

# County Seat Briefs

BY LOIS BYRD

Lillington will gain its first air conditioned building when the bank of Lillington completes renovations now under way. John W. Speas, cashier, said the bank, located on the corner of Main and Front streets, hopes to have its air conditioning working soon. Counters which formerly were erected East and West have been changed to run north and south and were moved further back to give more space for customers. Places will be provided for four tables, windows, calculating machines, which formerly were in the main office, have been moved to a rear office to cut down the noise. The cashier's office will be changed to the front, to the right of the Main Street entrance. A new tile floor also will be laid. To prevent any delay to banking business, workers have been working on a night shift to do the remodeling. E. M. Turlington is the contractor.

First Monday will find the county commissioners holding their regular session Aug. 6 at 10 a. m. in the courthouse. The County Board of Education also will meet that night, probably with an added feature of a dinner meeting. The next night, Aug. 7, Lillington's new Town Board will gather with the current topic of discussion—water—and how to secure enough of it still on the agenda.

A lounge and rest room for working girls is the new project which Lillington's new Business and Professional Woman's Club has under consideration. Plans

call for the room to be located on the second floor over Johnson and Bryan grocery in the space formerly occupied by the Betsy Ross Letter Shop. The owner, Mrs. Joel G. Layton, has offered the club the space at reduced rent. The club will furnish the equipment. Purpose of the lounge is to offer a place for noon day relaxation for salesgirls and clerical workers who are employed in downtown Lillington, many commuting daily from surrounding towns. Mrs. Hattie Barnes and Miss Betsy Ross head the committee on public affairs which is engineering the project.

Miss Ruth Hall, daughter of the Rev. and Mrs. R. F. Hall of Lillington has completed work on a Master of Arts degree in textiles at the University of Maryland. She did her undergraduate study at Meredith College, where she majored in home economics and later was employed in distributive education work at Rich's department store in Atlanta, Ga. She is expected home this week end to visit her parents.

Miss Evelyn Byrd, daughter of Mrs. W. P. Byrd of Lillington, is the new president of the Little Theatre in Danville, Va. Miss Byrd had a leading role in two of the four major productions given last year in Danville and also assisted with staging, membership and other commitees. She is a past president of Danville's Business and Professional Woman's Club.

## Bombers Smash Red Capitol

SEVENTH ARMY HQ., Korea (AP) — Fifty-three American B-26 light bombers smashed at Pyongyang last night in one of the heaviest raids in recent weeks on the Communist capital.

With 500-pound demolition bombs they destroyed huge supply dumps and left the city in flames. "About 10 minutes after our bombs dropped, there was a mighty explosion," said Capt. Tom A. Grimm of Cassville, Wis., bombardier. "The explosion seemed to light up a five-mile radius in the undercast."

Other B-26 bombers destroyed or damaged 40 Communist vehicles travelling North Korean roads.

On the ground, two U. N. units which shoved off Thursday in a "vest pocket" offensive below Kumsong on the central front captured their objectives in a three-mile advance within two hours. A tank-infantry patrol moved out from the newly-won positions, but returned after coming under enemy fire from the north.

Farther west, an Allied unit battled for 11 hours in a futile attempt to dislodge Communist troops entrenched on a hill.

**BATTALION SMASHED** U. N. air power and artillery joined Thursday to smash a Communist battalion well entrenched in bunkers and trenches north-northeast of Yanggu. Allied fighter

THE STARTING POINT — Dunn civilians met at the Armory Wednesday afternoon to begin their tour of the Army installations in this section as guests of Colonel Murdoch K. Goodwin and the 443rd Quartermaster unit. Many prominent Dunn business men can be recognized in this picture, made in front of the Armory just before the tour began. (U. S. Army Photo.)

CIVILIANS INSPECT ARMY RATIONS — A group of Dunn civilians are pictured here during the Army tour conducted Wednesday afternoon as they inspected the various types of packaged Army rations. Left to right are: Former Mayor Earl McD. Westbrook, Dr. Clarence L. Corbett, Walter W. Howard, Joe A. Wilkins and Charles Skinner. (U. S. Army photo.)

## Leaf Market Steady

VALDOSTA, Ga.—(AP)—Prices and quality of offering are holding steady on the Georgia-Florida Flue-cured Tobacco markets. Yesterday's quotations showed gains of only 1¢ to 2¢. Lugs and cutters showed normal changes while some nondescript brought less for the grade this season than last. Blocked sales continued on auctions in the belt.

**MORE COMMON LEAF**—General quality was practically the same as that of Wednesday, with proportions of common leaf grades slightly larger. More fair and good grades were offered, however, and less low qualities marketed.

Sales were chiefly common to fair leaf, low to fine lugs, cutters and nondescript.

Yesterday's quotations: Leaf: good lemon \$60, fair lemon \$58, fair orange \$54, low orange \$54; cutters: fair lemon \$64, low

lemon \$62, low orange \$60. Lugs: fine lemon \$68, good lemon \$62, good orange \$58, fair lemon \$57, fair orange \$54, low orange \$41; nondescript: best thing \$31, best crude \$22.50.

## Matthews Rites Are Held Today

Funeral services were held Friday afternoon for Orander L. Matthews, 81, of Angier, Rt. 2. He died Wednesday afternoon after a brief illness.

Mr. Matthews was the son of the late Reuben and Mary Flowers Matthews of Harnett County.

The services were held at the Angier Primitive Baptist Church. Elder J. T. Lewis of Coats, Elder J. S. Collins of Angier, and Elder Sheppard Stephenson of Benson officiated. Burial was in the Coats Cemetery.

Surviving are his wife, Mrs. Emily West Matthews; three daughters by a former marriage, Mrs. Simon T. Pearce of Raleigh, Mrs. Thurman Lyles of Varina, Rt. 1, and Mrs. Rayford Collins of Raleigh; 16 grandchildren and 21 great-grandchildren.

## Pre-Inductees May Join Marine Corps

RALEIGH—Authority to enlist applicants in the Marine Corps who have received their pre-induction notice of physical examination, has been extended to Sept. 1, 1951, according to an announcement today by Capt. W. E. Brandon, director of Marine recruiting for the state of North Carolina.

Previous authority to enlist selective service registrants expired on Aug. 1, Capt. Brandon explained. This authority has been granted by selective-service headquarters in Washington, the captain said, to give an opportunity to those eligible for selective service, to select their branch of the Armed Service. No further information is available as to whether the Sept. 1, 1951 date would be further extended.

## Army Doctors Are Guests Of Society

Some 25 medical officers attached to Army units participating in war games in this area were guests of the Harnett County Medical and Dental Society at their regular monthly meeting Wednesday night. After a steak supper, the doctors and their guests were entertained

## Paving Completed In Johnston During July

RALEIGH.—The State Highway Commission completed 13.3 miles of paving on a secondary road in Johnston County during July.

The newly-surfaced road runs from NC 55 approximately 5.7 miles west of Newton Grove northeast through Parker's Mill and Blackman's to a point two miles east of Four Oaks.

The State-wide bond issue program reached the two-thirds mark this summer. Last general reporting showed that the Fourth Highway Division had completed 964 miles of paving under the program. During July an additional 56 miles were completed in the division.

## Fliers Cheat

(Continued from page one) An Army hospital for treatment after a 1949 Ford coach driven by Millones rolled over twice and ended in the front yard of the Roy Bass home on the McDougald Road.

**WENT OUT OF CONTROL** State Highway Patrolman R. B. Leonard, who investigated the accident, said that the car was being driven at a "high rate of speed" when it apparently went out of control.

Owner of the machine, Cpl. O. B. Webb, address unknown, was not present when the accident occurred.

Leonard said the car went out of control, ran off the road to the right and turned over twice, ending in the yard of the Bass home. Millions suffered body bruises and Wiley was treated for body bruises and abrasions. Extent of the damage was not reported, but the machine appeared to be totally destroyed. No charges have yet been filed.

desires to subdivide Korea. A break in the deadlock seems imminent. For eight days the Allied and Red negotiators have argued fruitlessly.

The 19th cease-fire meeting starts at 11 a. m. Saturday 8 p. m. EST Friday.

## Deadlock May

(Continued from page one)

a line below the "far north" one the Communists are talking about but still north of the 38th Parallel. Nuckols said that at Friday's Kaesong session Vice Adm. C. Turner Joy, chief U. N. negotiator, told the Reds the Allies would not withdraw south of the parallel and thus satisfy Communist "political

with a program which included Dr. John McKenzie of Fayetteville, who put on a one-man show, and the "Singing Interns," a Negro quartet from Duke Hospital in Durham.

The development of America's modern ready-to-wear clothing industry grew out of problems of military supplies. World War I saw the first large-scale standardization in this field.
