POW Agreement Is Reached

Hopes Rising For Earlier Peace Treaty

PANMUNJOM, Korea (U) — The United Nations and the Communists agreed today to return all war prisoners within two months of a Korean armistice.

The U. N. also offered to meet the Reds half-way in the dispute over the number of ports through which rotated troops may pass during a truce.

Both sides were taken in meetings of staff officers. The full truce negotiations still were in recess, awaiting a promised Communist compromise proposal for a full-scale Korean peace conference.

Col. George Hickman, senior U. N. staff officer, told the Reds at the meeting on a prisoner exchange that the Allies could move to the exchange point all 132,000 Communist prisoners within 60 days of an armistice.

The Communists promised they would have all 1,559 Allied war prisoners at the exchange point within the same period.

SETTLES ALL QUESTIONS — The agreement was believed to have settled all outstanding questions relating to an exchange of war prisoners except the most controversial point of all — the U. N.'s insistence that prisoners shall have the right to refuse repatriation. The Communists still contend that all prisoners should be repatriated, by force if necessary.

The name of Maj. Gen. William F. Dean, highest-ranking American officer in Communist hands, was mentioned for the first time in the truce talks. His name came up when the Reds said it would be impossible for Red Cross representatives to accompany all Allied prisoners to the exchange point.

"This would not be mandatory for all prisoners," Hickman replied. "It would be idle, for instance, to accompany General Dean to the exchange point."

Dean, reported in good health, is (Continued On Page Two)

HARNETT EDUCO LEADERS — Heading the Harnett County Educators Club this year are President A. B. Johnson, right, and Secretary C. H. Hood, left of Lillington. This picture was made Monday night at the monthly business session held at Johnson's Restaurant in Dunn. The organization is now busy with plans for the annual basketball tournament and for other projects to be carried out during the year. (Daily Record photo by J. W. Temple, Jr.)

Ike Supporters Will Enter Him In Pennsylvania

WASHINGTON (U) — Republicans campaigning for Gen. Dwight D. Eisenhower have decided to make their next major bid for support in the critical state of Pennsylvania, it was learned today.

An announcement is expected this week putting the North Atlantic commander in Pennsylvania's GOP presidential preference primary April 22. Next Monday is the deadline for filing.

Like some other states, Pennsylvania holds a presidential preference vote in which the names of the candidates themselves are entered. This vote is not binding, however, on convention delegates elected at the same time.

IN TWO OTHERS — Eisenhower supporters already have entered the five-star general in the New Hampshire and Minnesota primaries.

Taft, considered Eisenhower's chief rival for the GOP presidential nomination, has indicated no intention of putting his name before the Pennsylvania GOP voters.

Among Democrats, Rep. Adolph J. Sabath (Ill.) said he gained the impression from President Truman yesterday that the President does not want to seek re-election if the Democrats can find another candidate who can (1) handle the job and (2) get elected.

Sabath, who urged Mr. Truman to run again, told reporters that he thought the President has not yet made a final decision.

OTHER DEVELOPMENTS — Taft, campaigning in Seattle, (Continued on Page Two)

Duke Arrives For Funeral

LONDON (U) — The Duke of Windsor, coming home to join this sorrowing nation in its final tribute to his brother, George VI, said today he was sure the dead king's qualities would descend to his daughter, Queen Elizabeth II.

The duke arrived at Southampton on the liner Queen Mary from New York, without the duchess for whom he abdicated the throne in favor of George VI.

Before he left for London, to take part in the king's state funeral Friday, the duke made a brief statement which ended: "God save the Queen!"

It was with the invocation "God save the King" that he announced his abdication as Edward VIII in 1936, because he could not live without "the woman I love."

As the duke arrived, it was announced that his mother, 84-year-old Queen Mary, would not attend the funeral. She is quite well but was excluded, but could not at her age to go through the ordeal of the funeral ceremony.

Young Queen Elizabeth, forced to carry out her pressing royal duties despite her grief for her father, received a 20-minute demonstration of the House of Commons, led by Prime Minister Winston Churchill. And at Westminster Hall, the endless line of people from all over the world continued to file past the catafalque of the dead king.

MR. DEARBORN ILL. — Louis Dearborn, city editor of The Daily Record, has been confined to his home in Erwin with influenza since Sunday.

Lillington VFW Leading State

Lillington's post of Veterans of Foreign Wars is leading North Carolina in the percentage of new members gained since last year, it was reported today by Post Commander W. K. (Billy) Sexton.

Fifth District officials who visited the post last week notified Lillington that the Harnett County post has shown a 41.1 per cent increase in members during the past year. The post now has 82 members.

North Carolina, Sexton said, that Lillington probably holds the top spot in the nation. Meanwhile, veteran V. F. W. (Continued on Page Two)

Chamber Is Opening Drive

The local Chamber of Commerce is starting an intensive drive for members this week with the mailing of the first several promotional cards to prospects within the community, according to C. E. McLamb, president of the organization.

The theme of the campaign will be "We'll Get More Done If We Get Together." Copy on the first card will point out that "It takes concerted action to get things done in these modern times. It takes co-operation and united action to get things done."

Our Chamber of Commerce receives excellent support from the business firms and professional men of the community," Mr. McLamb stated, "but we are hoping to broaden the base of our membership group and have more individuals take part in our program. At the present time our membership includes representatives of practically every type of community activity and endeavor. It works on the community level and not for any individual or particular firm. The Chamber of Commerce invites you to share in maintaining the civic, industrial and commercial progress of our community. Help us make it a better place to live, to work and to do business!"

The card described as one of a series that will go to prospects. Others in the series will touch on the various functions of the Chamber of Commerce.

Our Chamber of Commerce receives excellent support from the business firms and professional men of the community," Mr. McLamb stated, "but we are hoping to broaden the base of our membership group and have more individuals take part in our program. At the present time our membership includes representatives of practically every type of community activity and endeavor. It works on the community level and not for any individual or particular firm. The Chamber of Commerce invites you to share in maintaining the civic, industrial and commercial progress of our community. Help us make it a better place to live, to work and to do business!"

Copy on the cards also says, "Your Chamber of Commerce is an organization of business and professional men and women banded together for the good of our community. Its sole function is to get things done for the community at large. It works on the community level and not for any individual or particular firm. The Chamber of Commerce invites you to share in maintaining the civic, industrial and commercial progress of our community. Help us make it a better place to live, to work and to do business!"

Everyday contact with the hospital gave us a free lesson in psychology and it is this:

Some people would rather remain invalids, basking in the sympathy and attentions of those who must wait on them, than go on to recover and a renewed battle against the tough outside world.

"Why go back to the hospital, bills and turmoil?" say the invalids.

"Why go back to school and the struggle to find my place with other children?" say the young-uns.

So, then, you the parent, you are afraid for the child who must (Continued On Page Two)

CHAPTER FOUR AS LIFE RETURNS

There are two ways to demonstrate love to your child. First by capitulating to every wish, denying him nothing. Second by choosing the most sensible course, even if it involves firmness and discipline. We chose the latter way, and it has paid off handsomely.

For even while we secretly wanted to give into Chuck's every whim, we would not. Hospitalized patients, young or old, easily become spoiled.

Everyday contact with the hospital gave us a free lesson in psychology and it is this:

Some people would rather remain invalids, basking in the sympathy and attentions of those who must wait on them, than go on to recover and a renewed battle against the tough outside world.

Billy Graham Out Of State Election Day

Hoover Adams, editor of The Daily Record and correspondent for the various State governments and the national press, has been in the Raleigh News and Observer for the past several days.

The story involved was one of the many that Billy Graham is telling President Truman as he visits the State capital.

Adams said the story was written by Rhodie Hamilton of Erwin News Service, which represents The Daily Record and a number of other North Carolina newspapers in Washington. It also represents the Harnett County News in Lillington.

He said he released the story along with other news articles gathered by him and his staff, and was quite surprised when it appeared in the Raleigh paper. (Continued on Page Two)

Club Will Hear Phone Official

At the next meeting of the Bute's Creek Club, February 19, the speaker will be Jack Havens, assistant to the president, Carolina Telephone and Telegraph Co. He will report on plans for improved telephone service for Bute's Creek.

Plans for the Havens visit come as a result of a visit last Wednesday to the office of the company at Tarboro by a committee composed by the club president, Leslie H. Caldwell of Pamphlet College, headed the delegation. Other members were James Johnson, P. M. Hanks, treasurer of the college, Lonnie Small, assistant treasurer, F. M. Caudill and Mrs. Horace Elbert.

MORE PHONES ARE SOUGHT. The trip came as a culmination of a series of efforts to better the telephone service in the community. Some months ago a petition was drawn up and signed by many citizens of the village. More recently Lonnie Small has been conducting correspondence with various officials including Governor Scott.

The proposal is for a telephone exchange in Bute's Creek to replace the present small number of 16 party lines. Many citizens have had applications in for upwards of three years without receiving telephone service.

From Childhood To Queen

This is the last of five dispatches on the new Queen Elizabeth.

By CHARLES M. McCANN United Press Staff Correspondent Lillibet and her husband were all set to sail for Canada.

On last September 18, one week before their scheduled departure, it was announced that King George VI had undergone structural changes in one lung. He underwent an operation September 23.

The departure of Princess Elizabeth, heiress presumptive to the throne of Great Britain, and her husband, Prince Philip, Duke of Edinburgh, was postponed.

It was announced October 8 that the king's long-delayed plan to visit Australia and New Zealand had been finally cancelled, and that Elizabeth and Philip would go in his stead. The same day Elizabeth and Philip left by plane for Canada.

ARRIVE IN CANADA — They arrived in Canada Thanksgiving Day and toured what is now Elizabeth's domain from coast to coast. Elizabeth reviewed troops, greeted children, visited a railroad train, met the Dionne quintuplets. She and Philip attended state dinners. They ate sowbelly, spuds and sinkers at a Calgary cowboy-Indian lunch. In Ottawa, they attended a square dance. Philip in blue jeans and woolman's shirt.

They went to Washington to visit President Truman. He called them (Continued on Page Two)

Tourist Goal Is Almost Met

A total of \$1,066 toward the goal of \$2,000 set by the Dunn Tourist Bureau has been reached. It was revealed at a meeting of the Executive Committee held Friday morning in the offices of the Dunn Chamber of Commerce.

The only expense thus far has been for printing and the payment of dues to the Highway 301 Association, according to Norman Suttles, manager of the Chamber of Commerce.

Suttles told the group that T. W. Horton, of Elizabethtown, had set up the first of the signs, designed to draw tourist traffic to Dunn had (Continued On Page Two)

County Safety Unit Will Be Organized

The Dunn Rotary Club has voted to sponsor the organization of a Harnett County Safety Council in an effort to reduce accidents and fatalities on the county's highways.

Plans for the organization, which will take place at an open meeting of the club on Friday night, January 25th, were announced today by President A. B. Johnson and Dr. Glenn L. Hooper.

Dr. Hooper is serving as temporary chairman to handle arrangements for the organization meeting. He pointed out today that Rotary sponsorship will cease after formation of the club. The civic group is lending its support and efforts toward helping the organization get started.

HIGH ACCIDENT RATE — "A review of Harnett's accident and death toll on the highways certainly indicates a definite need for a safety council to promote highway safety in the schools, and in every other organization," declared Dr. Hooper.

New DeSoto Shown Today

Today is Announcement Day at W. & S. Motor Co. DeSoto-Plymouth dealers in Dunn, the day when the public gets its first look at the sensational new 100-horsepower De Soto Fire Dome 8. It was announced today by Dewey Whittenton.

The new De Soto is equipped with the spectacular Fire Dome V-8 engine and the distinctive Air Vent Hood. It is available with new Power Steering, electric windows, fluid-torque Drive power brakes and dozens of other outstanding new car features.

"It is the finest car of the year," Mr. Whittenton said. "The public will be able to compare this new De Soto with any automobile manufactured and, through demonstration rides, find out what a wonderful car it is."

Mr. Whittenton said this is an (Continued On Page Two)

Dunn Guard Captain To Go On Maneuvers

By PFC J. W. YEMPLE, JR.

Capt. George F. Blalock, Commanding Officer of Battery "B", 113 F. A. Bn., Dunn's own National Guard Unit, will leave tomorrow morning to participate as an umpire in Exercise "Longhorn" at Fort Hood, Texas.
