

College Revival Is Now Underway

Dr. Levering Evans, for twenty years pastor of the Wetherford Memorial Baptist church, Richmond, Va., is holding evangelistic services at Campbell College twice daily through the week. This "Crusade for Christ" week is sponsored by the Baptist Student Union, of which Joe Loyett of Cerro Gordo is president.

Other visitors coming to the campus Monday to confer with students during the week were James W. Ray, Baptist student secretary in North Carolina, and Miss Hilda Mayo, until recently Young People's leader of the State W. M. U. Dr. Evans will preach at the college-chapel hour at 10 a. m. daily through Friday, and at 7:30 each evening in the local Baptist church. S. David Smith, director of the college choir, will have charge of the music.

REPORT TO THE PEOPLE

By Willis Smith

WASHINGTON.—Last week the folks in Washington—like everywhere else in the nation—were interested in politics. The preferential primary in Minnesota showed again the strong personal popularity of General Eisenhower, as well as the unpopularity of President Truman.

Wednesday, Senator Hoey and I drove down to Raleigh for the annual banquet of the North Carolina Citizens Association. Mr. Hoey made the principal speech—and was presented the association's annual award for citizenship. I had the pleasure of making the presentation.

There was a pleasant surprise for everybody present. Senator Richard Russell of Georgia had been invited to attend, but because of the press of duties in Washington, had not been able to accept. At the last minute, however, he found he was able to come, so he flew down for the occasion, and returned to Washington the same night.

To say that those present were enthusiastic about Senator Russell, and his candidacy for the Presidency, would be a matter of understatement. I am all the more convinced that if the South sticks together, and wages a strong fight, we can win the Democratic nomination for Senator Russell. And if he is nominated, I feel he can be elected. I hope that our people will bear in mind that Senator Russell is not merely a sectional candidate, but one who can and will properly represent the entire nation with great ability and harmony.

THE PEOPLE SPEAK

While I was in Raleigh, hundreds of people spoke to me about the affairs of government. They are sick of high taxes, high spending, and low morals in government.

I did not hear a single person express the opinion that he was satisfied with things as they are.

SCHOOL CHILDREN

We are having more and more groups of school children visit us now that Spring is opening up. I was pleased to see groups from high schools at Sunbury and Cary recently.

I want to renew my invitation to all North Carolinians to come by to see us when they're in Washington. We'll be glad to provide you with passes to the Senate chamber and assist you in any way possible while you're here.

LETTERS FROM HOME

Our mail from North Carolina is steadily increasing and most of it demonstrates interest in government. People are, it seems to me, wanting to know the true facts, rather than continue to absorb the propaganda being distributed by the thousands of press agents on the government payroll.

Come in and "Test Drive" THE ABLEST* CAR EVER BUILT* for the American Road!

Here it is... the car that is destined to change the industry. Farsighted planning by the largest single engineering department in the industry has made it possible for Ford to bring you an all-new car for 1952... a car that is designed to do more things for more people for less money than any other car ever built! It's the ablest* car on the American Road!

For this new Ford leads the industry with a choice of V-8 or Six, both packed with new power... with the Full-Circle Visibility... with smoother riding, corner-hugging Automatic Ride Control... with the new weather-sealed comfort and safety of Ford Coachcraft Bodies... and with new convenience features like Center-Fill gas filling.

*Meets the widest range of motorists' needs.

OUT-PERFORMS THEM ALL! The '52 Ford is the most powerful car in the low-price field. Choose either the new Six with free-turning overhead valves, or the V-8, the most powerful engine offered in a low-priced car.

EXCLUSIVE POWER PILOT-ECONOMY! Both new engines give you the savings of the Ford Automatic Power Pilot. It squeezes high-compression "go" from regular gas. (Note new Center-Fill gas inlet.)

OUT-RIDES THEM ALL! Yes, the '52 Ford out-rides all others in the low-price field. New Ride Features: the diagonally-mounted shock absorbers, lower center of gravity, 3-inch longer rear springs, and steel springs (bolted to each wheel's weight) with Ford's Automatic Ride Control let you take the curves on the level... the bumps without bouncing!
