

Dunn Pharmacy Has Two Trained Beauty Experts

Dunn Pharmacy not only has the largest toilet goods department to be found in the Dunn section. It also has the only two registered beauty consultants.

Both Miss Lostene Godwin and Mrs. Roland Goff are registered consultants, having taken the prescribed course of study and passed the tests required by the University of North Carolina and the North Carolina Pharmaceutical Association.

Miss Godwin is the oldest member of the toilet goods department, with seven years service, and Mrs.

Goff joined her one year later and has six years of continuous service.

Expert Counsel

These two ladies are on duty at all times to advise and counsel ladies on the types and shades of cosmetics best suited for their skin, hair and make-up.

Many ladies have found it unnecessary to go to expensive beauty consultant shops. They have found they can receive the very same service without any expense whatever at Dunn Pharmacy.

Dunn Pharmacy carries nearly a

dozen different cosmetic lines.

Among them are: Yardley, Revlon, Tussy, Dorothy Gray, Coty, Old Spice, Tabu, Helena Rubinstein, Elizabeth Arden and Max Factor.

Mrs. Goff and Miss Godwin extended to the public a cordial invitation to visit their big department and to receive the free service which they offer.

The nation's average laying hen produced 18.3 eggs during May. This is the highest average on record for any month.

Corbett-Turlington Vows Are Spoken

Miss Sue Turlington of Coats, daughter of Buck Turlington and the late Mrs. Turlington, became the bride of Gilbert Corbett of Zebulon June 17 at 4 o'clock in the Coats Baptist Church.

The Rev. J. Ben Eller, pastor of the church, officiated at the double-ring ceremony. Wedding music was presented by Miss Evangeline Stewart, pianist, and Miss Asaileen Corbett of Washington, D. C., sister of the bridegroom, soloist.

The bridal couple entered the church together. The bride wore a white lace street-length dress with matching mitts, and a white hat. Her corsage was an orchid. After a wedding trip, the couple will live in Zebulon.

Over 10,000 Items Carried In Stock By Dunn Pharmacy

Among the more than 10,000 items stocked by Dunn Pharmacy are dozens of nationally-advertised brands and the drug store has the exclusive franchise for some of the best items on the market.

It was because of the large stock carried that the store had to be enlarged. And even though much extra space has been added, the store looks stocked to the hilt in every department.

"We believe in having every item the customer asks for and also in having a wide selection of each item," pointed out the two owners, Otis Warren and J. I. Thomas, when commenting on their large stock this morning.

The convenient new arrangement of the store has made it possible for even more items and greater variety to be added and better displayed in each department.

Dunn Pharmacy's displays—window, floor, counter, etc.—have been recognized by drug store experts, traveling salesmen and the public as among the most attractive to be found.

New Prescription Department
The new prescription department is the very last word in styling, arrangement and design. Much new equipment—such as precision scales and a new filing system—have been added to assure perfection in the filling of all prescriptions.

Dunn Pharmacy's toilet goods department is the largest in this section and probably the largest to be found in any drug store in a town the size of Dunn anywhere.

Among the toilet goods lines offered are: Yardley, Revlon, Tussy, Dorothy Gray, Coty, Old Spice, Tabu, Helena Rubinstein, Elizabeth Arden and Max Factor.

Big Photo Department
The photographic department has been greatly enlarged and features Eastman Kodaks and cameras. A complete line of photographic supplies is also stocked.

Dunn Pharmacy sells both Sheaffer and Parker pens, in addition to other lesser known makes.

Eaton stationery is found exclusively at Dunn Pharmacy in Dunn.

Dunn Pharmacy carries both Whitman's and Nunnally's candies.

Pine State ice cream is served exclusively at Dunn Pharmacy and also used exclusively at the fountains are Hunter fruits, nuts and syrups.

In the tobacco department are Kaywoodie and Werber pipes and all brands of cigarettes, chewing and smoking tobaccos and accessories.

Dunn Pharmacy has a complete line of newspapers and magazines and also a special book department.

It would be impossible to list the thousands of other well-known and nationally-advertised products.
