I HAVE TO LIVE IN THIS WORLD!

I'm just a little shaver—and it's big people like you who run the world.
But I sure do wish you would think about me, 'cause I have to live in this world when I grow up.
I know it's not your fault that things are the way they are. But if you want to give me a break, you might start improving the world now.
The Church up the street can help you improve yourself. And pretty soon I'll be there too, learning the lessons I need. And the family next door, we could invite them to go with us every Sunday. And the rest of the folks in town—we can give them a sample of what we believe by treating them the way we like to be treated ourselves.
Understand . . . I don't know all the answers. But God does! Just listen to Him—that's all I ask!

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH
The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
