NEW YORK — Sunnyside Garden—Carmine Fiore, 144, Brooklyn, knocked out Tony Allegro, 139, New York, 5

AND THEY DIDN'T GET HOME UNTIL MORNING

LOOK AT THOSE TWO FLAT TIRES, AND WAY OUT HERE — Some of the girls and boys who were in the group that was stranded out in Western Harnett following the Dunn-Benhaven ball games on Wednesday night. The Dunn High bus had a couple of flats on the right rear after traveling only about three miles toward home from Benhaven school. After sending help 13 miles to Lillington to call Dunn for service, and running into many difficulties, the students were sent to Dunn by automobiles. Rita Fleishman, Charlie Dorman, and Sheel Carr came the 33 miles to Dunn, got cars, and went back for the group and returned them home by 5:30 A. M. Coaches Paul Waggoner and Sybil Barrett and the students on the trip have mentioned the thanks and appreciation for the companionship and helpfulness of Mr. Howard Pace, who lives only a short way from the spot where the group was stranded, since he made every effort to assist and comfort those in the party — a real friend and good fellow. (Daily Record photo by T. M. Stewart).

Greenwave Plays In Armory Tonight

Harnett Conference Games With Anderson Creek Fees

Girls, Boys, and Junior boys of Anderson Creek High come to Dunn tonight to play the three Greenwave teams in the armory here, and not in Lillington as had been published.

Coaches Carr and Warren bring their teams here with the intention of repeating the Benhaven feat, handling the local teams more defeats. But the local teams will be heavy favorites in two of the three games tonight as the Varsity boys and Junior Varsity boys tangle the visitors. The girls' game is rated as anybody's ball game.

The visiting boys have yet to win a Harnett Conference game while dropping 10 decisions, the local boys have one win and one loss in the conference. The Greenwave girls have a tie and a loss, and the A. C. girls have won five and lost four and tied one.

LEADERS OF THE TEAMS
Ann McArtan and Bobby Darden will lead the visitors against the Greenwave girls and boys, and

Beisy Lee and Tommy Waggoner will lead the home teams, according to the last few games.

The Dunn teams are going to have to do something about their fouling if they intend to win ball games this year. At first, it seemed that it was a temporary situation that would be remedied by experience, but both the girls and boys (mostly boys) are continuing to make far more fouls than are allowable in winning games.

In tonight's games, the girls and boys of Dunn High have a chance to put their school in the running for first-division positions in the Harnett Conference standings. Only a little more concentration on the game is necessary in some cases to improve the teams.

Dunn teams may grab three victories tonight, beginning at 6:30.

John Saxton Goes For 25th Tonight In N. Y. Garden

NEW YORK — 1952 Christenberry, New York's crusading boxing chairman, still had fire in his eyes when he went to today's weigh-in for the Johnny Saxton-Livio Minelli fight.

The heat of his glance caused men of the fight mob to wonder, "Who is the target for today?"

Could it be anyone connected with tonight's welterweight fight at Madison Square Garden? Or could it be someone still unscathed in the Garden slugging two weeks ago, or in his feud with light heavyweight Harry Matthews?

CHRISTENBERRY TYPE

Neither Saxton nor Minelli appeared destined for a blistering because their records are so clean a certain inhabitant of cauliflower canyon described them as "footless" fighters.

"You mean faultless fighters, don't you?" a hearer inquired. "Now, we call 'em footless because they ain't never kicked, a referee."

Unbeaten Saxton, young Brooklyn aspirant to the welterweight

Coach Blaik To Remain At West Point

Blaik Says He Will Stay At Point Long As Wanted

WEST POINT, N. Y. — Coach Blaik has decided to remain as Army's football coach, as long as he's wanted, but he said today it will take several years before the team regains its glory of old.

As a matter of fact, Blaik said, things may get worse before they get better. But they will get better eventually.

There has been much speculation that Blaik might quit as a result of the criticism and which wiped out his squad and brought in a wave of dissipation at the academy. Blaik himself indicated at the end of last season he hadn't decided what to do.

But yesterday he met with the academy superintendent, and after the conference it was announced Blaik will remain on the Plains. "I intend to remain at the military academy so long as I can be of service," Blaik said. "I hope the superintendent's statement ends further speculation."

HARNETT AT THE POINT

The superintendent, Maj. Gen. Frederick Irving, in making the announcement, insisted that there is no fight between him and Blaik

on athletic policy. "In a recent interview I said the dual position of director of athletics and head football coach, Blaik holds both jobs, was a temporary organization and that I personally felt these two positions should be separated for a permanent organization," the general said.

"I should like to emphasize that personally felt these two positions should be separated for a permanent organization," the general said.

"I should like to emphasize that I meant this statement to apply generally and not to Col. Blaik in particular. I feel that Col. Blaik's professional ability as an administrator as well as a football coach adequately qualifies him to wear both hats."

Dick Button Wins Garmisch Skating

GARMISCH PARTENKIRCHEN, Germany. — Dick Button, American's best bet for a Gold medal in the Olympic Winter Games next month, won the men's figure skating title yesterday at the Garmisch Winter Carnival with 5180.97 points.

Button, 22-year-old Harvard senior from Englewood, N. J., built up a good lead in the compulsory figures Tuesday and remained ahead with his display of free skating yesterday. European champion Helmut Seibt of Austria finished second. Button will defend both his Olympic and world titles while in Europe.

Susanne Morrow of Canada won the women's figure skating competition with 5182.94 points.

Young Golfers Take Lead At Phoenix; Negroes Lag Behind

PHOENIX, Ariz. — The "younger generation" took over in the \$10,000 Phoenix Open today with Julius Boros, Bob Toski, Cary Middlecott, Fred Hawkins, Ed Kroll, and Jackie Burke leading.

Boros, who has been on the tournament trail only two years, led off with a two-stroke lead over the pack after firing a very professional five-under-par 68 yesterday on the Phoenix Country Club course in the opening round.

That fine shot-making should have given him a comfortable lead over the rest of the golfing greats. But they stayed right on his heels as 29 men equalled or bettered the par-71 for the six-holed layout.

And if any of the touring professionals were worried lest the new influx of Negro stars might dim their brilliance, they rested easier today. Ted Rhodes, a professional from Los Angeles and Nashville, Tenn., topped the Negroes with par 71 by birdieing two out of the last three holes. Bill Spillar, another Negro professional, had a 79 and Sural Clark, an amateur from Los Angeles, an 81.

LOUIS ALMOST SATISFIED

Former heavyweight boxing champion Joe Louis, who pioneered Negro play in PGA-sponsored tournaments, said he was "well satisfied" with the new PGA rules, as carried out in this tournament.

"However, I would like to have one change in the rules—the one that requires Negroes be especially invited, before they can compete

Games In Western Area Head Post-Exam Basketball Slate

By EARL WRIGHT

NEW YORK — College basketball players, who have been hitting the books for mid-year examinations, begin aiming for the baskets again tonight as the tussle for conference titles and tournament berths starts in earnest.

Five conference games are scheduled tonight, and tomorrow night's full program will include appearances by three of the nation's four remaining undefeated teams—Illinois (11-0), Kansas (13-0) and St. Bonaventure (11-0). Duquesne (11-0) returns to action Monday against Villanova.

Coach Tippy Dye's strong Washington team, ranked fifth in the country by the United Press Board of Coaches, heads tonight's card as it attempts to boost its pace-setting 5-1 record against Washington State in the Pacific Coast Conference's Northern division. The team's meet again tomorrow night with both contests scheduled at Pullman. Wash. Dye's team has a 14-2 overall record.

ON THE MOUNTAIN TOPS
Two Skyline Conference games, Utah-Colorado A&M and Montana-Wyoming, are on tap tonight. In other league games, Rice always plays Baylor in the Southwest Conference and Furman meets the Citadel in the Southern Conference.

Other games tonight: Western Kentucky-Miami (Fla.), Seattle University-Montana State, Texas A&M-Houston, St. Mary's (Calif.)-Oregon, Louisiana Tech-boyola of the South, College of the Pacific-San Francisco State, and the South Dakota State-North Dakota State. But the second half of the campaign really begins to hum tomorrow night when Illinois, ranked No. 1 in the nation, matches its perfect record against rugged DePaul at Chicago Stadium. DePaul has a 14-4 record and hopes for an upset if it can split the strong Illinois defense.

A SNEEZEWEE BATTLE
In other games of national interest, Kansas hits Kansas State, with a 2-0 conference mark, inside in a 24 Seven showdown at Man-

hattan, Kan., while St. Louis and Oklahoma A&M play at St. Louis with the Missouri Valley Conference lead at stake.

Kentucky is expected to add Alabama to its list of Southeastern Conference victims; Bob Pettit will try to pass Clyde Lovellette of Kansas in the individual scoring race when he leads Louisiana State against Tulane; first place North Carolina State plays North Carolina in a Southern Conference feature, and St. Bonaventure tries to ru its victory streak to 12 against Youngstown in an upstate New York contest in other Saturday night features.

ELECTRICITY ... THE POWER BEHIND GUNS AND BUTTER
CUT THIS PLANT AND REAP A THOUSAND SHORTAGES!
If we are to have an adequate supply of guns and butter—if indeed we are to have enough of either—electric power companies must be permitted to finish the job they have already so effectively begun. Generating plants must be enlarged. Many new plants must be built. Both need critical materials now for completion in the years immediately ahead.
Let's not make the mistake of issuing anti-trust laws before the necessary business are available to drive them. Our "Guns and Butter" is quite a bit more than a slogan. It is a reality. It cannot be supplied unless an adequate supply of electric power is built and certain.
The business managers, for paying power companies can and will supply all the power this country needs unless present expansion programs are allowed down by governmental restrictions on the use of bonded materials.
ELECTRICITY costs so much ... yet costs so little!
CAROLINA POWER & LIGHT COMPANY
