Garbage Can

(Continued from page one) pliance, we will hale the violator into court. We hope, however, that the good citizens of Dunn will comply voluntarily and that there will be no need for even a single warrant." The penalty is \$25 fine or ten days in jail for each day of violation.

Violators will be supplied with a copy of the new ordinance before any warrant is issued, thus forestalling any plea of ignorance of the law.

Although Manning expressed the hope that it would probably not be necessary to issue warrants he admitted that the hope was probably over-optimistic. "It will probably be necessary to issue about 25 warrants before we get compliance," he commented.

In Planting and Fertilizing, too

This JOHN DEERE TRACTOR SETS THE PACE!

Whether your crop, whether your planting is done on hillside, in the furrows, or on level, you will find that the John Deere Model "MT" tractor, with two-row drilling and seeding attachments, sets the pace.

With the "MT" tractor, your equipment investment is reduced because the attachments are easily mounted on the tractor and removed from the tractor, thus eliminating the need for additional equipment.

Dual Touch-a-matic provides control of equipment on either side of the tractor independently (for point rows) or together. And, the Model "MT" has many more outstanding features that will make all your farming jobs easier and more profitable. Stop in and let us tell you about them soon.
