

Teen Tattle Tales

By LINDA AYCOCK

It's Here, girls, just what you've been waiting for so long. Now is your chance to date that certain fellow you have been wishing would look your way. "Twirl Season" will be officially declared at midnight Sunday and will last for a whole week. In case some of you older folks don't know the rules, it's the one week out of the year when the girl can ask the boy for a date and she also pays for movie tickets, dinners, hot dogs and hamburgers — hence, the word TWIRL meaning "The Woman Is Requested to Pay." It all started with Freckles in the comic strip and has become an annual affair in Dunn. Wonder how many romances will be started this time? We know one that blossomed into a two year courtship.

The Intermediate G. A.'s of the First Baptist Church met Wednesday night with ten girls present. They are planning a hay ride for next Monday night, that is if a truck and hay can be secured. All donations appreciated.

Did the ghosts and goblins getcha on Halloween? Most people were stocked with cookies, candy and drinks for the "Tricks or treats" going around this section and I do mean going. Everybody and his brother were out doing the town.

The Sorority Sisters have big plans for next Friday night. A real old-fashioned box, supper, and we're glad they're turning modern 'cause everybody has a swell time. Tell you more about this later.

Bozie Tart is joining Red and Billy at Staunton Military Academy. Another loss to our school and football squad, but we've known for a long time that Bozie missed his pals and we're gonna miss all three of you.

Morton Fleishman, do you really want publicity? Well, if you keep on making eyes at all of those girls, you'll be sure to get it.

Laura Bell Carr is certainly taking after her brothers in art. I've never seen such a talented family.

Did Everette Turlington's car get a soaping Wednesday night along with lots of others? Perhaps the rain will give you a fine wash job though.

Mr. Burrage is lining up another good band over in Erwin. I'm sure their progress will be as rapid as ours, and it's such a wonderful addition to any school. Lots of cute girls are trying out for majorettes. Good, too!

Love has such power that it can change the location of the human heart. Moves it up in the throat. If you don't believe it ask Pat Snipes; she knows all about it.

William Corbett, we hear you have a secret admirer in the 8th grade. She is a very cute girl, but we won't mention her name this time.

Charles Dorman has a fine interest in King Street, 110 South to be exact. Better watch out Faye, he's going to wear that street out, the way he rides by there everyday.

Wednesday was the quietest Halloween Dunn's had yet?

Margaret Lee Naylor and Billy Ray Godwin are a cute couple?

Every boy has a secret admirer?

School is harder than ever?

Frank Spruill still likes loud clothes?

Not all teachers play favorites? Faye Monds has a soldier all picked out?

Louise Wade is a good teacher? Gene Hodge sure does like his teacher?

Ditto Jule Mann? The boys are getting scarce?

Hay rides are fun? The football boys only have one more game which is tonight?

They meet Oxford at Oxford. Have a good time, boys, and be sure to give them a tough time.

Donald Billy Johnson and Becky Lee are really in love?

Jackie Alpine is still cute? Charles Johnson is playing the field?

You have to show your card to the door at the Teen-age dances?

Jewel McLean is a sweet girl?

Virginia Lee Vann broke her finger while playing ball Thursday. I'm sorry, Virginia, it just seems as though your fingers have all the bad luck. I hope it gets well real soon!

Someone asked the French writer Jean Cocteau if he believed in luck. "Why, certainly," he said. "How else do you explain the success of those you don't like?"
