

# Dunn Pharmacy Is Proud Of Its Efficient Staff

Along with quality drug products at the lowest prices, Dunn Pharmacy features friendly, courteous service and C. Otis Warren and J. J. Thomas, the owners, are particularly proud of the outstanding sales staff.

Most of the members of the staff have served for years and every employee has been trained to give service.

The staff adheres strictly to the policy that "The customer is always right," and there's never an exception at Dunn Pharmacy.

"We are proud of our sales force and give our clerks credit for the splendid work they do," pointed out Mr. Warren today. "Every member of the staff takes a personal interest in the product sold and in the customer they are serving," he added.

Members of the prescription department are: Mr. Warren, Mr. Thomas and Miss Allene Warren, who will finish at the Carolina

Pharmaceutical school next spring. In charge of the toilet goods department is the largest in town—Mrs. Roland Goff and Miss Louise Goff, both of whom are veteran employees at Dunn Pharmacy.

Both Mrs. Goff and Miss Goff are registered beauty consultants. They have received practical training and also training at the University of North Carolina.

Another veteran employee is Kie Hudson, junior drug clerk, who has been with the firm for 13 years. Mr. Hudson last year was selected as the outstanding and most courteous clerk of the month in the courtesy contest conducted here by Joe Leslie. Active in civic affairs, Mr. Hudson is immediate past commander of the Dunn post of the American Legion.

Big Fountain  
Serving the public behind Dunn Pharmacy's big long, sparkling fountain are Mrs. Doris Strickland, Mrs. Agnes Pope and Daley

Goff. Dunn Pharmacy has booths for serving 30 customers at a time and the fountain department is a popular one all year round.

Mrs. Mayme Warren serves as bookkeeper and has charge of the accounting department at the drug store. Mrs. Warren for years held a position with The Commercial Bank here and is exceptionally well qualified. She is the daughter of the late Mr. and Mrs. June Warren.

In charge of the delivery department is Benny Carroll, a young fellow who believes in speeding the goods to you when you call for them.

Members of the staff are equally as proud of the enlarged and remodeled store as the two owners.

North Carolina Experiment Station tests show that sweet corn can be produced which is 90 per cent free of earworms by spraying with DDT.

Goble Cannon, 1105 Hebert St., St. Louis, Mo., says in this day and age it doesn't matter how old you are, it is how young you feel. Cannon says he's seen a lot of these young, high powered fellows just burn themselves out, while folks that know how to live never seemed to get old. Mr. Cannon says that since he has been taking HADACOL he feels as spry as a 18-year-old.

Here is what Mr. Cannon said about Hadacol when he heard how Hadacol was helping people suffering from deficiencies of Vitamins B, B, Niacin, and Iron. "My job as crossing watchman for the Wabash Railroad keeps me in one place and I don't have a chance to get much exercise. I seem to get gas on my stomach and then I lose my appetite. Many times I have had nervous spells and been unable to sleep at night. Then one day I heard how other folks were being helped by HADACOL. Now the gas on my stomach has vanished, my appetite is first rate and I get a good night's sleep and those nervous spells I very seldom have them any more at all. I think HADACOL is mighty fine—just look what it has done for me."

The most important thing about HADACOL is that you get Vitamins B, B, Niacin and Iron in liquid form, which means that they are quickly absorbed and dispatched to the blood stream ready to go right to work. HADACOL helps build up blood (where iron is needed) to carry these precious Vitamins and Minerals to every part of your body.

Remember HADACOL is that wonderful new preparation — promising blessed relief for your indigestion, stomach distresses (gas, heartburn, sour "distings" after meals), as well as that general rundown condition and vague aches and pains when they are due to a lack of Vitamins B, B, Iron and Niacin in your system.

HADACOL is so amazingly successful because if your system lacks Vitamins B, B, Iron and Niacin it acts directly to relieve this deficiency—the real cause of your trouble. That's the kind of product you want—the kind you should buy—the kind you should start taking immediately.

Only One Genuine HADACOL. Don't go through life suffering from those vague aches and pains if caused by such deficiencies when relief may be as close at hand as the nearest drugstore for sufferers from these deficiencies. Buy HADACOL today. Trial size bottle only \$1.25. Large family or economy size \$3.50. Refuse substitutes. There's only one true and genuine HADACOL.
