.

The agents said diacodil is an opium derivative which is even more dangerous than morphine. Police watched from outside while the arrests were made.

The men pleaded innocent before U. S. Commissioner W. T. Kennedy of High Point. Kennedy found probable cause and bound the men for trial.

These Little Things

BY HOOVER ADAMS

FORMER DUNN MAN HEADS STATE LEGION

The state papers didn't mention it, but Louis Parker, the new State president of the American Legion, is a native and former resident of Dunn. He now resides in Elizabethton.

At the State Convention in Asheville last weekend, Parker received all six of Dunn's votes.

Representing the Dunn Legion and Auxiliary at the convention were: Commander and Mrs. Paul G. White, Former Commander and Mrs. E. E. Hudson, Ralph Dowd, Bob Young and J. O. West.

Incidentally, Mrs. White and Mrs. Hudson report that they had a long chat with United States Senator Willis Smith and found him to be "a delightful person."

The Senator told them that he's looking forward to coming to Dunn for the 81st (Wildcat) Division reunion.

LITTLE NOTES: Willard Mison of Dunn was a roommate of U. S. Senator Russell Long at the University of Louisiana and knew him well. . . . Willard also knows Senator Dudley LeBlanc of Louisiana, whose planning team he joined for governor in Louisiana this year. . . . Archie Taylor, prominent young Harnett political leader, says he'll be for Bill Umstead for governor no matter who else runs. . . . Myres Tilghman reports that Cotton looks the best in years. . . . Jack Wardlaw of Raleigh, the insurance super salesman, reports. . . . (Continued On Page Six)

Rotarians To Hear Insurance Officer

Dunn Rotarians Friday night will hear an address by Alan Mosley of Raleigh, director of training in management principles for the Durham Life Insurance Company.

Mr. Mosley is also editor of the New-Herald, 15-weekly publication of the insurance company.

Rotarians Dave Klumpp and Norman George Johnson, who are charge of the program, will introduce the speaker.
