## Club Council Plans Events

Mt. Pisgah Home Demonstration Club was hostess to the quarterly county council meeting on Monday afternoon at the Mt. Pisgah community building.

The meeting, which attracted some 50 club leaders from various sections of the county, was devoted chiefly to plans for three events which loom large on the home demonstration club calendar: (1) the district meeting April 2 in Carthage; (2) National Home Demonstration Club Week, April 27; and (3) Fall Achievement Day.

Mrs. W. J. Gotten, Jr., of Kipling, president of the county council, named a committee composed of Mrs. Clarence Holder of Mt. Pisgah, Mrs. Jack Howard of Benhaven and Mrs. B. F. Kendall of Kipling to draw plans for local and county observance of National Home Demonstration Club Week.

As the first step toward a successful Achievement Day next fall, two committees were appointed, one to select a place, and another to plan a program. On the place committee were named Mrs. T. J. Barnes, Goodwill, Mrs. Wilborn Brownlee, Barbecue and Mrs. R. L. Stephens, Chalybeate Springs. The group asked to plan the program is composed of Mrs. W. E. Temple, Anderson Creek, Mrs. Howell Stewart, Enloe's Creek, and Mrs. Floyd Penny, Pleasant Community.

Both Achievement Day committees will report at the next county council meeting to be held in May in Kipling. Children from the Broadway kindergarten gave a brief program of recitation and song. The devotional was led by Mrs. Moulton Jernigan from Ephesus Club. Following the business session, refreshments were served by the hostess club.

## Noe Addresses Lillington PTA

Lillington's Parent-Teacher Association, meeting Thursday night at the school, heard John Noe, of the State Highway Safety Division, talk on the value of driver education in promoting highway safety.

Noe advocated a two-way program—safe driving instruction in the schools and class room instruction in safety principles. Such a program among the high school age pupils, the speaker said, would cut the highway accident rate 75 percent. The speaker was presented by Neill McK. Ross, who arranged the program.

"Correct driving," Noe reminded his audience, "is safe driving." The speaker outlined how a program of driver instruction could be worked out, first for one school and later on a county-wide level. Adoption of such a program in Harnett County has been endorsed by the county board of education provided needed funds can be secured for equipment and trained teachers are available.

Representative Carson Gregory and Supt. Hal Smith of the Coats school headed a visiting delegation from Coats. Other visitors were Sidley Thomas, Broadway, member of the county board of education, who is also an officer in the newly organized county safety council, County Superintendent of Schools C. T. Frettit and Professor J. L. Spivey of Shawtown School.

President Mack Norwood presided and named a nominating committee to report next month on a slate of new officers. Neill McKay Ross was made chairman of the nominating committee and other members include Mrs. Hal Bradley and Mrs. Joe Layton, Jr.

Attendance prizes went to Mrs.
