NEW YORK — (AP) — A State Supreme Court justice chided George W. Quillen yesterday for losing \$10,000 on a "gamble."

Justice Matthew M. Levy refused to set aside a jury verdict awarding Quillen \$12,500 for injuries his young son, Leroy, received in a fall at a public school.

Quillen, who had sought \$200,000, turned down an out-of-court settlement offer of \$22,500, believing he would receive more money following a jury trial.

"This is a sad case," Levy said. "The guardian made a wrong move and it backfired."

At commencement she served as a marshal and was on the Grand Honor Roll. She won the coveted D. A. R. History Medal and also received an award in Bible.

For the past four years Sylvia has been a voice and piano pupil of Mrs. Harold Russell, Fayetteville, North Carolina. This fall she plans to continue her study of music at Wesleyan Conservatory, Macon, Georgia.

Scott-Jackson charged that Norman Stanley Fry, 23, also in court, bit off his nose in a brawl at a pub. Fry was released on \$140 surety bond, pending settlement of the case.

**NEW YORK — (AP) —** Forger Harvey Markman made a fatal error when he borrowed Patrolman Arthur Neu's fountain pen to sign a bogus check for \$40.

Neu's eyes almost popped out as he watched Markman sign with the name of real estate agents whom he knew. It was learned Markman had passed \$3,000 in hot checks, all of them later covered by his parents.

Ralph E. Hanna, \$860; Lieutenant John E. Morris, only full time employee, \$3,480; and Secretary-Treasurer Howard M. Lee, \$210.

Fire hoses are budgeted at \$4,000 for the year and \$9,000 for the truck rental form the major items of the budget.

Other charges are: postage \$10; travel expense, \$300; printing \$25; typewriting and mimeographing \$15; repairs to equipment \$150; office supplies \$25; gas, oil and lubricants \$200; motor vehicle parts \$200; tires and tubes \$200; registrations and subscriptions \$15.

When the purchase of the latest truck to be added to the department is completed it will cut this budget by about one-third. Few towns of Dunn's size can boast of the equivalent in service at such a low cost to the taxpayer.
