## Elon Gridders Set New Marks

**ELON COLLEGE** — The Elon Christian football squad practically rewrote the Maroon and Gold offensive record book in its 24 to 20 victory over the East Carolina Pirates last Saturday night, for no less than eight new Elon team and individual marks were set in the fray.

The Elon squad compiled a total of 560 yards net gain from scrimmage, far ahead of the old Christian record of 507 yards gained against High Point last season. The Pirates themselves staged quite an offensive show, rolling for 415 yards to make a combined team-offense of 975 yards, as compared with the combined total of 641 yards gained by Elon and Emory and Henry last fall.

The Fighting Christians moved for 313 yards through the air against the Pirates, well ahead of the 270 yards gained on passing against Catawba in 1950; and in compiling this new mark the Elon outfit set a new mark of 20 passes completed in 32 attempts, as compared with 15 good heaves in 23 attempts against Emory and Henry a year ago.

# Greenwave Plays Host To Rockingham Tonight

## Game Time 8, Weather, Fair

Coach Paul Waggoner has been giving his boys plenty of practice on blocking and tackling this week, and if the boys are able to play tonight, there should be an improvement in the brand of ball that the locals exhibit.

Rockingham battled Clinton, which ran over the locals by a 22-2 score last week, to a 20-20 tie, so the Greenies will have to put the extra practice to use tonight.

Tommy Waggoner, the coaches son, and E. B. Dixon have been showing the kind of scrap that is needed to win, and these boys will be leading the way for tonight's new brand of ball.

## Will Be Numerous Before '51 Major League Player Trades

**By CARL LUNDQUIST**  
(United Press Sports Writer)

**NEW YORK** — Hold your hats because the excitement isn't over yet. This is going to be the wildest winter of player trading the majors have had in many a year.

Not a club can stand pat because there were no standouts in either league as the teams knocked each other out in a mad stretch drive.

The Yankees are going to need a new centerfielder, even if Joe DiMaggio doesn't retire, because though he still is a go-and-get 'em outfielder, he can't hit 300 on the long ball very often any more. And Casey Stengel also concedes that he needs some additional pitching depth. His highest hope is to get Ned Garver from the Browns and he is willing to give up Hank "Bruiser" Bauer and Jerry Coleman, among others, to complete the deal.

**YANK-BROWN DEAL**  
It was reported by the New York Daily Mirror today that a Brownie-Yank deal for Garver has already been completed, with the Yanks giving up Coleman and four other players, plus \$50,000. General Manager George Weiss of the Yankees

The Athletics, who were the hottest club in the league during the last month, should be in good shape again in the spring although Manager Jimmy Dykes wants another long-ball hitting outfielder to go with Gus Zernial and he may need reserves for his aging infield.

**OPEN FOR BUSINESS**  
Washington and the Browns need practically everything and will listen to any reasonable offer. Bill Veck, almost rebuilt the Browns from the time he took over the team and he will continue to trade until he gets a winner. Garver is the big man in all negotiations and

could bring as much as \$500,000 in cash or players.

Durocher needs an outfielder to go with Monte Irvin and Willie Mays, and he has to have help at second base for game but slowed-up Eddie Stanky. He also needs a better hitting catcher and some general reserves strength.

The Dodgers, still, rated the best club in baseball despite their blow-up, have to get some pitchers and may deal with Cincinnati for ace Ewell Blackwell, or Herman Wehmeier and Howie Fox. The Reds could use one of the Dodgers infield spares or an outfielder like Cal Abrams.

## J. R. Cathey Wins Series Contest

**By CONRAD DONNELL**  
(Contest Manager)

With a guess that the Yankees would win the World Series with 25 runs in six games, J. R. Cathey of Dunn, former coach at Erwin High School, won the Purdie Equipment Company's World Series Contest.

Out of the many contestants, only four entries were in the running for the big prize. Gordon Reddish of Dunn guessed that the Yankees would win in six games with 33 runs; John Ingraham, also of Dunn, thought the Yanks would win in six games with 24 runs, the runner-up guess; and W. S. Dorman of Buies Creek picked the Champs to take the Series in six games with a total of 20 runs. The Yankees became champs after six games, and they scored a total of 29 runs.

Mr. Cathey was presented a new model Zenith AM and FM radio from Purdie Equipment Co.'s Appliance & Furniture Div. by Manager Johnny Wilborne, who used to pitch baseball under Coach Cathey at Erwin.

## Lillington, Coats Take Wins In 6-Man Tilts At Buies Creek

Taylor Field in Buies Creek was the scene of two hard-fought football games last night as Coats got a last-quarter score to come from behind to top Benson by a 14 to 8 score, and Lillington held off a last-half threat by Angier to win by a 22-14 total.

Coats scored against Benson in the first quarter on a 30 yard pass with Marvin McLean throwing to big end Rudy Miller who was behind the defense. This has been the key offense for Coats this year, and the Coats boys made use of the long aerial in which Miller races through the pass defense and outruns it.

Benson came back in the second stanza and made a real ball game out of the situation for the next two rounds as shifty Jack Lyles started around left end and then cut back through the line and down the center of the field for 45 yards and Benson's only touchdown of the game. Lyles showed fine evasiveness on numerous occasions and made repeated gains after the tacklers had had shots at him. The only reason he did not score other times was because of his lack of speed. Robert Smith, who was again the defensive leader, kicked the points after TD.

**REPEAT PERFORMANCE**  
The game last night was an almost repeat performance of the opening game between the same two teams four weeks ago. Coats scored six points, then Benson came back with eight, and Coats came back in the last minutes to score eight points and win the game, 14-8. It was Miller's pass receiving that ruined Benson in the first games.

Lillington got a couple of breaks early in the game, wasted the first, and then turned the second into a score to get an early lead over Angier and hold it.

The first Lillington touchdown came on a 15-yard pass from Rudy Brown to Leo McDonald. The ball had been taken by Lillington after a punt had been fumbled on the Angier 25 yard line and end Bonnie Ballard came flying in and dived on the ball. A few plays later, the boys from Lillington got their first score. Cy Stewart booted a perfect placement to add a couple of points.

The first Angier error came on the opening kickoff when the ball was fumbled and aggressive Jimmy McDonald pounced on the ball, but Lillington offense bogged when the boys took to the air.

Angier got a score in the first period and held a brief six to nothing lead as the linemen rushed through fast to slap the ball out

of Rudy Brown's hand as he let go a pass. The Angier boys slapped the ball into the end-zone for the score.

The second Lillington score came on a 15 yard dash by Rudy Brown on a play in which he sped his way without blocking to just short of the goal line. On a short plunge in which he bulled his way through the defenders, Brown scored the TD.

Leo McDonald shot through the middle of the line and cut out slightly on a 10 yard dash to score the final tally for Lillington.

The Lillington linemen of Jimmy McDonald, Cy Stewart, Bonnie Ballard, and Frank Farrell had the Angier ground attack bottled up for most of the game as they played another hard-charging defense.

Angier got new life in the second half. Jimmy Matthews, the scoring leader of the team, was held out of the first half because of a painful rising, but he went into the game despite his hand-
