Club Tackles Trash Problem

Lillington's Business and Professional Women's Club Monday night adopted a resolution calling upon the town board to require merchants who burn trash on vacant lots to use city-incinerators for that purpose and where no incinerators are available to request that the town provide them. The resolution cited particularly the pile of trash on the vacant lot next to the Education Building which is on the main entrance to the town and directly opposite the courthouse. Trash left unburned frequently blows down the steep embankment and creates a "littered appearance" on our main highway the resolution said. Miss Lois Byrd introduced the resolution which was seconded by Miss Betsy Ross and adopted without a dissenting vote. Miss Adelaide Shaw, club president, will convey the resolution to the town board.

The club meeting in regular session at the Community Center at its regular monthly session heard a program presented by the membership chairman, Miss Mabel Alston. Miss Alston cited the advantages of membership in a federation which is the largest in the world devoted to the interests of the employed and professional woman. At the close of her talk she presented the name of Miss Gladys Stewart of Buie's Creek as a prospective member. The club voted approval. Prior to the meeting refreshments of cookies and spiced tea were served by the hostesses Mrs. Prentiss Sloan and Miss Lois Byrd.
