STREET SCENE

Something fascinating about a street scene!

Whether in Centreville or far off Algiers, we like to see people . . . to wonder who they are . . . where they are going . . . what they are thinking.

Why are people so important, so much more important than anything else on earth?

It is because our Christian religion has taught us that each man is a son of God, a human soul with the spark of the Divine.

In lands where our religion is denied, people are not important. Life is a plentiful commodity.

Makes you think, doesn't it? Points you to the Church—where man comes to understand himself by understanding God.

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
