Teen Tattle Tales

By LINDA AYCOCK

Thank goodness exams are over! They weren't too hard but they could have been easier. I hope everyone passed!

The armory was filled Saturday night and everyone had a wonderful time. Anne and Jimmie McLean were really swell. Dancing like I've never seen! They taught us the Carolina Walk and did an extremely beautiful Fox Trot. Several of the couples participated in an apple dance. In this the apple was put between our foreheads and we danced until it fell out. Nancy Jernigan and Raymond West won. Later we had refreshments and then danced some more. We should do that more often.

Why is it that Everette Turlington is seen at the Harnett Theatre so much lately? (Frances Register?)

Pat Butler to Dick Tart while riding with him: "Dick, don't drive so fast!"

Dick: "Why not?"

Pat: "That policeman on a motorcycle behind us can't get by!"

The results of the ball games between Dunn Hi girls and boys and the National Guard girls and boys were very much in our favor. Betsy Lee was high scorer for the girls and Tommy Waggoner for the boys. The scores? 30-20 girls 44-23 boys.

Charles Johnson seemed to be attached to a certain girl in high school. He comes at lunch to see Catherine Stephenson—oops, I slipped!

The Intermediate G. A.'s of the Baptist Church had a skating party Friday night. Boys and girls were skating up and down the street having a wonderful time. After skating we headed for the church for cats. Someone will have to have another one real soon. . . . Daley Goff: "I fell over fifty feet!"

Frank Wilson: "Were you hurt?"

Daley: "No, I was just going through a crowded bus. . . ."

Dunn has three ball games this week. Wednesday night we tackle Ben Haven in Ben Haven. Thursday and Friday nights we play in Dunn. Come on out and root for your team! It's more fun!

Lawyer: "You say you were about 35 feet away from the scene. Just how far can you see clearly?"

Old farmer: "Well, when I wake up, I see the sun, and they tell me that's about 93 million miles."

Why do I see Faye Godwin and Bobby Barefoot in the halls together so much? Couldn't be you have changed your minds?

Morton Fleishman, do you and Stippa Smith enjoy "working" together on Saturdays? How about the girls you saw, do you like them?

Ronnie Kimmell, is it true you changed your mind about Anne Connor Friday night?

I promised I wouldn't put anything about Jimmie Thompson and a girl in my column, but Jimmy is a cute boy, gals. What's wrong, is he too slippery to take a grab on and hold for a while?

William Moody, I hear you will be traveling the Benson highway right much nowadays. What's her name?

Annette Barefoot why can't Buddy Bush hook you? Sonny Carr? Did you hear? The Student Council's going to have a dance for the whole student body! They haven't decided a date yet, but I'll let you know as soon as they let it out!

Nancy Jernigan, who is your favorite beau?

Bobby Raynor to Claude Pope: "Do I remind you of Jane Russell?"

Claude: "Yes, you have legs just like Bob Waterfield!"

William Corbett is claiming he saw a western movie on TV that was so old the cowboys were riding dinosaurs.

Overheard: "The best way to get rid of a noise in your car is to let her drive."

"They had a very quiet wedding. Her father put a silencer on his shotgun."

"You look so good on television you should never be seen in person again!"

Can You Imagine: Mr. Browell and Mrs. Pridden going easy on the homework? Rita Fleishman without a buick full of girls and boys? Mott Butler and Kack White not playing basketball? Frank Spruill walking between classes without Barbara Reddish? The band without Elnelyn Maxwell standing up there looking at everyone? Joyce Godwin and Walter Byrd staying mad on Saturday nights? Bobby Day Godwin without a girl friend? Dunn Hi without the armory or Charlie's? Mrs. Dixon carrying around her favorite joke book? Harold Bass sporting girls around town? Peggy Ruth Barfield without a date? Barbara Snipes counting the days till Graham Stewart comes to see her? Report cards come out on the 28th. This isn't such good news, is it?

Thomas, Mrs. Leslie Surles, Mrs. Grace Smith, Mrs. Juanita Kleven, Mrs. Edward Hudson, Mrs. Ada Gordon, Mrs. Lee Hinson, Mrs. Dallas Hudson, Mrs. Perry Moore, Mrs. Wade Norton, Mrs. K. M. Mrs. Katie Ellen, Angier, N. C.

It would be hard! Louis Surles about a temperamental girl: "She's a very high - Clash type of girl!" Texas better build some more cliche Warner Brothers are running out of movie titles.
