By RUTH DENNING
We are proud to announce that two of our senior basketball players have been selected to play on the All-County Team. They are Sue Langston and Rudolph Miller. Sue, who had become interested in basketball during her early years began playing on the team in her freshman year. She has continued to play since and has become one of Coats' best guards. She is 5'10", has brown hair and eyes, and is a neat and attractive girl. Rudolph, also, has been playing on the team for four years. He is 6'2" in height and has a record of 288 points for this year.

Dennis Pope, president of the Coats Chapter of F. F. A. participated in a radio program on "F. F. A. Week." The program was broadcast over W. C. K. B. at 3:15 on Tuesday afternoon. The program included the history of the F. F. A. organization, the purposes for which it stands, and some of the activities it participates in. Representatives from the Anderson Creek, Lillington, Angier and Coats High schools took part in the pro-

gram. The representatives are president of their chapters.

Two movies on "Safety" were shown to the high school students recently in assembly. One of the movies included the various acts of safety that should be observed inside the school building. The other movie demonstrated safety outside the building. The movie illustrated the duties of safety patrols, their work, and their responsibilities. It also stressed the importance of co-operation between students and their safety patrol leaders.

Mr. Everett, from the North Carolina Department of Motor Vehicles Safety Division, talked with us after the movies. He emphasized the importance of safety on the school buses. The bus drivers have a large responsibility in transporting the students to and from school, and it is the duty of each student to conduct himself at all times in a manner that will not endanger the driving of the driver.

The Coats Chapter of the F. F. A. is giving its annual "Father-Son Banquet" on Friday night, February 29. The Banquet which is being given in honor of the fathers of the members, will be held in the Agriculture Building, Mr. J. B.

Teen Tattle Tales

By LINDA AYCOCK

The flu bug has invaded our school and is keeping too many pupils away. It is rumored that the schools might close for a few days if absenteeism gets any higher. We wouldn't mind a little vacation, but frankly speaking, we would prefer to have it next June.

Kack Butt celebrated her 16th birthday on February 21 with a dinner party for several couples. Tommy was seen coming out of the jewelry store with a neat package on that day. You guessed it. A pretty gold bracelet for his truly fair. How does it feel to be sweet sixteen, Kack?

Two-ing The Town:
Dickie Sturles and Anne Byerly making time.
Martha Ann Butler and E. B. Dixon, a cute couple.
Jane Westbrook and Bobby Day Godwin talking sports.
Margaret Lee Naylor and Billy Ray Godwin sitting close together at the ball games.

Charles Johnson and Melrose Tart (a new one) in church. Melrose sporting an orchid.
Tommy Waggoner and Kack Butt headed for the library.
Pat Butler and Dick Tart holding hands.
Frank Sprull and Barbara Reddish leaving the movie.
D. R. Lee and Laney Hodges riding in the old jalopy.
Patricia Johnson and William Moody dancing dreamily in each others' arms.
Morton Fishman and Linda Williams taking in a show.
Jimmy Thompson and Jan Aycock accidently bumping into each other everywhere they go!
Faye Godwin and Devon Stewart dating again.
Granville Tilghman and Bobby Bailey confessing.
Becky Lee and Donald Billy Johnson riding.

After a long weekend holiday, Miss Davis found every desk occupied. Her attendance slip to Mr. Johnson read, "Their mothers had them long enough."
Wedding bells will peal forth in

Elmer will give the invocation and Mr. Owen Odum will give a talk about the Veteran's Administration. There will be a movie shown and afterwards several stunts will be given. The following menu has been planned: Barbecued pig and chicken, cole slaw, hush puppies, garden peas, potato salad, candied yams, coconut pie and ice cream, coffee and cake. Around 140 people are expected to attend the banquet.

The seniors have completed the work on their annual, THE ECHO, and will begin selling them next week. They are being sold at a very reasonable price, only \$1.50 per annual. All the seniors are helping to sell the annuals.

March for four Dunn boys and girls, Pat Johnson and Willie Brannan will be exchanging vows way down in Memphis, Tennessee, March 8th. Patsy Cromartie and Lloyd Coats will do the same in the Methodist Church here in Dunn. We have a smacking idea that Pat Snipes and Nancy Abernathy are waiting no longer than summer to walk down the aisle with Jimmie Coats and Charles Overman, respectively. These romances appear too serious for passing fancies. In the meantime Nancy is knitting argoyles furiously for Charles, even in World History!

All were excited as Tuesday night rolled around and the last home game came with it. Laurinburg! It was certainly a bad night but several turned out for the game. Dunn topped in the girls' game but Laurinburg took the boys. It was a swell game! Friday, night the Jr. Varsity and Varsity will travel to Rockingham for our last basketball game of this season. Good luck, boys. We'll be rooting for 'em!

Have you seen it? It's the most beautiful thing I've seen lately. Of course, it's Joy Lou Edward's new necklace, watch and earring set. Durwood Jackson sent it to her with the news of going overseas. We're sorry to hear that more of our boys are being shipped out. But they'll be back and what a glorious day that will be!

Say, Mary Lou Lee, talk is going around about that new "gangster" you're hitting it off with. What's his real name?

Detention Hall seems to be quite a popular place if the number present is any indication. It makes a good study period if you happen not to have one during school. Bet the teachers don't enjoy staying an extra hour or two after school any more than we do. So why should they be punished for something the pupils do. In other words why have a detention hall?

Lucky Barbara Snipes! Even tho' she has an abundance of boy-friends in Dunn (don't ask me to name them) she has them in Staunton Military Academy. Red Sandlin has asked her to the dances up there and she'll probably come home with even more boy friends. Well all I can say is: More power to you, Barbara!

In Menses there's a boy by the name of Harvey Johnson who has captured Louise Brown. It seems that when she went to Smithfield she met him and now the flame has burst out again. Aint love just absolutely, wonderfully marvelous!

Is my face red and have I made mistakes lately? Annette Barefoot just let it out that Jack Bennett—along with William Maynard—is also a current beau. And Mary Lou Westbrook told me that Raymond West is not her only boy friend, she has several others! I'm awful sorry, gals, and I'll try my level best not to do it again!
