CHAPTER TWO TO LIVE OR NOT TO LIVE

Williams Has No Intention Of Retiring

Norrow Index of the last for the last of the Superior Court Judge Clawson L. Williams of Sanford, one of the State's veteran judicial officials, todav squashed reports circulated in the district that he might re-tire and asserted. "You can quote me as saving that I have no in-tentions of retiring." Reports have persisted for sev-eral months that Judge Williams, who suffered serious filness about a year ago, would step down in time for candidates seeking the of-fice to enter the spring primaries. Judge Williams, now hale and hearty and enjoying good health, laushed at the reports. "The sod people of the Fourth Judicial District have kept on elect-ing me." he said, "and I certainly have no desire or intentions to re-cire."

HAS SERVED 18 YEARS Indge Williams has served on bench for the past 18 years d his present term will not ex-e for six more years. He has en unopposed since his election

Airport Closed After Receiving Bombing Threats ELIZABETH, N. J. (P)

Newark's airport's third airliner disaster within two months killed 29 persons and injured 42 early today. A huge four-engine DC-6 was the third big transport to crash into heavily congested residential sections of this city

Government authorities in Wash Government authorities in Wash-ington spoke of a "jinx" but the New York Port Authority, opera-tiors of the airport, revealed that it had received anonymous bomb threats against both its Newark and its New York City LaGuadia airports. AIRPORT CLOSED 5 So grave were the implications

AIRPORT CLOSED So grave were the implications that the authority shut down New-ark, one of the country's biggest and busiest airports, at 3 a. m. "in the light of these tragic events and pending further investigation," Today's disaster plane was own-ed by National Airlines. It smash-ed into a four story apartment house in which 60 families were sheping two minuter after its take-off for Miami. Boch building and plane burst into flames. It occurred within the same square mile of Elizabeth in which the two other airliners crashed bec. 16 and Jan. 22, the first just after leaving Newark, the second while attempting an instrument landing. ON CLEAR NIGHT Inding. ON CLEAR NIGHT

ON CLEAR NIGHT The newest crash was on a clear, moon-lighted night. The first crash occurred in good weather too but the second was on a rainy, foggy afternoon. Engine trouble was the (Continued On Page Three)
