FRASIER DUNN UNIT
Dr. Darr, after hearing the annual reports of President Seay and Secretary Green, offered high praise for the "splendid record" made by the Dunn unit and commended the officers for the outstanding work being accomplished.

Secretary Green reported that during the past year the association loaned its 1936 members a total of \$903,000 and that 97 per cent of the loans have been repaid; that the organization's net worth is now \$180,000.

Since formation of the unit in 1933, the report shows, the organization has made a total of 15,751 loans totaling \$8,714,696 and during these entire 18 years the association has lost only \$2,047.

OFFICERS DENAMED
President, Seay was re-elected president for his tenth consecutive term, and all other officers were also re-elected. Mr. Seay has been a member of the board since formation of the agency.

Other officers are: Julius E. Williams of Angier, vice president; Secretary Green and E. S. Williams Jr., of Erwin, Kyle Harrington of Broadway and Leland Lee of Dunn, Route 2 directors.

All the officers have records of long tenure of service. R. S. Williams has served since 1942; Julius Williams has served since 1940; Harrington has served since 1949 and Lee has served since 1950. Mr. Green has served as secretary-treasurer since June 1, 1948.
