

Campbell Definitely Will Not Field Football Team This Fall

By GEORGE WILLOUGHBY

Campbell Junior College has officially announced that football at that institution will be discontinued for an indefinite time.

Mr. B. P. Marshbanks, business manager for the Baptist school, speaking for President Leslie H. Campbell who was out of town, stated that the action was taken by the board of trustees in their meeting following the completion of the 1950-51 school year in June.

It has not been decided whether or not the action will be permanent but there is little likelihood that the platoon sport will be resumed within the near future. The equipment has already been disposed of at the Harnett school.

Mr. Marshbanks stated that the reasons for discontinuing the sport were: (1) At the time the board took its action the prospect of athletes being in the service left few opportunities for a small college to draw the few remaining athletes to their doors; (2) Since so few colleges in this area sponsor a football team a schedule of near-by rivals was virtually impossible to arrange; (3) Campbell is right un-

der the shadows of senior colleges which attract the usual football fan and the small school can not compete with them; and; (4) Football has been a losing proposition and has drained the athletic fund.

Very few of the members of the Carolinas Junior College Conference, of which Campbell is a member, support football teams, and those that do are located in the far western part of the state. Oak Ridge, Louisburg, Wingers, and Pfeiffer, all are without football. Had it not been for these problems, Campbell probably would have retained the sport for at least another year.

Mr. Marshbanks strongly stressed the fact that the school would sponsor basketball and baseball teams. The 1951 baseball team at Campbell was one of the strongest in the Carolina Conference.

Football at Campbell following the Second World War was some of the best played in this section. The teams had the best records in the conference at that time, but the sport has dropped to a new low in the past two years. The 1950 team won only one game.

Buies Creek Tops Walls Store 4-1

BUIES CREEK Sports... Buies Creek won another Cape Fear League victory last night as the visiting Wall's Store team ran into pitcher Johnny Smith again and were stopped again by his effective slants. The home team won the Taylor Field battle in the eighth inning with a three-run rally that broke a 1-1 tie that had existed since the third inning. The final score was 4 to 1.

Smith struck out 9 visiting batters and allowed only 5 hits in winning his 7th game against 0 losses. The Davidson Sophomore hurler from Lillington has developed rapidly since his Senior year in high school, and he is expected to aid the baseball team at Davidson considerably. Johnny has struck out 70 batters in the 7 games that he has pitched in this summer for a 10 per game average; and he has given up only 33 hits in the 7 games for a 4.7 per game average.

Kelly Byrum, who performed for Campbell College this past spring, led the Buies Creek offense with a perfect 3 for 3, two of his hits were drag bunts. Gene Bowen, another Campbell product, got 2 for 3 for the winners.

Dean led the visitors attack with 2 for 3, and Blake got a double. Buies Creek travels to the Wall's Store field for a game on Saturday afternoon.

The score by innings:

	R	H	E
Wall's Store	001	000	000-1 5 3
Buies Creek	010	000	03-4 8 2

THIS VIEW OF THE OUTSIDE OF THE PEA RIDGE BALL PARK shows the entrance and ticket office and concession stand. The ball park is located in a rural section, and it was built by the people of the community who wanted to have a baseball team very much. The story of the building of the park is told in an article by a member of the community. (Daily Record photo by T. M. Stewart).

Kneepants League Trophies Presented At Meeting Tonight

The Kneepants League will officially ring down the curtain on its 1951 season tonight in the Dunn High School when the presentation of trophies and awards will take place. Time for the meeting has been set for 7:30.

The league members will gather with their parents to witness the presentation of these awards by the Kneepants League's Founder-President Herbert B. Taylor.

The top awards of the season will be presented to the league's most outstanding players. Each member of the team will receive a bronze medal for playing with the '51 league.

The two top trophies are permanent awards that are presented by two of Dunn's local citizens. Dr. Robert (Bob) Jordan is the giver of the "Grand Prize" trophy which goes to the "Best Boy" in the league. Dr. Jordan, a local optician, has presented this award for a number of seasons. This year's receiver is Herman Godwin Jr. who is receiving the award for the second straight year.

The Most Valuable Player award is presented by Mr. Carl Fitchett Jr. who is on old leaguer himself. Carl was an outstanding athlete at Dunn High and went on to play football for State College.

The meeting will bring to a close the thirty-first year of Mr. Taylor's little league. This year has been just as successful as all the rest had been. The league operated four teams, and all of the team members were out for each game. Dunn's young citizens are now looking forward to the 1952 season.

Yes, "Self-Cleaning" DuPont House Paint is so formulated that, as time goes by, a microscopically fine white powder forms on the surface. Heavy rains wash the powder away, taking dust and dirt with it and leaving the surface clean and white again. Excessive accumulations of dirt (particularly in sooty industrial communities or in heavily shaded locations) may delay or interfere with this process. Because this "Self-Cleaning" is gradual, the wearing qualities of the paint film are not abnormally affected. It starts white... it stays white.

MAJOR SPORTS TWIST

By CARL LUNDQUIST

(United Press Sports Writer)

The roar of those Red Sox bats could be deceiving because it was only St. Louis Brownie pitchers against whom they were swinging, but that total of 28 hits for the Tigers—once more made the American League pennant scramble tighter than a New Year's Eve party.

The Red Sox—by winning 12 to 1 and 11 to 6 decisions from the Browns while the Yankees were losing a 6 to 0 decision to the Tigers—once more made the American League pennant scramble tighter than a New Year's Eve party.

The Red Sox once again were only a game behind the Yankees, as were the Indians who beat the Senators 5 to 2 in a night game marked by Larry Doby's tremendous homer that landed on a 35-foot high platform, 408 feet from home plate.

In the opener, big Walt Dropo, back for his third trial with the Sox, flashed the hitting form that made him "rookie of the year" in 1950, getting two doubles and a single to set the 14-hit pace. Johnny Pesky hit a three-run homer as Ray Scarborough pitched eight-hit ball to win his eighth game.

WHAT A ROOKIE

Rookie Charley Maxwell, delivering his third pinch home run in two weeks, was the most spectacular slugger in the second game, getting his blow with the bases loaded in a seventh-inning rally that countered a six-run Brownie uprising of starter Chuck Stobbs and reliever Harry Taylor. Jack Maguire hit a homer to touch off the Brownie rally.

Clutch-hitting Clyde Vollmer got the Red Sox off right in the first inning of the second game when he doubled with the bases loaded to highlight a three-run rally.

Doby's homer was believed to be the longest drive hit in Griffith Stadium since Babe Ruth hit one to virtually the same spot, only about 25 feet further, in 1923. It came in the third inning and gave Steve Gronck a 5 to 0 lead. Gronck went the route with a four-hitter to win his fifth game compared with two losses.

Jim Busby's homer in the top of the 10th inning gave the White Sox a 4 to 3 victory over the A's, leaving the Sox still six games behind.

Hal White of the Tigers, with relief help from Bob Cain, celebrated the anniversary of a two-hit shutout against the Yankees on Aug. 2, 1950. This time he gave up three hits to win his first game of the year, but Cain had to come on with the bases loaded and none out in the seventh to strike out the side when White's wildness got him in trouble.

TEN FULL GAMES

In the National League, Brooklyn went 10 full games in front by defeating the Pirates 10 to 5 with a 14-hit attack that included a two-run homer by Peeewe Reese. The second-place Giants suffered a four-hit, 6 to 2 defeat at Chicago as Bob Rush pitched strong ball all the way.

The Phillies pushed over five runs in the eighth for a 7-to-5 victory at Cincinnati.

At St. Louis, the Braves were leading the Cardinals 7 to 3 in the ninth inning when the game was suspended so the Braves could catch a train. The game will be resumed Sept. 12.

Don Williams Licks Ike Williams, Gets Bout With Gavilan

WORCHESTER, Mass.—Don Williams of Worcester is set for a non-title bout with welterweight champion Kid Gavilan today after scoring an upset 10-round decision over former lightweight champion Ike Williams.

The Worcester boxer had been offered the bout with Gavilan at Boston Aug. 13 if he defeated the former lightweight title holder last night and he just squeaked by.

Don Williams took four rounds, the Williams three and three were close wars.

Hats Off To Pea Ridge

By CLYDE ADAMS

The Pea Ridge Community has had a ball club and a small diamond for several years. Sometimes when the visiting players came to play, they would laugh a little and call it the cowpasture ball field. So the people in the community decided last fall to build a new field.

Raythell Adams, one of the backers, went to see C. M. Dupree about some land for the diamond. Mr. Dupree gave the field without charge, so Raythell and Conrad Adams, another backer, got out and went to work. Everybody in the community donated from ten to twenty-five dollars apiece. This was not enough, so the boys held a turkey shooting on Thanksgiving Day and cleared \$134. Then they hired two bulldozers and pans to level the field, and it cost approximately \$600. Then the people in the community donated trees, and the boys took their tractors and saws and went to the woods. Again C. M. Dupree came to the rescue, he saved the timber for the boys. The boys went to the saw mill and helped run the mill. They had never worked around a saw mill—you should have seen them. J. K. Adams, Jr., donated some cypress trees for the park, and the boys went to the river and cut them.

Then they bought approximately \$300 worth of tin and began enclosing the park. There was not enough tin so they fenced the rest of the field with wire. They had over spent about \$400. This amount had been loaned to them by a friend. They have paid back most of it as of today.

Then came the problem of securing uniforms. Rosvil Adams helped out very much by giving two uniforms and helping to get more donated. So the boys now had a park and club. William Atkins helped out a great deal by getting some equipment with which to begin playing. The team is mostly composed of neighborhood boys. They have lost two very valuable players to the Air Force: Gerald Adams, a pitcher; and Jimmie Gardner, manager and pitcher. William Watkins is manager now and is doing a wonderful job.

"Doc" Smith, "The Base Ball King" of a few years past, has taken a great deal of interest in the club and is helping out by coaching the boys. He is a great help to the boys and to the moral of the team. Pea Ridge has won twenty-two games and lost nine this year. They are leading the Cape Fear League at the present with ten victories and four losses.

The boys are looking forward to the end of the season so they can get back to work on their park. They plan to sow grass in the outfield and put up more tin around the outfield. Their most important task is to build more seats with covers, because at the present the seating capacity is inadequate. All the visiting teams have praised the diamond and the players, because the Pea Ridge boys always show good sportsmanship. They give the visiting team every cause to want to come back and play again.

Pea Ridge is planning to play Central Prison, August 19. The time they came down before and played Pea Ridge, they showed that they had a very fine ball club.

The Pea Ridge ball club wishes to thank everyone for their donations, whether time, money, uniforms, or building materials, and the work they have done so willingly, and to the fans who have given them such wonderful support.

Golfers Continue Match Qualifying

The qualifying nights for the Dunn Miniature Golf Tournament are now growing to a close. Tuesday night, August 7, will be the last night for an entrant to qualify for the tournament.

Low score for the qualifiers has been shot by Mr. James Snipes, who shot a seven under par 43 for the 18 hole course. Mrs. Nathan Bass has the low score for the ladies.
