Flowers
for good measure...

A legend relates that when God had endowed man with all the riches of mind and soul, and had surrounded him with all material comfort, he threw in the beauty and fragrance of flowers for good measure.

Few people are so hardened that they do not appreciate the grace and loveliness of an unfolding rose or a stately lily. These are not essential things; they are the "extras" which signify the abundance of God's grace.

The person who plants a flower, waters and tends it and brings it to full blossom, adds to the beauty of the world and the brightness of human life. Flowers can change an ugly spot into a place of marvellous beauty.

Some lives we know are like flowers; they brighten and beautify their environment and bless all who touch them. Religion helps to build such lives, and God makes them strong and beautiful. Their roots run deep in the soil of faith.

Go to Church on Sunday. Learn about God. Put your life in His hands and let Him direct your steps.

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
