Suebelle will be lonesome after Wednesday, I suppose. We're sorry, Sue. He'll be back real soon!

Who's the Senior boy that Jessie Suggs sees every day and her heart does a flip or two? Ask Graham!

If you want any cleaning done just call G. D. and he'll pick your clothes up. You know Dee was working on a "Cleaners" truck now, didn't you?

Mr. Nix has organized a glee club lately. He has eighty-two members and we are practicing on Christmas Carols now.

We are expecting our ball suits next week. The team is glad to hear that. They sure will look cute in them.

Mr. Cannady, Mrs. Cannady and Miss Tart are finally getting their rooms painted.

The "Talent Night" program was good. Miss Patricia Williams and Miss Joann Warren split first prize on their tap dancing. The McLamb sisters and Honeycutt brothers won second and third prizes.

Mrs. James and her sixth grades have organized a "Harmony Band".

The sixth grade was sorry to have one of their classmates, Donald Daughtry, to suffer from a broken leg. He had better leave football alone.

The Eighth grade has been doing finger painting. Miss Jones has been teaching them to dance also.

All of the grammar grades have been decorating their rooms pretty for Thanksgiving.

Our Thanksgiving dinner was really good. The menu was chicken, rice, chicken dressing, cranberry sauce, garden peas, milk, bread and a doughnut. Thanks to our fine cooks.

CHATTER AROUND WESTBROOK!

Will Dean Maynard sure does have a pretty diamond. Who is the lucky guy?

Why does Betty Mae like Black Chevrolet so good?

Shirley sure does like black Pontiacs and a certain guy from Dunn. Guess who?

Mary Elizabeth is troubled about her boy friend these days. Wonder why?

Wonder why Dixie likes Fords so good?

Love birds around Westbrook are Robert and Lizette.

We know we have a good ball team, even if Plain View did beat us Thursday night. The score was 46 to 43. While Shirley came up as high scorer with 25 points. Better luck next time team.

Poor Peggy sure is having bad luck these days. She has broken her clavicle bone. What is the joke that Donald, Bobby, and Jean have on her.

Elsie and Marion are rating high.

Violet has her a new fellow. Guess who?

Where did Shirley go Saturday night? She won't tell us.

I bet we can guess where Dixie went. Over to the "Green-top".

The Junior Class sure is coming down lately since all of the girls are getting married. Who will be next?

Boy, the seniors are jingling money around since they had the Talent Contest.

The poor old Freshmen and Sophomores have nothing but a hard time.

Wonder why all the girls around Westbrook has a notion for bangs? Shirley Raynor and Flora Mae Naylor really made a hit singing "Way Up In North Carolina" at the Talent Contest.

Ask Ellen, Betty, and their boy friends how they got along Saturday night.

B. E. D. H. M. E. L. P. R. O. S. and E. R. made a day of it Sunday. You know how it is the late birds always getting caught.

If you want to know what two of the girls who work in the lunch room theme song is ask Mrs. Thelma West and Mrs. Alene West, the cooks.

Guess how much cotton Sue picked? Six pounds in one evening!

Painters at Westbrook School are Johnny Williams, Hoyt Ray West, and Royce Holland.

a dance Wednesday night and we're expecting to really have a grand time. The dance is formal and all the guys and girls will look be-ut-ful! The dance is to be held in the gym and it starts at 8:00.

Who invited Billy Ann to the dance? It couldn't have been Tommy, could it?

Jack Saunders will be leaving good 'ol Erwin tomorrow (Wednesday) and we're terribly sorry to see you go, Jack. Tell 'em to handle you and Bobby Matthews with great care 'cause we'll be expecting you back real soon. You boys be good and remember all the folks back home, and we'll be thinking of you, too!

Jerry Faye and Ray are still hitting it off pretty good together and all of us are glad of it. You two look real cute together; so keep up the good work!

Look! "Mary Louise Miley and George Lucas." They make a grand couple. He graduates this year, Mary Louise. Won't you miss him just something terrible? Of course he'll miss you, too!

So Peggie and O. T. Wilson are still going together. Sounds interesting to me! Guess I'll have to learn some further news about this couple!

What's happened? John Q. and Dean Johnson aren't seen together at school very much now. I suppose they just want to talk to new faces once in a while! Right, Dean and John?

What's this I hear? Yes, it's true! Pat Butler and Dickie Tart are going steady. From what I hear he's "Mighty Handsome."

Next time you go by Mrs. Hudson's class room please observe carefully what she has written on a piece of paper on the door. (This is meant for the Seniors, too!)

Can You Imagine? P. H. Denning and Wanda McLaurin breaking their peace treaty?

Janice Byrd and Bobby Suggs splitting up?

Mary Louise Miley and George Lucas going to a dance tonight?

Frank Weaver meeting one of his "Past Flames" in the show Monday? (Just an accident, I suppose!)

Shirley Jones still going with her "Landed" boy friend, Jim?

Marlyn Steinberg not going to Fayetteville Wednesday?

Mingo School News

The Juniors are planning to give their play Friday night, November 30. We would like for everybody to see "Pat in the Army Now!" The entire junior class is in the cast. We are doing our best to produce a good play.

Mr. Griffin is busy grading books. There are 36 keepings workbooks. Good luck in teaching those students some "booksmanship." Although it is still fall days, it is cold enough that some of the Senior girls are wearing blue jeans to school.

You girls in Home Ec. better learn to cook. One of the Seniors of '51 has found the "Right One" and he likes to eat. Let this be an example.

The Woodmen are presenting a flag to the school Friday night, November 30. They will present it after the Juniors play.

The Seniors have chosen their mascots. They are Bevy Phillips, the daughter of Mr. and Mrs. Casper Phillips and Cecil Wayne Warren, son of Mr. and Mrs. Cecil Warren.

Dale Aman, 4-H Club member and a graduate of '51, has won a trip to National 4-H Congress in Chicago. She has made an outstanding record in 4-H Club work, especially clothing.

We wish Shirley E. Hair good luck in becoming one of the employees at Ross's in Dunn. She really needs the money.

Listen, Juniors, Mrs. Lockamy has received a letter stating that the class rings will be shipped December 21, 1951.

Good luck to the Mingo church members. We hope you make a good profit at the barbeque supper, Tuesday night.

The Mingo 4-H Club met Thursday, November 15, and elected new officers. Joyce Jackson, chairman of the nominating committee gave the following report: President, Marjorie Jackson; vice president, Douglas Aman; secretary, Jackie Jackson; and reporter, Betty Dawson; pianist, Jewel Pope.

Leonidas Warren has found him a new girl friend, but nobody knows anything about her. He doesn't like publicity.

Douglas is pretty hard to keep up with these days. He changes his mind quite often, especially about his girl friends.

Aldridge Morris, Junior reporter.

LONG YEARS OLD CLEVELAND, O. - Man has been using clay over his nose as far back as 2,000 B. C. The Sanitary Engineering Committee reports. In fact, clay solutions from these installations are still in good condition.
