Tommy Steele (Continued From Page One) lives from among their young people to this meeting. The Youth for Christ program is entirely non-denominational and is directed primarily to a young, uncommitted Christian living in the past of the South of America. The organization, since its inception, has made rapid progress, and churches are in active contact.

(Continued From Page One) out, and we were not really a United States until the ratification in 1789. Henry fought the adoption of the constitution because he could not conceive one state after another burying its differences and working together.

The war of 1861 to 65 was fought, not over slavery, he declared, but because some states felt that state rights were more important than the union. We were never really united until after that war, but now we are one nation indivisible. "It, too, takes time to build a peaceful world," he declared. "In 1918, on November 11th, we had an armistice, and this was confused with peace. "Noah Webster played a trick on us here," he asserted, "according to his dictionary an armistice is the temporary cessation of hostilities."

It lasted, he continued, until 1933, for fifteen extremely hectic years, during which we forgot all about how wars are created. In 1945, representatives of 51 nations formed the United Nations, an organization dedicated to the principles of peace.

"We are prone," Dr. Green declared, "to talk unkindly, about the bankrupt haberdasher in Washington and about the United Nations, but we have had worse. If it took 13 years to establish our own nation, don't be too demanding. It takes a tremendous amount of time."

In the state, the nation and in our communities give that spiritual essence cordial consideration, practice tolerance and understanding, be patient, determined, and count your blessings. "If you do," Dr. Green concluded, "we can have Thanksgiving any day and will not have to wait until the fourth Thursday in November."

The speaker was introduced by Dr. C. W. Sanders. After group singing of "God Bless America" by the group, Rev. C. C. Crisp, delivered the invocation. Soloist was Mrs. C. N. Bostic, accompanied by Miss Wilhelmina Utley, who also rendered a piano solo.

NEW DIRECTORS - Four new members were elected to serve three years on the board of directors, C. M. Blackman, D. W. Parrish, Harold Medlin and Willis McLamb. The dinner was prepared and served by the members of the Banner Home Demonstration Club, headed by president, Mrs. D. L. Peacock and including Mesdames W. J. Lambert, R. M. Morgan, Vernon Jackson, Sherrill Jackson, Bill Matthews, Charles Denning, Hettie Denning, Shelton Turlington, J. E. Wall, Victor Gregory, Pearl Turlington, Julian Godwin, Garmie Dorman, S. P. Gundy, George Gods, Harold S. Hinkle, Albert R. Jones, Frank Schmitt and McDonald Wray, waived appearance and pleaded guilty to speeding charges. Each was taxed costs.

Bond was ordered forfeited in the case of Anson Lockamy, when he was called and failed to appear to answer charges of speeding. The remainder of the 22 cases, prosecuted by Solicitor J. Shephard Bryan, involved public drunkenness.

The young people of this section in particular and the general public as well, are extended a cordial invitation to attend this meeting at the Gospel Tabernacle in Dunn, Saturday night at 8 o'clock.

Purchase Of TB Seals Is Urged By Byrd

Dr. Charles Byrd, president of the Harnett County Tuberculosis Association, brought the story of the ever-vigilant fight against tuberculosis to the attention of the Lillington Woman's Club as the group met Tuesday afternoon at the Community House.

Doctor Byrd, Dunn physician, was introduced by Mrs. A. J. White, public affairs chairman, who arranged the program. Mrs. John A. Womble, president, presided.

The visiting speaker illustrated his talk on the fight against tuberculosis with a map of Harnett County showing the location of each tuberculosis case reported, the largest number appearing in the larger populated centers of Dunn, Lillington, Coats and Angier.

North Carolina has only three state sanatoriums for T.B. treatment, Doctor Byrd said. For many who wish to go, there is no room, the speaker said. "And conditions in Harnett," he added, bring this point home forcefully."

However, the physician continued, a State building program at the sanatoriums due to be finished within two years, will remedy this situation. Meantime, he noted, public health authorities and private physicians must do what they can for patients who have been refused admission to a sanatorium.

The doctor called on the club women to support the sale of Christmas health seals which will finance home treatment for some TB patients, support others in hospitals, and buy expensive drugs for still others.

CITES OBSTACLES - The difficulty of detecting symptoms in the early stage of the disease and the highly communicable nature of the malady are stumbling blocks in the effort to wipe it out completely, Doctor Byrd said. One T. B. sufferer, he noted, by the law of averages is apt to give the

DEBT REDUCED - During the business session, club members heard from the president the good news that the debt on the Community House, the club's chief financial undertaking, has been reduced below the \$5,000 mark. To cut still more from this debt a Christmas bazaar and turkey dinner will be held December 5, at the Community House.

A check for \$30, also to aid the building fund, was turned in by Mrs. Robert Winston who with a club committee catered for the Duke alumni dinner this week.

Spiced tea and sandwiches were served at the social hour. Hostesses were Mrs. Harry Schafran, Mrs. Leo Kelly, Mrs. C. E. Sorrell, Mrs. C. R. Ammons, Mrs. Grady Johnson and Mrs. W. H. Byrd.

MRS. TWYFORD - Mrs. Henry Twyford, 85, mother of Bill Twyford of Dunn, is critically ill at the home of her daughter, Mrs. John Palms of Greenville S. C. Mrs. Twyford suffered several heart attacks earlier this week.
