You won't see many posters of William B. Umstead, candidate for the Democratic nomination for Governor, in the Dunn section because they have been torn down by some of Olive's supporters and in numerous cases Olive posters have been tacked over them. We ask you, is that smart politics? Is that fair, clean politics? Bill Umstead's supporters will never resort to mud-slinging and to such tactics as those now being used by the Olive forces in Dunn and Harnett. Bill Umstead had rather not be governor than for that to happen.
