### BANDITS CAPTURED AFTER \$93,569 BANK HOLDUP

SHERIFF WALTER ATKINSON (top, left) and two uniformed deputies prepare to remove \$93,569 lying in suitcases in getaway car used by three youths and a girl following precision-filmed robbery of a Milwaukee bank. Teller Matt Kneuppel (top, right) shows how the bandits forced him to open the vaults at gun point. Apprehended at a road block in Waukegan, Ill., the captured youths display various degrees of dejection at a Federal hearing in Milwaukee. Pictured (l. to r.) are: Glenn Maroo, Harold Nall, James Leather, and Anna Snyder. Working in a raging snowstorm, they allowed themselves 27 seconds for the holdup. (International)

**F. H. A.**

The Future Homemakers of America met Wednesday, October 17, 1951 and elected officers for the year. They were voted on by secret ballot. The following officers were elected: President, Frances Johnson; Vice-President, Edna Jane Westbrook; Secretary, Geraldine Phillips; Treasurer, Sheila Jean Dunn; Reporter, Jean Adams; Historian, Mary Ida Godwin; Song Leader, Hulda Gray Lee; Pianist, Essie Mae Dodd; Parliamentarian, Essie Mae Dodd.

This year the F. H. A. Club has taken the girls' bathroom as its first project. Each girl in school is asked for a dime to help with the project.

The club members are going to buy doors to put up over the sections in the bathroom, put some mirrors on the wall, and they hope to make some dressing tables. They want to make the bathroom attractive enough so that the teachers as well as the students will use it.

**HALLOWEEN CARNIVAL**

"Mr. and Miss Meadow," who were Henrietta Hood and Stephen Morris.

There was a great roar of laughter, when Mr. Ayden Barefoot was selected from an audience of approximately 1400, as the most henpecked man of the community.

Among the events were the baby contest, cake sales, fortune telling. Prizes were given to those wearing the most original costumes. Throughout the carnival, refreshments, which were plentiful, were enjoyed by all.

A total of \$1266.07 was taken in from the carnival, and we are hoping to clear \$1100.00.

Our principal, Mr. G. W. Harriet, and the faculty members were a great help to the success of the carnival.

## Low-Down on a high-powered Performer

Let us tell you this:

The Buick pictured here packs more power than you find in any other car of its size and room and price.

That's the power of Buick's newest high-compression valve-in-head eight—the F-263 Fireball Engine, that really gets miles from a gallon of gas.

Add to this the fact that it tips the scales at 3817 pounds curbside—and you begin to see why this big-powered beauty is such a nimble-footed number out on the road.

But that's only Chapter I of the performance story.

There's a big-car feel to the way this trim traveler covers the ground—hugs the curves—holds its course on the straightaway—smothers the bumps with its big soft coil springs on all four wheels.

There's big-car room inside—six-passenger room—headroom, hiproom, shoulderroom, kneeroom, front and back.

Come in, look it over, and we think you'll agree—it's big in everything but price.

And that's where it really shines. If you've shopped around you'll know what we mean when you read the price tags, and what they include in the way of standard equipment that shows up as "extras" on so many others. Such things as an oil filter, air cleaner, vacuum booster, built-in summer ventilation are all yours at no extra charge.

It's hard to believe but it's true. If you can afford a new car, you can afford this Buick at the price we're quoting today.

Better come in and look this smart buy over.
