WASHINGTON (P) — Prime Minister Churchill is shifting his foreign policies around a bit to please the American voter. More especially he wants to please the United States Congress.

CHICAGO (P) — A blizzard pushed by a severe cold front howled down into Montana and the Dakotas today on its way to the snow-smothered Midwest as a vast cold wave stretched South to the Gulf of Mexico and East to the Atlantic Seaboard.

WASHINGTON (P) — The State Department today dismissed as "preposterous" charges by Senate investigators that passports were issued to known Communists and fellow-travelers to visit Russia and other Iron Curtain countries on an expense-paid tour.

WASHINGTON (P) — Some Congressmen, distressed at the small number of names on the list of 3,198 U. S. Servicemen whom the Chinese Communists reported as prisoners of war in Korea, today demanded an all-out investigation of Red atrocities which first were disclosed by the U. N. last month.

WASHINGTON (P) — John L. Lewis said today that the United Steel workers CIO are "certainly entitled to a substantial increase in wages" and the steel industry "obviously can pay it." His United Mine Workers may support a steel strike.

Burrage

PTA meeting early in May, when the group turned in a creditable performance.

Summer practice was not held, Burrage said, because it was found that the extensive recreation program in Erwin filled the time of the youngsters during the summer month: This caused a falling off in membership and there are now about 28 regular members. "However," he added, "we hope to build back up in the near future."

UNIFORMS NEEDED

This fall, in addition to the regular rehearsal period the band held march practice. "When I saw how well they were doing," Burrage said, "we worked out some routines and used them at the Methodist Orphanage football game."

Other events in which the band participated, were a parade through Erwin advertising the show held for the band fund by the Lions and a performance at this show.

"The youngsters were a bit dubious about marching in the Dunn Christmas parade without uniforms," Burrage said, "but there was much favorable comment on their performance." He said the group was working on a concert to be presented in early spring. This would last for from 45 minutes to an hour and would include solo numbers to round out the program.

HAVE TO BE INTERESTED

"These youngsters have to be pretty much interested to spend time after school hours in rehearsal," Burrage commented. He said it was hoped that next year re-

GAINAY FINED \$25
Walter Gainay of Erwin, in a contested suit was found guilty of speeding and of careless and reckless driving. He drew a 60 day road sentence, suspended two years on condition he refrain from violating any motor vehicle law and pay a fine of \$25 and costs.

Gainay was the object of an unlucky pursuit by three officers who in the 70-mile-per-hour chase overturned a patrol car, injuring Patrolman Joe Whittaker, D. L. Matthews and Deputy Sheriff Claude Avery. Matthews and Avery were in court yesterday.

Cpl. Ronnie Williamson told the court that Whittaker suffered three broken vertebrae, two broken ribs and a kidney injury and that although released yesterday from Rex Hospital, Whittaker would have to be in bed for additional weeks.

The accident happened on a dirt road leading from Bunnlevel and Erwin to the prison camp road near Lillington.

Patrolman Matthews testified that the last time he noticed his speedometer before the car overturned it registered 70 miles per hour. He said Gainay, after the accident happened, returned to offer assistance and admitted to him he was driving the car in front of the patrol car. Matthews also said Gainay had been drinking but was not under the influence of whiskey.

was convicted of larceny of seed cotton and action against two others named in the same suit was dismissed.

Shady McKeithan, young Linden Negro, was convicted of larceny of two sheets of seed cotton from the farm of R. S. Williams. McKeithan was given a 60 day road sentence, suspended two years on condition he not violate any laws. Action against Louis Hart and David McLean, a cripple unable to appear in court and named in the same warrant was dismissed.

Williams testified that five sheets of cotton were taken from his field and that McKeithan readily admitted to him he moved two sheets which the Negro later returned to him. Williams quoted McKeithan as saying Hart was aroused by McKeithan to help with the car after it broke down and had nothing to do with moving the cotton.

THE OLDE TOWNE ARTS CLUB HOLDS CHRISTMAS PARTY AT JOHNSON'S

The General Lee Room of Johnson's Restaurant was the scene of a Christmas party last night when members of The Olde Towne Arts Club entertained their husbands at the club's annual party.

A beautifully lighted Christmas tree was the center of attraction in the room. Guests were seated for the dinner at one long table appropriately decorated in the Yuletide motif. Red candles in silver candelabra were on either side of the original centerpiece, and greenery and red candles extended the length of the table. Small candy canes used with greenery and tied with Christmas ribbon marked each place.

The delicious dinner consisted of fresh fruit cup, barbecued chicken or ham, candied sweet potatoes, butter beans, tossed salad, pickles, olives, deviled eggs, rolls, coffee, pineapple icebox pie, nuts, and Christmas candies.

When the guests were seated, Mrs. Willie Moff, club president, extended the welcome and Emmet Aldredge gave the invocation.

Following the meal, Emmet Aldredge, Billy Pope, Mrs. Curtis Ennis and Mrs. J. N. Stephenson were the lucky winners in a raffle. They received small fruit cakes. Christmas gifts were exchanged, and the group sang Christmas carols. "Happy Birthday" was sung to Mrs. Howard M. Lee, and William Newsome who were celebrating their birthdays that day, and also to Billy Pope, whose birthday was the following day.

Members and their husbands attending the party were Mr. and Mrs. Willie Moff, Mr. and Mrs. Emmett Aldredge, Mr. and Mrs. Billy Pope, Mr. and Mrs. Curtis Ennis, Mr. and Mrs. J. N. Stephenson, Mr. and Mrs. Howard M. Lee, Mr. and Mrs. William Newsome, Mr. and Mrs. John Ciccone, Mr. and Mrs. Hoover Adams, Mr. and Mrs. Mack Watson, Mr. and Mrs. L. P. Stephens, and Mr. and Mrs. Vic Anderson. Mr. and Mrs. Gerald Mann were guests for the evening.

Master of Ceremonies for the event will be Dr. William Howard Carter of Goldsboro. R. C. Payne, manager of the Fayetteville District and E. C. Hood, manager of this district, will also be present.

Plans have been made for entertaining about 300 persons, including members, their wives and children, and 92 children from the two orphanages. Each child present will receive presents from Santa Claus, who will head the guest list.

Damage done to the automobiles was, respectively, \$50, \$50, \$200 and \$600.

Patrolman Matthews said all four cars were headed toward Erwin and following each other closely. He said the icy bridge was responsible for the accidents and no charges were preferred.

In another accident between Buie's Creek and Erwin, a 1937 Chevrolet sedan operated by H. A. Johnson, 62, of Erwin, Route 1, collided with a 1950 Dodge operated by Erwin Luncford, 30, of Rock Point. Damage to the Dodge was about \$200.

Taxi-Car Wreck Reported Here

Despite the weather, which was the indirect cause of accidents elsewhere, only one accident required investigation by the Dunn Police Department during the past 24 hours. This was at 5:00 p.m. yesterday.

Involved were a 1950 Chevrolet taxi, owned by Donald Dyer and driven by Berry Allen and a 1951 Chrysler, owned by R. E. Byrd of Bunnlevel and driven by his wife.

The taxi, proceeding west on Edgerton hit the left side of the Byrd car and knocked it into a telephone pole at the intersection of Edgerton and North Washington. Damage was about \$300 to each car.

hearsal time might be included in school hours as it is now in Dunn.

"The most pressing need of the band, aside from the change in hours," he said, is uniforms. They don't feel that they are actually a band until they dress alike and look alike. From the educational standpoint," he added, "other things might seem more important but to the members, uniforms would probably top the list in present needs."

President D. G. Woodall presided and the speaker was introduced by secretary-treasurer, Louis Dearborn. Woodall issued a direct challenge to the Erwin School Board to do something to improve the band situation. Two members of this board were present at the meeting.

Since the next meeting would fall on New Years Day, it has been cancelled and the first meeting of 1952 will be on January 13. The speaker for this occasion will be Rev. M. C. Dunn, pastor of the Carr Baptist Church in Durham, who recently made a trip through 17 foreign countries. He has been pastor of the Durham church for 12 years.

Because of the cancellation of the first January meeting and the prominence of the speaker, each Lion will bring a guest to the January 13 meeting. Details of this meeting are to be worked out by the board of directors. Chairman of the committee to blind work, W. E. Milley, Jr., reported that the club will supply Christmas cheer to fifteen blind or partially blind persons in the Erwin section. Two of these are children who will be supplied with toys, and the rest adults, who will receive baskets.
