 GOP Senator Hendrickson of New Jersey, persuaded him to prepare a minority report whitewashing the entire wire-tap scandal including his pal, Henry Grunewald.
 Brewster even went to the extreme length of promising Hendrickson a place on the coveted senate judiciary committee if he would spearhead the whitewash. Finally Hendrickson yielded.
 These are some of the things the King Committee did not touch on, but which the public needs to know about in sizing up the \$10,000 payment by the senator from Maine to mystery-man Grunewald.

A NOTE FOR NEWBOLD
 When Newbold Morris, the administration's chief corruption investigator, became angered during his testimony before the Senate committee looking into the sale of surplus tankers he took a note from his pocket and read it. The note was a saga bit of advice from his wife reading, "Keep your shirt on!" (United Press Wirephoto).

Mr. and Mrs. P. D. Godwin entertained at a reception at their home after the ceremony. The home was attractively decorated with mixed spring flowers. Punch, cake and chicken salad sandwiches were served to the guests.
