### Snavelly Changes UNC Lineup For Tennessee

CHAPEL HILL (AP)—North Carolina's offense had a new look today as the team drilled for Saturday's game against Tennessee.

Carl Snavelly switched Van Weatherspoon from blocking back to end and end Lou Darrell was changed from defense to offense. Ed Patterson was moved into the blocking back slot.

Snavelly said the changes probably would be permanent as he tried to plug gaps left in injuries.

### Gerard Memorial Game

Durham, N. C., Nov. — First order received for the Gerry Gerard Memorial basketball game, which will be played in Duke Indoor Stadium on December 5 between teams of Duke and North Carolina, came all the way from Shreveport, La.

The order came for a lady who wrote, "I think this ball game is the most wonderful idea I ever heard of!! Ed, note—The lady who wrote this is Miss Edith Ann Caviness of Lillington who is nursing in the Polio epidemic in Shreveport. Miss Caviness nursed Coach Gerard at Duke Hospital during his last days as a patient. She volunteered her services because the Coach was such a fine and admired man."

The event is being sponsored jointly by the Southern Writers Association. Proceeds (everyone will pay and all help in arranging the game will be offered free of charge) will go into an education trust fund for Gerard's daughters.

Gerard, one of the best known athletic figures in the South, died in January.

Price for each ticket is \$2.00 or any amount more than that the purchaser cares to give.

THE 1951 GREENWAVE FOOTBALL TEAM — Dunn High's football team has not had a successful season this year with a record of only one win and seven losses to substantiate this fact; however, this has been the rebuilding year at Dunn High. Coach Paul Waggoner loses only two of his starting lineup, left end Tommy Waggoner—who has been one of the outstanding players in the conference, and Center Claude Pope. From left: Wingback Bozie Tarr, end Sherrill Goodman, tackle Lewis Tarr, guard Roger Stanley, guard Dog Overman, center Claude Pope, tackle Jimmy Sills, end Tommy Waggoner, and wingback or blocking back E. B. Dixon. The two boys in the rear are fullback Don Johnson and tailback Daley Goff. GOOD LUCK FOR TONIGHT — (Daily Record photo by T. M. Stewart).

## Awfully Dreary Weather Today, But Pinehurst Will Be Bright

By STAN OPOTOWSKY (United Press Sports Writer)

PINEHURST, N. C. — (AP) — The Americans were out for a sweep and the British were willing to split as four team matches launched the Ryder Cup international golf duel today.

Twelve matches — each worth a point — settle the issue. The four Scotch foursome matches — in which two-man teams hit alternate balls — start the action today. Eight individual matches conclude it Sunday. All go 36 holes.

Here's the way they teed off this morning:

Group 1  
Clayton Heafner of Charlotte, N. C., and Jack Burke Jr., of Fort Worth, Tex., vs Max Faulkner and Dai Rees

Group 2  
Ed "Porky" Oliver of Seattle, Wash., and Henry Ransom of St. Andrews, Ill., vs Charley Ward and Art Lees

Group 3  
Lloyd Mangrum of St. Andrews, Ill., and Sam Snead of White Sulphur Springs, V. Va., vs Jimmy Adams and James Pantop

Group 4  
Ben Hogan of Fort Worth, Tex., and Jimmy Demaret of Houston, Tex., vs Fred Daly and Ken Bous-

field.

Snead, the American captain, was happy with the pairings and made little secret of his confidence that the Yanks would win the cup for the seventh time in the eight every-other-year matches. The non-playing British captain, Arthur Lacey, said of today's opening duels:

**NOT HARD TO PLEASE**  
"We'd love a 4-0 lead, we'd be quite happy with a 3-1 lead but we'll settle for a 2-2 split for a fresh start in the individual matches Sunday."

Britains' chief hope seemed to rest in Faulkner and Rees. Faulkner, Daly and the 3-year-old Harry Weetman are the team's longest drivers — and drives will count plenty here. Weetman is the least experienced man on the roster and was not assigned an opening day job, although he probably will play Sunday.

Snead was seeking to outsmart his rivals when he placed his two best teams at the bottom of the "batting order" he submitted in a sealed envelope yesterday. Lacey did a little juggling, but not quite as much.

"As it turned out, the best teams for each nation meet in the third match of the day."

## Boone Trail Romps To 43-6 Victory Over Lillington For Win Number 7

Boone Trail High's six-man team is still undefeated after seven encounters during the '51 season. Yesterday afternoon at the BT school field, the boys in blue really had a field day as they raged up and down the field to a 43 to 6 win against rival Lillington. It was sweet revenge for the school that Lillington trounced twice last year.

Coach Jack Cashion's boys ran and passed without much difficulty as the visitors simply fell apart. The winners were up for the game and played a swell, hard fought game, but Lillington, not to take any glory from the winners, was in poor form and running a poor second in strap and desire to win.

Backs Jerry Fouts and Cecil O'Quinn went to town as they twisted and "charged" and got good blocking. The passing attack was also red hot as the Trailers clicked on both short and long heaves. The defense for the BT boys was strong as the scrapper dug in with determination and held the opposition to 9 first downs and 1 pass completion.

**FOUTS LEADS THE WAY**  
Jerry Fouts scored three times. Cecil O'Quinn twice, and Winfred McNeill and Wallace Cash scored once each; and O'Quinn added an extra point. Buddy Brown, the Lillington workhorse and fine back, intercepted the only back-firing BT pass and ran 50 yards for the visitor's only score.

Jerry Fouts made the most outstanding play of the game when he grabbed a punt in the last minute of the game and dodged and crisscrossed and reversed his field for 65 yards to the five yard line where a score was prevented when Rudy Brown shot out of nowhere to nail him from behind.

The whole Boone Trail team played a fine game, but Wallace Cash was outstanding on defense. Brown, Jimmy McDonald and C. H. Brock led the Lillington defense. Boone Trail goes to Angier on Thursday afternoon for a game that should be a cracker-jack in next week's feature.

Lillington plays Broadway.

## Coats Defeats Deep River By 34 to 0 Score

### Draft Board Wants A Look At Newcomb

ELIZABETH, N. J. — (AP) — Fitcher Don Newcombe of the Brooklyn Dodgers today faced orders to report for an Army draft physical examination Wednesday.

The chairman of the Union County draft board No. 42 said that Newcombe, 25-year-old, had been reclassified from 3-A to 1-A under the new draft law cancelling deferments for married men without children.

Loss of the six-foot, four-inch Negro righthander would be a severe blow to the Dodgers' hopes of a pennant comeback "next year." Newcombe had his best season for Brooklyn this year, winning 20 games and losing only nine.

## Coats Defeats Deep River By 34 to 0 Score

Coats High School's six-man football team finished the season in a blaze of glory last night at Buies Creek against Deep River of the Four-County League. Coach Veasey's boys were playing with a full team last night as the crippled club was completely healed and in top form for the first time since the second game of the season.

With senior Dennis Pope leading the way, Coats downed Deep River in a very convincing manner with a 34-0 score. What is more convincing is that all 34 points were scored in the first half. The second half was played in a heavy rain, and both teams had a fumbling spree that ended in scoreless ball for the latter half.

Dennis Pope who received a bad arm injury early in the season, scored three touchdowns for the winners as his leadership spurred the boys from Coats to their decisive victory. Raymond Jernigan and Marvin McLean scored once each and C. L. Hough kicked a couple of deuces to round out the scoring.

Franklin Stewart scooped up a fumble in the DR backfield and scampered 55 yards before being hauled down from behind on the game's longest run. Bobby Smith also made a cross-country run as he grabbed a DR pass and carried it 40 yards.

Stewart, Smith, Tommy Pope, and Mac Turlington were outstanding on defense.

Dennis Pope, Ray Jernigan, Marvin McLean, Udy Miller, Fredrick Byrd, Jimmy Vaughn, and Myranda Moran were playing their last game for Coats, or rather, all of the boys listed above are seniors.

## Six-man Senior All-Star Game In The Planning For This Area

Boone Trail, Lillington, Angier, Coats, Benson in plans for big game

A 6-man football All-Star game is in the process of planning that will send the seniors of some of the area's teams to the schools through the center of the state against each other in a couple of weeks. The arrangements are more or less in the dream stage at the present with the agreement of the schools being the "practical" factor in the planning.

The idea of the plan is for the schools that have sponsored sections this fall in The Daily Record reading areas and those in the Sanford Herald reading area to provide the senior players from those two areas to form All-Star teams to meet each other in order to create interest in six-man ball and add funds to the athletic departments of the included schools.

Tom Northington, sports editor of the Sanford Herald has presented the challenge and the plan to parties in the Harnett area. The schools in the Herald area are Deep River, Broadway, Goldston, and Cameron; and the schools in the Record area are Angier, Coats, Lillington, and Benson which leaves Boone Trail on the border line with both sides claiming the undefeated school.

## Good Basketballer

Durham, N. C., Nov. — Charles Niven, fleet Wilmington, N. C. freshman halfback now performing with Duke's Blue Devils, is also a top-notch basketball player. He scored 71 points in three games — 32 in one — to lead Wilmington to the state cage championship in a journey played at Duke last winter.

## Ragdy Young Tries Comeback Tonight

NEW YORK (AP) — Middleweight Paddy Young of New York will try to regain prestige tonight in a 10-round television fight with slugger Ernie Durando of Bayonne, N. J., at St. Nicholas Arena.

Young, 29, had been regarded as New York's most promising 160-pound aspirant until he was stopped in the second round by youth in Gene Hamilton in Madison Square Garden last Feb. 14.
