Teen Tattle Tales

By LINDA AYCOCK

Oh, what a ball game! The Dunn girls came over the Newton Grove girls with triumphant scoring. Our Junior Varsity was ahead through the game until the last six minutes. Then their boys came romping on us and beat us by ten points. Bobby Day Godwin scored over half of our points and we're very proud of him. Next year he'll probably be on the varsity and are we glad! Bobby's been waiting for the day he could get on the team and here's hoping you make it, Bobby!

Jean Young and Charlie Maynard are just lovely-dovey. Jean had a hard time at first catching him, but yet who doesn't have a hard time catching that wonderful guy. But she's got him now—Hook, line and sinker!! Have a good time, you love-birds!

Know a couple that looks more in love every time I see them together? It's none other than that sweet twosome, Caye Lee and Stacy Johnson. These two have been seeing each other for a year now. Keep up the good record!!

Around dear old Dunn High, life is dismal without happy Laney Hodges and gay Anne Connor. These two girls are laid up at home with the flu. We certainly hope you girls come back to school as soon as possible, so get rid of that mean old flu!

I hear that "Heavy" Barefoot has a new girlfriend. Who is she, Bobby, nice girl from Erwin, maybe? Seems that Charlie Dorman also has a cute girl over thataway. Maybe you can get some information from these boys. Shall we try?

Wednesday night Jewel McLean was seen at the ball game with Donald Billy Johnson. The next morning she waked up with ptomaine poison.

Barbara Snipes is going to the Lion's Club Dance Friday night. And thrilled, my gosh! Tell us who that cute Junior is, gal! He must be something awful special!

Margaret Godwin and Billy Barefoot are getting along fine these days. She looks so happy every time you mention his name. He likes her a lot too. They certainly make a cute couple!

Annette Barefoot has had quite a few boys around her lately. Buddy Bush is one of her old faithfuls, then Sonny Carr showed her some good times there before Christmas, and now William Maynard is her favorite beau. Well, Annette, how do you do it? Not many girls are fortunate as you having so many boy-friends. Lucky gal!
