

Pacific Coast Teams Team Up On Lions, Put LA Back On Top

NEW YORK — (AP) — The Los Angeles Rams were only a few well-placed touchdowns away from third straight division title Monday because Coach Joe Stydahar taught his old professor a few lessons in offensive football.

Stydahar studied football for eight years as a Chicago Bears tackle under George Halas. He claims the Bears always are tough because you have to beat the team and that Halas, but Sunday his Rams clobbered the Bears, 42 to 17.

It was the worst defeat ever suffered by a Halas-coached team in the National Football League's National Conference. It swept Los Angeles into first place in the conference when the San Francisco

49ers beat the Detroit Lions, 20 to 10. The Lions now trail the Rams by half a game and the Bears are half a game farther back.

The Cleveland Browns moved closer to their sixth straight division crown by defeating the Chicago Cardinals, 49 to 23. The New York Giants, who trail the champions by a game and a half in the American Conference, shut out the Pittsburgh Steelers, 14 to 0, to keep their faint hopes alive.

The New York Yanks beat the Green Bay Packers 31 to 28, for their first victory of the season and the Philadelphia Eagles defeated the Washington Redskins 35 to 21 in the other games.

The Browns figure to clinch division honors next Sunday against

Nichols' Story Of Dick Todd, New Coach Of The Washington Redskins

WASHINGTON — One of the most sought-after kids in football in the early 1930's was a Texas high school boy named Dick Todd. Eventually, he got on some All-America selections and now is head coach of the Washington Redskins.

One fine afternoon he rang up Sandefer.

"My boy," said he, "we got to get this Dick Todd fellow."

Gib got on the next train and went to see Hardin. Later that day he took another train to Crowell. He had in his duffle a scholarship labeled "Todd."

Dick was flattered and not a little interested.

He said he'd think about it and mentioned that he was in love with a girl named Bernice.

"Tell you what I'm gonna do," said Gib with power of attorney. "I'm gonna go to Europe this summer and I'll take you and your girl friend with me—expense paid. That is, if you decide to come to our school."

Todd thought that over and wrote Gib that he guessed he'd stick around Crowell for a while.

Later, he married Bernice, but before he did he got his learning at a school of his own choice.

He went to Texas A&M and paid his own keep by scrubbing the hardwood of the gymnasium and mending pots and pans. He worked

Isbell Tops SW, Leads Baylor To Orange Bowl Tilt

WACO, Tex. — (AP) — A team that typifies the "easy-going" philosophy of athletic holds the lead in the Orange Bowl in the Southwest Conference and is making plans for a Jan. 1 visit to the Orange Bowl.

The Baylor Bears accepted Miami's bid to tangle with the unbeaten Georgia Tech after trouncing Rice 34 to 13 Saturday in their final game. Although Coach George Cauer's Bruins have the best overall season record in the loop, they had to be content with the runner-up spot.

Texas Christian, the only team to beat Baylor, nailed down the host post in the Cotton Bowl with their 23 to 3 conquest of Southern Methodist Saturday.

The personification of Baylor's calm attitude toward a tough and exciting sport is quarterback Larry Isbell, a rangy, 190-pound senior who handles the ball like it was a tin to be seen with it. This alone has given Baylor yards and touchdowns.

Isbell has fainted and frustrated the opposition during the year, so he is the conference's total offense leader, having gained 1,556 yards. He completed 105 of 214

Trautman Sounds Off Against Radio, TV

COLUMBUS, O. (AP) — A Full-scale feud, bigger than anything that has been seen before in baseball's official family, was brewing today between the major leagues and the minors over unrestricted radio and television broadcasting.

George M. Trautman, president of the minors, sat up his sleeves and took a sock at the big leagues when he said: "We can no longer survive in our business if the broadcasting of major league games into our territory continues at its present pace."

The majors can go at it day and night now, he said, "restrictions are off. They are afraid of the consequences in Washington and are letting the bars down to avoid complications. And the minors are going to suffer for it."

Trautman acknowledged that there was not much that the minors could do about it and that the issue would be settled definitely when the majors have their meetings in New York next week.
