These lads may not know why they enjoy the freedom that is the heritage of American youth, so it is up to you to tell them what freedom means.
 When you do so, explain how the flag and all the symbols of our great democracy are possible because of the Church.
 The historical fact is that freedom in the state, as we know it, is the natural and logical result of Christian teaching of equality and justice. It was through the powerful influence of our Christian forefathers that the fundamental idea of a free civil government was developed.
 When you think of the American way of life, which we all cherish, remember it is our heritage from the founding fathers. Then be grateful for their rugged fidelity to religion and to the Church.
 To become a member of the Church—the greatest of all institutions—is the least you can do to show gratitude for the priceless privileges you enjoy today.

HOLY BIBLE

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
