 Highway Dunn, N. C.

Department busy over the weekend, according to the records at the Police Station.
 Saturday at 3:25 p. m. Miss Faye Jackson reported that she had just run over a boy on a bicycle. Miss Jackson, driving a 1951 Studebaker south on Clinton Avenue, she said, when Paul White, Jr., riding a bicycle, crossed the road from the vicinity of the rear door of the Hood Memorial Church.
 The boy rode the bicycle directly into the path of her car, she said, and she did not see him until just before she struck him. At the Dunn Hospital it was determined that the boy's injuries were minor and his bicycle was not badly damaged.
 Edward P. Hood reported that he had parked his car beside the Hood Drug Store and when he returned two hours later the car had been stolen. The car was recovered by the State Highway Patrol in Lillington.
 Dunn policemen, too, were in on the investigation of the stabbing of Nancy Jane McLean, her daughter Carrie and a niece Mary. They were called to the Dunn Hospital when the victims were brought there.
 Another Negro, William H. Cutts of Angier Route 2 was brought to the Dunn hospital suffering from knife wounds in the left side of his chest. He said the cutting occurred between Judy's Place in Angier and the highway. Angier police are investigating the occurrence.
 Another assault which called police to the hospital was that of Annie Nance, who told officers that she had been hit over the head with a table lamp at her home by Richard McLean.
 At 8:45 p. m. yesterday, police were called to investigate a wreck at the intersection of Edgerton and Ellis. They found that a 1951 Chevrolet, driven by Leslie H. Wood, Jr., and owned by H. M. Morgan, both of Lillington, had been hit by a 1951 Henry J., driven by Royal V. Porter and owned by Paul Porter, both of Route 1 Newton Grove.
 Wood told the officers that he had stopped for the stop sign and Porter had run into him. Damage to the Chevrolet was \$10 and to the Henry J., \$15. Porter was charged with drunken, careless and reckless driving and damage to property.
